**APPENDIX IV
CONSENT/OPT-OUT FORM**

To the Parents of _____:

The District is required by federal law to notify you and obtain your consent or denial (opt-out) for your child to participate in certain school activities. The activities include a student survey, analysis, or evaluation that concerns one or more of the following eight areas, known as "protected information surveys."

1. Political affiliations or beliefs of the student or student's parent;
2. Mental or psychological problems of the student or student's family;
3. Sex behavior or attitudes;
4. Illegal, antisocial, self-incriminating, or demeaning behavior;
5. Critical appraisals of others with whom respondents have close family relationships;
6. Legally recognized privileged relationships, such as with lawyers, doctors, or ministers;
7. Religious practices, affiliations, or beliefs of the student or parents; or
8. Income, other than as required by law to determine program eligibility.

This requirement also applies to the collection, disclosure, or use of student information for marketing purposes ("marketing surveys"), and certain physical exams and screenings.

PLEASE CONTACT YOUR CHILD'S PRINCIPAL IF YOU ELECT TO DENY YOUR CHILD'S PARTICIPATION IN ANY OF THESE ACTIVITIES.

PREFACE

To Students and Parents:

Welcome to school year 2007-9-2008-10! Education is a team effort, and we know that students, parents, teachers, and other staff members all working together will make this a successful year for our students.

West Orange-Stark High School is an academically acclaimed school in the state of Texas. It is one of twelve schools in the state of Texas that has been identified by the Southern Regional Educational Board as a “*High School That Works*”. Parents, students, educators and community members have worked hard to establish this school district as one of the best. For educators to maintain these academic standards, we seek your continued support and involvement.

The West Orange-Stark High School Handbook is designed to provide a resource for some of the basic information that you and your child will need during the school year. In an effort to make it easier to use, the handbook is divided into three sections:

Section I—IMPORTANT INFORMATION FOR PARENTS—with information all parents will need about assisting their child and responding to school-related issues;

Section II—CURRICULUM-RELATED INFORMATION—to provide information to students and their parents about graduation programs, required courses, class rank, and extracurricular and other activities; and

Section III—GENERAL INFORMATION AND REQUIREMENTS—describing school operations and requirements such as safety procedures, the dress code, and fees that may be charged.

Each section has a Quick Reference component to serve as a guide for day-to-day questions that may arise.

Please be aware that the term “the student’s parent” is used to refer to the parent, legal guardian, or any other person who has agreed to assume school-related responsibility for a student.

Both students and parents must be familiar with the West Orange-Cove CISD Student Code of Conduct, required by state law and intended to promote school safety and an atmosphere for learning. That document may be found as an attachment to this handbook and as a separate document on the District’s website at www.woccisd.net.

The student handbook is designed to be in harmony with board policy and the Student Code of Conduct. Please be aware that the handbook is updated yearly, while policy adoption and revision may occur throughout the year. Changes in policy that affect student handbook provisions will be made available to students and parents through newsletters and other communications.

In case of conflict between board policy or the Student Code of Conduct and any provisions of student handbooks, the provisions of board policy or the Student Code of Conduct that were most recently adopted by the board are to be followed.

*Both students and parents should become familiar with the **West Orange-Cove Student Code of Conduct**, which is a document adopted by the board and intended to promote school safety and an atmosphere for learning. That document may be found (as an attachment to this handbook or as a separate document sent home to parents and available in the principals’ office) on line at www.woccisd.net.*

We encourage parents to review the entire handbook with their children and keep it as a reference during this school year. If you or your child has questions about any of the material in this handbook, please contact a teacher, the counselor, or the principal. Also, please complete and return the parental acknowledgment form, parent permission forms, student directory information and release of information to military recruiters and institutions of higher learning so that we have a record of your choices. [See **Obtaining Information and Protecting Student Rights** on page 7 and **Directory Information** on page 12 for more information.]

Please note that references to alphabetical policy codes are included so that parents can refer to current board policy. A copy of the district’s policy manual is available for review online at www.woccisd.net.

WEST ORANGE-COVE CISD BOARD OF TRUSTEES DISTRICT GOALS 2007 ~~9~~ - 2008 ~~10~~

Mission Statement

The mission of the West Orange Cove Consolidated Independent School District, as a progressive multicultural community, is to graduate students able to reach their potential and excel in a diverse society as productive, responsible citizens by utilizing an innovative curriculum, outstanding facilities, patrons' special talents and unique business/industry partnerships.

Encompassing Goal

- We will provide a quality instructional program that meets the needs of all students and ensures continuous improvement.
- We will provide students and staff with facilities and services that are safe and conducive to an orderly, positive, and disciplined learning environment.
- We will foster good stewardship of financial resources.
- We will involve our community and encourage their support in the implementation of our District's mission and goals.

Achieve the academic indicators of the Texas Education Agency for educational excellence ensuring that curriculum is aligned with Texas Essential Knowledge and Skills

1. Increase TAKS scores at all levels
2. Increase TAKS performance closing the gap for identified subgroups as a part of No Child Left Behind federal legislation
3. Increase the number of students taking dual credit courses at Lamar State College
4. Implement a district-wide common reading list at grades 6-12
5. Implement an early high school experience for grades 7 and 8
6. Increase student participation in college entrance testing
7. Work to remove barriers to student achievement and psycho-social development that includes enlisting state agency services for every campus

8. Begin instruction in a World Language in Grades K-5

School Climate and Professional Development

9. Maintain good order and discipline in the schools

10. Improve facilities for aesthetics, safety and function

11. Develop a Superintendent's Leadership team that includes campus principals

Accountability to Community

12. Build a laser focus on instruction to benefit students and teachers

13. Better communicate excellence to our community, staff and students

14. Seek to bring honor, civility and a professional spirit to all we do at all levels including Board of Trustees, staff and students

15. Work to re-invigorate the band program at the high school and middle school levels to include increased participation, jazz band and excellent marching band

16. Seek private funding sources to assist students in participation of a senior year in college program

17. Increase the numbers of graduates going to post-secondary education: university, technical school and military

18. Focus on the development in our students of character, a system of personal ethics and a sense of obligatory service to our fellow man

**WEST ORANGE-COVE CISD
OUR SHARED VISION**

OUR STUDENTS:

- Graduate as well educated decision-makers with a positive vision of themselves and their futures.
- Recognize, respect, and honor the strength and value of cultural diversity.
- Are responsible, productive citizens who are accountable for their actions and demonstrate strong work ethics.
- Are enthusiastic learners who work well independently and as team members.
- Demonstrate pride in their school and community.

WO-C OFFERS A LEARNING ENVIRONMENT THAT:

- Fosters learning through highly dedicated and qualified staff members, who support one another in meeting the diverse needs of all students.
- Models leadership and skills for success to become positive contributors to society.
- Promotes a partnership between parents and educators to provide a quality education in a safe, nurturing environment.
- Challenges students to succeed, using a broad-based rigorous curriculum.
- Integrates modern technology with curriculum to maximize learning.

IN OUR SUPPORTING ENVIRONMENT:

- We are proud of our diverse, high performing community that sets the standards of excellence.
- Our businesses, district, and community work together as full partners and provide the resources necessary for a quality education for all.

**WEST ORANGE-STARK HIGH SCHOOL
SITE-BASED STRATEGIC PLAN**

MISSION STATEMENT

The Mission of West Orange-Stark High School, as a progressive educational institution, is to prepare students to be productive, contributing members of a global community, through a challenging, relevant curriculum, utilizing effective teaching methods and a partnership with patrons in business, higher education, and the local community.

OBJECTIVES

- I. Within eight terms, 100% of our students entering the 9th grade will graduate by successfully completing the TAKS Exit Level and credit requirements.
- II. Within six months after graduation, 100% of WO-S graduates will be successfully enrolled in college/ vocation-technology school or involved in a successful vocational endeavor.
- III. Twenty-five percent of our students will be enrolled in advanced placement or honor's program courses by the year 2006.

TACTICS

- A. We will develop opportunities and utilize all available resources to achieve exemplary ratings on the State of Texas report card.
- B. We will establish a comprehensive counseling program to achieve the campus mission statement and objectives.
- C. We will develop a partnership program with business and industry that provides career technology and appraises the students of job opportunities.
- D. We will promote awareness and increase participation in advanced placement and honor's program.
- E. We will develop a time management plan for class scheduling that will enhance the quality of academic performance.

For additional information on specific action plans addressing the Campus Objectives, contact West Orange-Stark High School, P. O. Box 1107, Orange, Texas 77631, 409/882-5570.

PLEDGE OF ALLEGIANCE

I pledge allegiance to the flag of the United States of America
and to the Republic for which it stands, one nation under God,
indivisible, with liberty and justice for all.

STUDENTS' RIGHTS AND RESPONSIBILITIES

All students are entitled to enjoy the basic rights of citizenship, which are recognized and protected by laws for persons of their age and maturity. District schools shall foster a climate of mutual respect for the rights of others in order to enhance the District educational purpose and the program designed to achieve that purpose. Students shall exercise their rights responsibly in compliance with the rules established for the orderly conduct of the District's educational mission. Students who violate the rights of others or who violate District or school rules are subject to correct the misconduct and promote adherence by all students to the responsibilities of citizens in the school community.

PARENTAL INVOLVEMENT

Title I School-Parent Compact

The reauthorized law puts new emphasis on the shared responsibilities of parents and schools for the high performance of children. In recognition of this partnership, Title I initiated the use of school-parent compacts that identify the mutual responsibilities of each party to help Title I students succeed. As a component of the school-level involvement policy, each school developed a school-parent compact jointly developed with parents of Title I children. This compact outlines how parents, the entire

school staff, and students will share responsibility for improved student achievement. Schools and parents also are jointly responsible for building and developing a partnership to help children achieve the state's challenging standards. The school-parent compacts may be obtained from the principal of each elementary campus.

Working Together

Both experience and research tell us that a child's education succeeds best when there is a strong partnership between home and school, a partnership that thrives on communication. Your involvement in this partnership may include:

- Encouraging your child to put a high priority on education and working with your child on a daily basis to make the most of the educational opportunities the school provides. Ensure that your child completes all homework assignments and special projects. Be sure your child comes to school each day prepared, rested, and ready to learn.
- Becoming familiar with all of your child's school activities and with the academic programs, including special programs, offered in the district. Discuss with the counselor or principal any questions you may have about the options and opportunities available to your child. If your child is entering ninth grade, review the requirements of the graduation programs with your child. (See the Graduation Requirements in the Choices Catalog) Monitor your child's academic progress and contact teachers as needed. [See **Academic Counseling** on page 17 and **Academic Programs** on page 14.
- Attending scheduled conferences and requesting additional conferences as needed. To schedule a telephone or in-person conference with a teacher, counselor, or principal, please call the West Orange-Stark High School office at 882-5570 for an appointment. The teacher will usually return your call or meet with you during his or her conference period or before or after school. [See **Report Cards/Progress Reports and Conferences** on page 10]
- Becoming a school volunteer. For further information, see policy GKG and contact the Director of Public Information at 882-5627.
- Participating in campus parent organizations such as the Parent Teacher Association is strongly encouraged. Please contact the campus principal for more information.
- Offering to serve as a parent representative on the district-level or campus-level planning committees assisting in the development of educational goals and plans to improve student achievement. For further information, see policies at BQA and BQB, and contact the campus principal.
- Offering to serve on the School Health Advisory Council, assisting the district in ensuring local community values are reflected in health education instruction. [See policies BDF, EHAA, FFA and **School Health Advisory Council** on page 30.]
- Attending board meetings to learn more about district operations. Board meetings are held on the last Monday of the month at 6:00 pm at the Administration Building, 505 N. 15th Street, Orange, TX. [See policies BE and BED for more information.]

Obtaining Information and Protecting Student Rights

Your child will not be required to participate without parental consent in any survey, analysis, or evaluation—funded in whole or in part by the U.S. Department of Education—that concerns:

- Political affiliations or beliefs of the student or the student's parent.
- Mental or psychological problems of the student or the student's family.
- Sexual behavior or attitudes.
- Illegal, antisocial, self-incriminating, or demeaning behavior.
- Critical appraisals of individuals with whom the student has a close family relationship.
- Relationships privileged under law, such as relationships with lawyers, physicians, and ministers.
- Religious practices, affiliations, or beliefs of the student or parents.
- Income, except when the information is required by law and will be used to determine the student's eligibility to participate in a special program or to receive financial assistance under such a program.

You will be able to inspect the survey or other instrument and any instructional materials used in connection with such a survey, analysis, or evaluation. [For further information, see policy EF.]

“Opting Out” of Surveys and Activities

As a parent, you also have a right to receive notice of and deny permission for your child's participation in:

- Any survey concerning the private information listed above, regardless of funding.
- School activities involving the collection, disclosure, or use of personal information gathered from your child for the purpose of marketing or selling that information.
- Any nonemergency, invasive physical examination or screening required as a condition of attendance, administered and scheduled by the school in advance and not necessary to protect the immediate health and safety of the student. Exceptions are hearing, vision, or scoliosis screenings, or any physical exam or screening permitted or required under state law. See policies EF and FFAA.

Display of your child's artwork, projects, and other special work products:

As a parent, if you choose that your child's artwork, special projects, photographs, and the like not be displayed to the community on the district's Web site, in printed material, by video, or by any other method of communication, you must notify the principal in writing. (See attached Promotional Internet Permission Form)

As a parent, you also have a right:

- To request information regarding the professional qualifications of your child's teachers, including whether the teacher has met state qualification and licensing criteria for the grade levels and subject areas in which the teacher

provides instruction; whether the teacher has an emergency permit or other provisional status for which state requirements have been waived; and undergraduate and graduate degree majors, graduate certifications, and the field of study of the certification or degree. You also have the right to request information about the qualifications of any paraprofessional who may provide services to your child.

- To review teaching materials, textbooks, and other teaching aids and instructional materials used in the curriculum, and to examine tests that have been administered to your child.
 - To inspect a survey created by a third party before the survey is administered or distributed to your child.
 - To review your child's student records when needed. These records include:
 - Attendance records,
 - Test scores,
 - Grades,
 - Disciplinary records,
 - Counseling records,
 - Psychological records,
 - Applications for admission,
 - Health and immunization information,
 - Other medical records,
 - Teacher and counselor evaluations,
 - Reports of behavioral patterns, and
 - State assessment instruments that have been administered to your child.
- [See **Student Records** on page 12.]
- To grant or deny any written request from the district to make a videotape or voice recording of your child. State law, however, permits the school to make a videotape or voice recording without parental permission for the following circumstances:
 - When it is to be used for school safety;
 - When it relates to classroom instruction or a cocurricular or extracurricular activity; or
 - When it relates to media coverage of the school.
 - To remove your child temporarily from the classroom, if an instructional activity in which your child is scheduled to participate conflicts with your religious or moral beliefs. The removal cannot be for the purpose of avoiding a test and may not extend for an entire semester. Further, your child must satisfy grade-level and graduation requirements as determined by the school and by the Texas Education Agency.
 - To request that your child be excused from participation in the daily recitation of the Pledge of Allegiance to the United States flag and the Pledge of Allegiance to the Texas flag. The request must be in writing. State law does not allow your child to be excused from participation in the required minute of silence or silent activity that follows. [See **Pledges of Allegiance and a Minute of Silence** on page 37 and policy EC.]
 - To request that your child be excused from recitation of a portion of the Declaration of Independence. State law requires students in social studies classes in grades 3–12 to recite a portion of the text of the Declaration of Independence during Celebrate Freedom Week unless (1) you provide a written statement requesting that your child be excused, (2) the district determines that your child has a conscientious objection to the recitation, or (3) you are a representative of a foreign government to whom the United States government extends diplomatic immunity. [See policy EHBK]
 - To request in writing, if you are a noncustodial parent, that you be provided for the remainder of the school year a copy of any written notice usually provided to a parent related to misconduct that may involve placement in a Disciplinary Alternative Education Program (DAEP) or expulsion. See policies FL (LEGAL) and (LOCAL), FO(LEGAL), and the Student Code of Conduct.
 - To request the transfer of your child to another classroom or campus if your child has been determined by the board or its designee to have been a victim of bullying as the term is defined by Education Code 25.0341. Transportation is not provided for a transfer to another campus. See the superintendent or designee for information. [See policy FDB]
 - To request the transfer of your child to attend a safe public school in the district if your child attends school at a campus identified by TEA as persistently dangerous or if your child has been a victim of a violent criminal offense while at school or on school grounds. [See policy FDD(LOCAL)]
 - To request the transfer of your child to another campus or a neighboring district if your child has been the victim of a sexual assault by another student on the same campus, whether that assault occurred on or off campus, and that student has been convicted of or placed on deferred adjudication for that assault. [See policy FDD(LOCAL)]

GRADING GUIDELINES

In grades 9–12, achievement is reported to parents as:

The grade conversion scale shall be as follows:

90 – 100	A
80 – 89	B
75 – 79	C

70 – 74	D
69 & below	F

Transfer students with letter grades that have pluses and minuses shall be converted to District numerical grades using the following scale:

A+ = 98	C+ = 79	F = 69 and below
A = 95	C = 77	
A- = 92	C- = 75 (lowest C allowed)	
B+ = 88	D+ = 74	
B = 85	D = 72	
B- = 82	D- = 70	

Students Transferring from a Non-Accredited School.

Students entering the district from non-accredited public, private, or parochial schools, including home schools, shall be placed initially at the discretion of the principal, pending observation by classroom teacher(s), guidance personnel, and the principal. Criteria for placement may include:

1. Scores on achievement test(s), which may be administered by appropriate district personnel.
2. Recommendation of the sending school.
3. Prior academic record.
4. Chronological age and social and emotional development of the student
5. Other criteria deemed appropriate by the principal

Transfer students from non-accredited public, private, or parochial schools shall validate high school credit for courses by testing or evidence that courses meet State Board requirements and standards.

Grading Policy (EIA-LOCAL)

The six-week grade will be determined by the following: 40% average of all daily grades and 60% major assessment.

1. The student's ongoing evaluation shall consist of projects, class work, tests and graded homework. A student's daily grade, derived from his ongoing evaluation, shall comprise 40% of the six-week total grade, and shall include at least twelve (12) grades. Long-term projects, such as research papers, should be graded at various stages of completion rather than only giving a grade for the final project.
2. Each teacher will develop a clearly defined grading procedure. A copy will be distributed to students at the beginning of each course so they are aware of the way in which they will be evaluated.
3. Semester grades shall be computed by the following:
Three grading periods will represent the semester grade.
4. Three grading periods will be counted as 80% of the semester grade. The final exam is counted as 20% of the semester grade.

Honor Roll

High School:

Superintendent's Honor Roll (All A's)

Principal's Honor Roll (A's and 2 B's)

Honor Roll (Any combination of A's or B's)

Exemption policy

The number of exemptions shall be determined by the classification, grade average, and number of absences as described below:

Fall Term

Seniors	1 absence / 85 average	3 exemptions
	2-3 absences / 85 average	2 exemptions
Juniors	1 absence / 85 average	2 exemptions
	2-3 absences / 85 average	2 exemptions
Sophomores and Freshmen	1 absence / 90 average	2 exemptions
	2-3 absences / 90 average	1 exemption

Spring Term

Seniors	1 absence / 85 average 2-3 absences / 85 average	4 exemptions 2 exemptions
Juniors	1 absence / 85 average 2-3 absences / 85 average	3 exemptions 2 exemptions
Sophomores and Freshmen	1 absence / 90 average 2-3 absences / 90 average	2 exemptions 1 exemption

1. Students with more than three absences in any class are ineligible for exemptions from final exams in the class in which they have more than three absences.
2. Two tardies per six-week grading period in any one class will equal one absence for exemption purposes.
3. Students must be enrolled in WO-S the entire semester for which an exemption would be granted to be eligible for exemption from any exam. Any student enrolled in WO-S after the second week of a semester is ineligible for exemptions.
4. Any student who received any discipline past the detention level shall not be eligible for exemptions from any exam.
5. The opportunity shall be provided for students to take an exam although they qualify for an exemption should they so desire. The student's grade average for the course shall not be lowered by his/her performance on the semester exam should he/she choose to take one in a course for which he/she qualifies for exemption.
6. Determination of the grade average to qualify for an exemption will be accomplished by calculating the average. The cut off date for determining grades used for exemption purposes will be the Friday before the week of exams. (Teachers will continue to take grades through the end of the grading period; however, any grades taken after the cut-off date shall not be used in determining the grade average used for exemption calculation.)
7. Exemption forms will be given to students the week of exams verifying student's eligibility. Students failing to complete this verification process by deadline **WILL NOT** be exempt from exams.
8. Students who meet the state standard of any section of TAKS during the spring administration shall be eligible for exemption from that test area. Example: English, Math, Science, or Social Studies. These students must have three or fewer absences and an average of 90.

Academic Dishonesty

Academic dishonesty – cheating or plagiarism – is not acceptable. Cheating includes the copying of another student's work – homework, classwork, test answers, etc. – as one's own. Plagiarism is the use of another person's original ideas or writing without giving credit to the true author. A student found to have engaged in academic dishonesty will be subject to loss of credit for the work in question, as well as disciplinary penalties, according to the Student Code of Conduct.

REPORT CARDS / PROGRESS REPORTS AND CONFERENCES

Report cards with each student's grades or performance and absences in each class or subject are sent home to parents at the end of the 6 weeks.

At the end of the first three weeks of a grading period parents will be sent a written progress report of their child's performance in any course.

Teachers follow grading guidelines that have been approved by the Board and designed to reflect each student's academic achievement for the grading period, semester, or course. State law provides that a test or course grade issued by a teacher cannot be changed unless the board determines that the grade was arbitrary or contains an error, or that the teacher did not follow the district's grading policy. [See policy EIA.]

Questions about grade calculation should first be discussed with the teacher; if the question is not resolved, the student or parent may request a conference with the principal in accordance with FNG (LOCAL).

The report card or unsatisfactory progress report will state whether tutorials are required for a student who receives a grade lower than 75 in a class or subject.

Tutorials

Students in grades 9-12 who have been identified as being at risk of dropping out of school, or who are not performing at grade level, or who have a grade in a core subject at the end of a three (3) week reporting period lower than 75, or who did not perform satisfactorily on a state-administered assessment instrument, shall be required to attend tutorials. The students identified with the above criteria shall be required to attend tutorials prior to participating in any practices associated with any extra-curricular program/activity. (See policy EHBC Local)

- Students are provided morning and afternoon tutorials.
- Identified students will attend tutorials as required by campus administrators.
- Coaches and sponsors will be notified of identified students needing tutorials.
- Identified students will be required to attend tutorials prior to practices associated with any extra-curricular program/activity.

STATE-MANDATED TESTS

In addition to routine tests and other measures of achievement, students at certain grade levels will take state-mandated tests (such as TAKS: the Texas Assessment of Knowledge and Skills) in the following subjects:

- Mathematics, annually in grades 9–11, with the aid of technology on any test that includes algebra
- Reading, annually in grade 9
- English language arts in grades 10 and 11
- Social studies in grades 10 and 11
- Science in grades 10 and 11
- Any other subject and grade required by federal law

[See policy EKB.]

OTHER STANDARDIZED TESTING: COLLEGE REQUIREMENTS

Many colleges require either the American College Test (ACT) or the Scholastic Aptitude Test (SAT) for admission. Students are encouraged to talk with the counselor early during their junior year to determine the appropriate exam to take; these exams are usually taken at the end of the junior year. (Prior to enrollment in a Texas public college or university, most students must take a standardized test, such as the Texas Higher Education Assessment [THEA]).

MEDICINE AT SCHOOL

All medications must be in the original container along with a note of instructions. The nurse will not administer medications if they are not properly identified. The label of prescribed medications must state a) name of student; b) name of medication; c) amount to be taken; d) time to be taken.

All medications including over the counter or those prescribed by a doctor or dentist, must be brought to the nurse's office in the original container, by parent/guardian, stating the number of pills or capsules in the container. Nurses will count pills in parent's/guardian's presence to verify number of pills.

All medications to be given for 5 days or greater must be accompanied by a doctor's release. It is recommended that medications not be sent to school if they are ordered to be given:

1. Daily
2. Two times a day
3. Three times a day
4. Every 8 hours
5. Every 12 hours

These medications may be given at home, before school, after school and at bedtime. The exceptions would be medications that are prescribed to enhance the student's ability to function in the school environment effectively. For example, medications used for learning disabilities, behavior modifications, seizures and psychiatric problems.

District employees will not give a student prescription medication, nonprescription medication, herbal substances, anabolic steroids, or dietary supplements, with the following exceptions:

- Only authorized employees, in accordance with policy FFAC, may administer:
 - Prescription medication, in the original, properly labeled container, brought to school by the parent, along with a written request.
 - Medication from a properly labeled unit dosage container filled by a registered nurse or another qualified district employee from the original, properly labeled container.
 - Nonprescription medication, in the original, properly labeled container, brought to school by the parent along with a written request.
 - Herbal or dietary supplements provided by the parent only if required by the student's individualized education program (IEP) or Section 504 plan for a student with disabilities.
- In certain emergency situations, the district will administer to a student nonprescription medication, but only:
 - In accordance with the guidelines developed with the district's medical advisor and
 - When the parent has previously provided the medication with written consent to emergency treatment on the district's form.

A student with asthma or severe allergic reaction (anaphylaxis) may be permitted to possess and use prescribed asthma or anaphylaxis medication at school or school-related events only if he or she has written authorization from his or her parent and a physician or other licensed health-care provider. The student must also demonstrate to his or her physician or health-care provider and to the school nurse the ability to use the prescribed medication, including any device required to administer the medication.

If the student has been prescribed asthma or anaphylaxis medication for use during the school day, the student and parents should discuss this with the school nurse or principal.

In accordance with a student's individual health plan for management of diabetes, a student with diabetes will be permitted to possess and use monitoring and treatment supplies and equipment while at school or at a school-related activity. See the school nurse or principal for information. [See policy FFAF]

PSYCHOTROPIC DRUGS

A psychotropic drug is a substance used in the diagnosis, treatment, or prevention of a disease or as a component of a medication. It is intended to have an altering effect on perception, emotion, or behavior and is commonly described as a mood- or behavior-altering substance.

Teachers and other district employees may discuss a student's academic progress or behavior with the student's parents or another employee as appropriate; however, they are not permitted to recommend use of psychotropic drugs. A district employee who is a registered nurse, an advanced nurse practitioner, a physician, or a certified or credentialed mental health professional can recommend that a student be evaluated by an appropriate medical practitioner, if appropriate. [For further information, see policies at FFAC.]

STEROIDS

State law prohibits students from possessing, dispensing, delivering, or administering an anabolic steroid. Anabolic steroids are for medical use only, and only a physician can prescribe use.

Body building, muscle enhancement, or the increase of muscle bulk or strength through the use of an anabolic steroid or human growth hormone by a healthy student is not a valid medical use and is a criminal offense.

Students participating in UIL athletic competition may be subject to random steroid testing. More information on [http://www.uil.utexas.edu/athletics/health/steroid information.htm](http://www.uil.utexas.edu/athletics/health/steroid%20information.htm) ! .

STUDENT RECORDS

Both federal and state law safeguards student records from unauthorized inspection or use and provide parents and "eligible" students certain rights *of privacy. Before disclosing any personally identifiable information from a student's records, the district must verify the identity of the person, including a parent or the student, requesting information.* For purposes of student records, an "eligible" student is one who is 18 or older OR who is attending an institution of postsecondary education.

Virtually all information pertaining to student performance, including grades, test results, and disciplinary records, is considered confidential educational records. Release is restricted to:

- The parents—whether married, separated, or divorced—unless parental rights have been legally terminated and if the school is given a copy of the court order terminating these rights.
- Federal law requires that, as soon as a student becomes 18 ~~or~~ is emancipated by a court, *or enrolls in a post secondary institution*, control of the records goes to the student. The parents may continue to have access to the records, however, if the student is a dependent for tax purposes *and under limited circumstances when there is a threat to the health and safety of the student or other individuals.*
- District ~~staff members~~ *school officials* who have what federal law defines as a "legitimate educational interest" in a student's records. ~~Such persons would include school officials (such as Board members, the Superintendent, and principals), school staff members (such as teachers, counselors, and diagnosticians), or an agent of the District (such as a medical consultant).~~ *School officials would include trustees and employees, such as the superintendent, administrators, and principals; teachers, counselors, diagnosticians, and support staff; a person or company with whom the district has contracted or allowed to provide a particular service or function (such as an attorney, consultant, auditor, medical consultant, therapist, or volunteer); a parent or student serving on a school committee; or a parent or student assisting a school official in the performance of his or her duties.* "Legitimate educational interest" in a student's records includes working with the student; considering disciplinary or academic actions, the student's case, or an individualized education program for a student with disabilities; compiling statistical data; *reviewing and educational record to fulfill the official's professional responsibility;* or investigating or evaluating programs.
- Various governmental agencies or in response to a subpoena or court order.
- A school to which a student transfers or in which he or she *is already enrolled subsequently enrolls.*

Release to any other person or agency—such as a prospective employer or for a scholarship application—will occur only with parental or student permission as appropriate.

The principal is custodian of all records for currently enrolled students at the assigned school. The Superintendent is the custodian of all records for students who have withdrawn or graduated.

Records may be inspected by a parent or eligible student during regular school hours. *The records custodian or designee will respond to reasonable requests for explanation and interpretation of the records.*

A parent or eligible student who provides a written request and pays copying costs of ten cents per page may obtain copies. If circumstances prevent inspection during *regular school these* hours, *and the student qualifies for free or reduced-price meals*, the district will either provide a copy of the requested records, or make other arrangements for the parent or student to review these records. ~~The records custodian or designee will respond to reasonable requests for explanation and interpretation of the records.~~ The address of the Superintendent's office is **505 N. 15th Street, Orange, TX 77630.**

The addresses of the principals' offices are:

North Early Learning Center, 801 Cordrey, Orange, TX 77630

Anderson Elementary, 902 W. Park Avenue, Orange, TX 77630

Oates Elementary, 900 Newton Street, Orange, TX 77630

A parent (or eligible student) may inspect the student's records and request a correction if the records are considered inaccurate, *misleading*, or otherwise in violation of the student's privacy rights. *A request to correct a student's record should be submitted to the principal or superintendent. The request must clearly identify the part of the record that should be corrected and include an explanation of how the information in the record is inaccurate.* If the District refuses the request to amend the records, the requestor has the right to request a hearing. If the records are not amended as a result of the hearing, the requestor has 30 school days to exercise the right to place a statement commenting on the information in the student's record. Although improperly recorded grades may be challenged, contesting a student's grade in a course is handled through the general complaint process defined by policy FNG (Local) *A grade issued by a classroom teacher can be changed only if, as determined by the board of trustees, the grade is arbitrary, erroneous or inconsistent with the district's grading policy.* [See **FINALITY OF GRADES AT FNG (LEGAL)**, **Report Cards/Progress Reports and Conferences** on page 9 and **Student or Parent Complaints and Concerns** on page 12 for an overview of the process.]

~~Copies of student records are available at a cost of ten cents per page, payable in advance. If the student qualifies for free or reduced-price lunches and the parents are unable to view the records during regular school hours, one copy of the record will be provided at no charge upon written request of the parent.~~

The district's policy regarding student records found at FL (Legal) and (Local) is available from the principal's or superintendent's office.

The parent's or eligible student's right of access to and copies of student records do not extend to all records. Materials that are not considered educational records – such as a teacher's personal notes about a student that are shared only with a substitute teacher – do not have to be made available to the parents or student.

Directory Information

The law permits the district to designate certain personal information about students as "directory information." This "directory information" will be released to anyone who follows procedures for requesting it. (See policy FL)

However, release of a student's directory information may be prevented by the parent or an eligible student. This objection must be made in writing to the principal within ten school days of the child's first day of this school year. (See the "Notices regarding Directory Information and Parent's Response Regarding Release of Student Information" attached to this handbook.)

Directory Information for School-Sponsored Purposes

The district often requires the use of student information for school-sponsored purposes. The district has designated the following categories of information as directory information: student name, address, telephone listing, electronic mail address, photograph, and date and place of birth, as well as major field of study, degrees, honors, and awards received, dates of attendance, grade level, most recent educational institution attended, participation in officially recognized activities and sports, and weight and height of members of athletic teams. This information will not be released to the public without the consent of the parent or eligible student. (Consent form is attached)

Release of Student Information to Military Recruiters and Institutions of Higher Education

The district is required by federal law to comply with a request by a military recruiter or an institution of higher education for students' names, addresses, and telephone listings, unless parents have advised the district not to release their child's information without prior written consent. A form has been attached for you to complete if you do not want the district to provide this information to military recruiters or institutions of higher education.

Please note:

Parents or eligible students have the right to file a complaint with the U.S. Department of Education if they believe the district is not in compliance with federal law regarding student records. That address is: Family Policy Compliance, U.S. Department of Education, 400 Maryland Avenue, S. W., Washington, DC 20202-4605. The district's policy regarding student records is available from the principal's or superintendent's office or on the district's Web site at www.woccisd.net. The parent's or eligible student's right of access to and copies of student records does not extend to all records. Materials that are not considered educational records—such as teachers' personal notes about a student that are shared only with a substitute teacher—do not have to be made available to the parents or student.

STUDENT OR PARENT COMPLAINTS AND CONCERNS

Usually student or parent complaints or concerns can be addressed by a phone call or a conference with the teacher or principal. For those complaints and concerns that cannot be handled so easily, the district has adopted a standard complaint policy at FNG (LOCAL) in the district's policy manual. A copy of this policy may be obtained in the principal's or superintendent's office or on the District's website at www.woccisd.net.

In general, the student or parent should submit a written complaint and request a conference with the campus principal. If the concern is not resolved, a request for a conference should be sent to the superintendent. If still unresolved, the district provides for the complaint to be presented to the board of trustees.

Enrollment Procedures Grades Pk-12

- Early registration events are scheduled for each campus prior to the first day of school

For students enrolling during the year:

- Request verification of driver's license of person enrolling student and make copy for our files
- Complete V-Soft (Raptor) visitor screening process
- Parent/Guardian of the student comes to the attendance office and completes enrollment forms for student. If person enrolling the student is not the parent or legal custodian of child, the enrolling individual must go to administration building to complete Power of Attorney form
- Campuses will be notified when Power of Attorney is completed

The following items are necessary for enrollment:

- Latest report card or withdrawal form from previous school
- Birth certificate –Original birth certificate must be provided at first enrollment into West Orange-Cove CISD. A copy is made and identified by the enrolling campus as “copy of original certificate.”
- Social security card
- Immunization record (30-day grace period allowed for students transferring from another Texas school or students identified eligible for McKinney-Vento assistance). All out of state and out of country students must present immunization records at time of enrollment. Without the documentation in hand, the student cannot be enrolled. If the student provides records, the immunizations must be current. If not, the student must begin the necessary vaccine dose before he/she can be provisionally enrolled.
- Proof of residency may be required, North ELC requires utility bill or rent statement
- Student Emergency Form and all other enrollment forms must be completed.

RELEASE OF STUDENTS FROM SCHOOL

Because class time is important, doctor's appointments should be scheduled, if possible, at times when the student will not miss instructional time.

A student who will need to leave school during the day must bring a note from his or her parent that morning and follow the campus sign-out procedures before leaving the campus. Otherwise, a student will not be released from school at times other than at the end of the school day. Unless the principal has granted approval because of extenuating circumstances, a student will not regularly be released before the end of the instructional day.

If a student becomes ill during the school day, the student should receive permission from the teacher before reporting to the school nurse. The nurse will decide whether or not the student should be sent home and will notify the student's parent.

Late Arrival to School

Students who arrive at school after 20 minutes of their first class must report to the attendance office and sign in with the attendance clerk. Failure to comply with this procedure will result in disciplinary action.

Withdrawing from School

A student under 18 may be withdrawn from school only by a parent. The school requests notice from the parent at least three days in advance so that records and documents may be prepared. The parent may obtain a withdrawal form from the counselor's office.

On the student's last day, the withdrawal form must be presented to each teacher for current grade averages and book clearance; to the librarian to ensure a clear library record; to the clinic for health records; to the counselor for the last report card and course clearance; and finally, to the principal. A copy of the withdrawal form will be given to the student, and a copy will be placed in the student's permanent record.

A student who is 18 or older, who is married, or who has been declared by a court to be an emancipated minor, may withdraw without parental signature.

SECTION II CURRICULUM-RELATED INFORMATION

This section of the handbook contains information on academics and school activities, which is of particular interest to students. Students should take the time to review this information with their parents—especially if they are entering 9th grade and are a transfer student. The section includes information on graduation programs and requirements; options for earning course credit; extracurricular activities and other school-related organizations; and awards, honors, and scholarships.

ACADEMIC PROGRAMS

The school counselor provides students and their parents information regarding academic programs to prepare for higher education and career choices. [For more information see pages 23 - 26 of this handbook and policy EIF.]

CLASS RANK / TOP TEN PERCENT / HIGHEST RANKING STUDENT

In order for a student to be eligible for the academic honors of valedictorian or salutatorian he/she must have been enrolled in the District's high school on or before the last day of the first six -weeks grade reporting period of his or her junior year. The student must be a full-time student.

In case a transfer student fails to meet the attendance requirements for academic honors or honor graduate, the student shall receive the rank-in-class to which he or she is entitled, but he or she will not be awarded the title or honor that might stem from the receipt of the academic honor.

Class Ranking (EIC-LOCAL)

It is the responsibility of the parent and student to plan course selections. The weight and value of courses and non-courses may affect class rank.

The following grade-point system will be used in computing class rank:

Course Level	A	B	C	D	F
Honors/College Board Advanced Placement/ Dual Credit	6	5	4	3	0
Regular	5	4	3	2	0
Basic/Resource/Special Education Self-Contained/ <i>Modified</i>	4	3	2	1	0

Only courses completed in grade nine through the conclusion of the fifth six-week period of the senior year shall be used in computing class rank.

Grades for all subjects, including physical education, shall be used in computing class rank. Grades earned from correspondence, summer school, adult school or any waived credit and advanced placement (credit by examination) shall not be used in computing class rank. Courses taken on a “no credit” or “pass-fail” basis shall not be counted for class rank. Courses taken in AEP (Alternative Education Placement) are considered modified courses.

Valedictorian

Using the prescribed ranking system, the student~~(s)~~ with the highest grade-point average *and the highest ranking* will be designated Valedictorian ~~or Co-valedictorian~~. Refer to EIC (Local) policy.

Salutatorian

Using the prescribed ranking system, the student~~(s)~~ with the second highest grade-point average *or second highest ranking* will be designated Salutatorian ~~or Co-salutatorian~~. Refer to EIC (Local) policy.

Ties

In the event of a tie for valedictorian or salutatorian, the tie will be broken according to the following guidelines:

1. The student with the highest number of honors courses shall be the recipient.
2. If a tie still exists, the student with the highest numerical grade average of honor classes shall be the recipient.
3. If a tie still exists, the student with the highest numerical grade average of all classes shall be the recipient.

There shall be only one valedictorian and one salutatorian. In the event of a tie for valedictorian, the student who come is second in the tie-breaker process shall be salutatorian.

Early Graduation

Students graduating at the end of their third year will be assigned a rank. The early graduate's ranking will not displace any student graduating in regular order.

Honor Graduates

Using the prescribed ranking system, the top ten percent of the students who have the highest grade point average will be designated honor graduates. For two school years following their graduation, district graduates who ranked in the top ten percent of their graduating class are eligible for admission into four-year public universities and colleges in Texas. Students and parents should contact the counselor for further information about how to apply and the deadline for application.

Transfer Students

A transfer student must be continuously enrolled in the District's high school on or before the last day of the first six- weeks reporting of his or her junior year to be an honor graduate. Please see your counselor for additional information. (See policy EIC)

STATE SCHOLARSHIPS AND GRANTS

- Under the Texas Early High School Graduation Scholarship Program, students who complete the Recommended or Advanced (Distinguished Achievement) High School Program may earn financial credits in varying amounts to apply toward college tuition. The amounts depend on the number of consecutive months in which the student completed graduation requirements and the number of early college credits earned and may be used at public or private higher education institutions within the state. The counselor can provide additional information about meeting the program's eligibility requirements.
- Students who have a financial need according to federal criteria and who complete the Recommended High School Program or Distinguished Achievement Program may be eligible under the TEXAS Grant Program for tuition and fees to Texas public universities, community colleges, and technical schools, as well as to private institutions. [For further information, see the principal or counselor and policy EJ.]

Senior students are responsible for mailing all correspondence regarding scholarship, college admissions and financial aid.

CLASS SCHEDULES

Schedule changes should be made the week prior to the beginning of each semester. Necessary changes in courses may be made within the first five school days of a semester without penalty. The staff may change achievement levels in courses as needed. Students shall be responsible for making up work issued on essential knowledge and skills and objectives for the new course.

COMPUTER RESOURCES

To prepare students for an increasingly computerized society, the district has made a substantial investment in computer technology for instructional purposes. Use of these resources is restricted to students working under a teacher's supervision and for approved purposes only. Students and their parents will be asked to sign a user agreement (separate from this handbook) regarding use of these resources; violations of this agreement may result in withdrawal of privileges and other disciplinary action.

Computer use and electronic communications using District resources are not private and may be monitored at any time by Internet service providers, operators of system file servers and designated District staff to ensure appropriate use.

West Orange-Stark High School students wishing to obtain access to District Network Services such as Internet or TENET must be sponsored by a faculty member and must agree to the following:

1. The use of the network is a privilege that may be revoked by network administrators or authorized faculty designees at any time for abusive conduct. Such conduct would include, but is not limited to, the placing of unlawful information on or through the computer system and the use of obscene, abusive, or otherwise objectionable language or images in either public or private files or messages.
2. The District reserves the right to any material stored in files to which all users have access and will edit or remove any material which the staff, in its sole discretion, believes may be objectionable. Users of the network will not use their account to obtain, view, download or otherwise gain access to such materials.
3. Information services and features contained on WOCCISD network services are intended for use of its patrons, and any commercial or other unauthorized use of those materials, in any form, is expressly forbidden.
4. Information contained on WOCCISD network services is placed there for general information purposes and is in no way intended to refer to, or be applicable to, any specific person, case, or situation.
5. WOCCISD network services does not warrant that the functions of the system will meet any specific requirements of the individual user or that it will be error-free or uninterrupted; nor shall it be liable for any direct or indirect, incidental, or consequential damages (including lost data, information, or profits) sustained or incurred in connection with the use, operation, or inability to use the system.
6. Rules and regulations of the system usage will be promulgated from time to time by the network administrators and authorized faculty designees, and users of the network are subject to these rules and regulations.
7. WOCCISD network services are intended for the exclusive use of its registered users, who are the responsibility of the account holder. Any misuse will result in suspension of account privileges.
8. E-mail responsibilities include checking e-mail regularly, remaining within the limited disk quota, and not interfering with the network traffic by sending "chain letters" or "broadcasting" messages to lists or individuals.
9. Gaining unauthorized access to any District Computer System, District Network Service, and outside telecommunications services is a prohibited activity under the provisions of West Orange-Cove Consolidated Independent School District School Board Policies FNC (Local) and CMB (Local).
10. Noncompliance with any of the provisions as stated will result in District staff reporting to the principal the name of any student responsible, and may result in further disciplinary action in accordance with provisions of the WOCCISD Student Code of Conduct.

Rules for appropriate use

Access to West Orange-Cove computer resources is a privilege, not a right. Failure to comply with the guidelines set out in the Acceptable Use Policy may result in suspension of access or termination of privileges and other disciplinary action consistent with District policies. Students should refer to the Student Code of Conduct for a detailed description of the consequences of improper use of the computer system.

The District shall not be liable for users' inappropriate use of electronic communication resources, violations of copyright restrictions or other laws, users' mistakes or negligence, or costs incurred by users. The District shall not be responsible for ensuring the accuracy, age appropriateness, or usability of any information found on the Internet.

- You will be assigned an individual account, and you are responsible for not sharing the password for that account with others.
- The account is to be used only for identified educational purposes.
- You will be held responsible at all times for the proper use of your account, and the District may suspend or revoke your access if you violate the rules.
- Remember that people who receive e-mail from you with a school address might think your message represents the school's point of view.

Inappropriate uses

- Using the system for any illegal purpose.
- Borrowing someone's account without permission.
- Downloading or using copyrighted information without permission from the copyright holder.
- Posting messages or accessing materials that are abusive, obscene, sexually oriented, threatening, harassing, damaging to another's reputation or illegal. If you feel there is a problem or if you feel uncomfortable with the information someone is sending you via the Internet, tell the teacher or computer lab operator immediately. If a user asks that you no longer send them mail or in any other way contact them, you must stop all contact immediately. You may feel you have the right to freedom of expression, but please remember that others have the right to be free from harassment.
- The system may not be used for financial or commercial gain or business use.
- Posting personal communications without the original author's consent is prohibited.
- Posting anonymous messages is prohibited.
- Wasting school resources through improper use of the computer system.
 - Do not download large (over 1MB) files unless instructed to do so by your teacher.
 - Do not play games with others on the network or Internet.
 - Only download the information you need.
 - Use your access time efficiently. Remember, there are others who need to use the network.
- Gaining unauthorized access to restricted information or resources.
- Using personal e-mail.

Consequences for inappropriate use

- Suspension of access to the system;
- Revocation of the computer system account; or

- Other disciplinary or legal action, in accordance with the District policies, Student Code of Conduct and applicable laws. [For additional information, see policy CQ.]

CORRESPONDENCE COURSES

The district permits high school students to take correspondence courses— by mail or via the Internet—for credit toward high school graduation.

Credit toward state graduation requirements may be granted for correspondence courses only under the following conditions:

1. The institution offering the course is the University of Texas at Austin, Texas Tech University, or other public institution of higher education approved by the Commissioner of Education of Texas.
2. The correspondence course includes the state-required Texas Essential Knowledge and Skills for such a course.
3. Only juniors and seniors are eligible to take correspondence courses.
4. Only one correspondence course may be taken at a time.
5. Grades for correspondence courses shall not be used in computing class rankings.
6. Approval must be secured from the principal or counselor.
7. A maximum of 2 state required credits may be earned through correspondence courses in the high school career.

See counselor for approved correspondence courses. [For further information, see policy EEJC]

COUNSELING

Academic Counseling

Students and their parents are encouraged to talk with a school counselor, teacher, or principal to learn about course offerings, the graduation requirements of various programs, and early graduation procedures. Each spring, students in grades 9 through 12 will be provided information on anticipated course offerings for the next year and other information that will help them make the most of academic and vocational opportunities.

To plan for the future, students should work closely with the counselor in order to take the high school courses that best prepare them for attendance at a college, university, or training school, or for pursuit of some other type of advanced education. The counselor can also provide information about entrance exams and deadlines for application, as well as information about automatic admission to state colleges and universities, financial aid, housing, and scholarships.

Personal Counseling

The school counselor is available to assist students with a wide range of personal concerns, including such areas as social, family, or emotional issues, or substance abuse. The counselor may also make available information about community resources to address these concerns. A student who wishes to meet with the counselor should contact the guidance office.

Please note: The school will not conduct a psychological examination, test, or treatment without first obtaining the parent's written consent. Parental consent is not necessary when a psychological examination, test, or treatment is required by state or federal law for special education purposes or by the Texas Education Agency for child abuse investigations and reports.

[For more information, refer to policy FFE and FFG (EXHIBIT).]

CREDIT BY EXAM—If a Student Has Taken the Course

A student who has received prior instruction in a course or subject—but did not receive credit for it—may, in circumstances determined by the teacher, counselor, principal, or attendance committee, be permitted to earn credit by passing an exam on the essential knowledge and skills defined for that course or subject. To receive credit, a student must score at least 70 on the exam.

The attendance review committee may offer a student with excessive absences an opportunity to earn credit for a course by passing an exam. A student may not use this exam, however, to regain eligibility to participate in extracurricular activities. Credit earned through credit by examination will not be included in computing class rank.

In all instances, the district will determine whether any opportunity for credit by exam will be offered.

[For further information, see the counselor and policy EEJA.]

CREDIT BY EXAM—If a Student Has Not Taken the Course

A student will be permitted to take an exam to earn credit for an academic course for which the student has no prior instruction. The dates on which exams are scheduled ~~during the 2007–2008 school year include:~~ *can be found at the district web site www.woccisd.net*

Fall 2008	Spring 2009
August 5, 2008	January 20, 2009
August 6, 2008	June 2, 2009
August 21, 2008	June 3, 2009

~~A student will earn credit with a passing score of at least 90 on the exam. Credit earned through credit by examination will not be included in computing class rank.~~

~~If a student plans to take an exam, the student (or parent) must register with the principal no later than 30 days prior to the scheduled testing date. The district will not honor a request by a parent to administer a test on a date other than the published dates. The parent will be responsible for paying an appropriate fee to the district or for purchasing the test from a university approved by the State Board of Education. [For further information, see policy EEJB.]~~

DUAL CREDIT COURSES / COLLEGE COURSES

Dual Enrollment

Juniors and Seniors, only, may earn college credit on the West Orange-Stark High School Campus. Students receiving college credit must complete a LSC-O application for admissions and a parental consent form. Tuition must be paid to Lamar State College-Orange. LSC-Orange offers a scholarship to assist with tuition and fees. Additional funding may be provided by WOCCISD to assist students with required fees for dual credit enrollment. Students should see the counselor for additional information. Students who plan to enroll in a mathematics course must make an acceptable score on the LSC-O Mathematics Placement Examination. Based upon the score, a student may earn credit for either College Algebra or Math 2312. High school students who plan to enroll in dual-credit classes must take the THEA or ASSET test prior to enrollment. Students may be exempt from testing requirements if they meet the following qualifying standards:

- TAKS – 2200 in math and/or 2200 in ELA with a writing sub score of at least 3
- SAT – combined score of 1070 with a 500 on the math and verbal sections
- ACT – composite score of 23 with a 19 on the Math and English section.

Students must meet state, WO-S and LSC-Orange prerequisites and requirements in order to receive dual credit.

High School students may also take the E-Compass test which is a computer version of the ASSET test. The E-Compass test may be taken at the LSC-Orange testing center by appointment only.

DUAL ENROLLMENT-WEST ORANGE-STARK HIGH SCHOOL

Courses offered on this campus are taught by West Orange-Stark High School teachers. Courses at LSC-Orange are taught by members of the Lamar faculty. Students are **not** permitted to take more than **two** dual credit courses per year (12 college hours per year).

The courses approved for Dual Enrollment Credit are:

Lamar State College-Orange Internet Classes

Beginning Fall 2006, West Orange-Stark High School students may take English 13-1-1302, Government 2301-2302 and U.S. History 1301-1302 via the internet through Lamar State College-Orange. Internet courses are college credit options for juniors and seniors.

CAREER AND TECHNOLOGY PROGRAMS

The district offers career and technology programs in health occupations, office technology, family consumer science, food service, marketing, technology education, auto collision repair, building trades, machine shop, welding, and media technology. Admission to these programs is based on needs, interests, career plans of students and age appropriateness. It is the policy of West Orange-Cove CISD not to discriminate on the basis of race, color, national origin, sex or disability in its Career and Technology programs, services or activities as required by Title VI of the Civil Rights Act of 1964, as amended; Title ix of the Education Amendments of 1972; and Section 504 of the Rehabilitation Act of 1973 as amended.

West Orange-Cove CISD will take steps to ensure that lack of English language skills will not be a barrier to admission and participation in all educational and vocational programs.

EXTRACURRICULAR ACTIVITIES, CLUBS, AND ORGANIZATIONS

Participation in school-related activities is an excellent way for a student to develop talents, receive individual recognition, and build strong friendships with other students; participation, however, is a privilege, not a right.

Eligibility for participation in many of these activities is governed by state law and the rules of the University Interscholastic League (UIL)—a statewide association overseeing interdistrict competition www.uil.utexas.edu. The following requirements apply to all extracurricular activities:

- A student who receives at the end of a grading period a grade below 70 in any academic class—other than a class identified as honors or advanced by either the State Board of Education or by the local board of trustees—may not participate in extracurricular activities for at least three school weeks.
- A student with disabilities who fails to meet the standards in the individualized education program (IEP) may not participate for at least three school weeks.
- An ineligible student may practice or rehearse.
- A student is allowed in a school year up to ten absences not related to post-district competition, a maximum of five absences for post-district competition prior to state, and a maximum of two absences for state competition. All extracurricular activities and public performances, whether UIL activities or other activities approved by the board, are subject to these restrictions.
- A student who misses a class because of participation in an activity that has not been approved will receive an unexcused absence.

If you are interested in becoming a member of *any of* the organizations listed below, please see the sponsor early in the year as many organizations have established codes of conduct, *which may exceed the minimum grade point requirement for UIL competition and* which must be achieved before you are allowed to join.

Club Funds

Club Funds may not be used for functions not sponsored by the school. All proceeds acquired from dues or fund-raising activities are to be promptly deposited with the school secretary who in turn will deposit it with the District Business Office into the appropriate activity account.

Club Meetings

Club & Class Meetings are to be held only at the request of the sponsor. Meetings are to be held only if the sponsor is present, if prior approval is given by the building principal and meetings are held on school grounds.

All students interested in representing WOS in Interscholastic League literary events should call the school office (409) 882-5570

A student may participate in extracurricular activities on or off campus at the beginning of the school year only if the student has earned the cumulative number of credits in State-approved courses indicated as follows:

- beginning of the 9th grade year: - have been promoted from the eighth grade to the ninth;
- beginning of the 10th grade year: - at least six credits toward graduation;
- beginning of the 11th grade year: - at least twelve credits toward graduation;
- beginning of the 12th grade year: - at least eighteen credits toward graduation.

In order to be eligible to participate in an extracurricular activity event a student must pass all of the courses on his schedule. Eligibility will be checked after the first six weeks. Another eligibility check will be collected after each six-week grading period. A student can regain eligibility after each three- week period. If a student is passing (70 or above) in each class, he/she will be eligible to participate at the end of the fourth week. See chart.

All students are academically eligible during summer recess. See “Academic Requirements” for eligibility requirements for first 6 weeks of the school year.

Legend for six-week grading period:

- Grading period ends. Check eligibility for all students.
- | | Student is in (regains eligibility) or out (loses eligibility) at the end of that week at the time the regular school day is scheduled to end. This school week is first week of three-school week evaluation period.
- Opportunity to regain eligibility. (Teachers required to check grades for suspended students only) Student may regain eligibility 7 calendar days after the end of the three- week grading evaluation period at the time the regular school day ends if principal and teachers have determined the student is passing all courses.

Please note: Sponsors of student clubs and performing groups such as the band, choir, and drill and athletic teams may establish standards of behavior—including consequences for misbehavior—that are stricter than those for students in general. If a violation is also a violation of school rules, the consequences specified by the Student Code of Conduct or by local policy will apply in addition to any consequences specified by the organization’s standards of behavior.

[For further information, see policies FM and FO.]

NCAA-HIGH SCHOOL

If you wish to participate in college athletics, you must meet core-course requirements to attend Division I or Division II colleges. You must take the right courses as well as have an acceptable core-course grade point average and SAT I or ACT score. Please see your coach or counselor for additional information.

Announcements and School Bulletins

All announcements and articles for the school bulletin must be approved and signed by sponsors.

PROMOTION AND RETENTION

In grades 9 through 12, promotion is based on academic achievement or demonstrated proficiency of the subject matter of the course or grade level. *A student will be promoted only on the basis of academic achievement or demonstrated proficiency in the subject matter of the course or grade level, the recommendation of the student’s teacher, the score received on any criterion-referenced or state-mandated assessment, and any other necessary academic information as determined by the district.* To earn credit in a course a student must receive a grade of 70 based on course level or grade level standards. An average of 70 or above is needed to receive credit. A student may be promoted or reclassified only on the basis of academic achievement or demonstrated proficiency of the subject matter of the course.

In addition, at certain grade levels a student—with limited exceptions—will be required to pass the Texas Assessment of Knowledge and Skills (TAKS), if the student is enrolled in a public Texas school on any day between January 1 and April 15 and is a Texas resident during the week that the TAKS is administered the first time.

- In order to be promoted to grade 9, students enrolled in grade 8 in the **2007–2008 school year** must perform satisfactorily on the Mathematics and Reading sections of the grade 8 assessment in English.

A Personal Graduation Plan (PGP) will be prepared for any student in a middle school or beyond who did not perform satisfactorily on a state-mandated assessment or is determined by the district as not likely to earn a high school diploma before the fifth school year following enrollment in grade 9. The PGP will be designed and implemented by a guidance counselor, teacher, or other staff member designated by the principal. The plan will identify the student’s educational goals, address the parent’s educational expectations for the student, and outline an intensive instruction program for the student. [For additional information, see the counselor and policy EIF.]

Certain students—some with disabilities and some with limited English proficiency—may be eligible for exemptions, accommodations, or deferred testing. For more information, see the principal, counselor, or special education director.

GRADE CLASSIFICATION-HIGH SCHOOL

After the ninth grade, students are classified according to the number of credits earned toward graduation.

Freshmen classification: Successful completion of 8th grade

Sophomore classification: The student has earned 6 credits

Junior classification: The student has earned 12 credits

Senior Classification: The student has earned 18 credits

GRADUATION

Requirements for a Diploma

To receive a high school diploma from the district, a student must successfully complete the required number of credits and pass a statewide exit-level exam.

The grade 11 exit-level test, required for students in grade 11, covers English language arts, mathematics, science, and social studies and requires knowledge of Algebra I, Geometry, Biology, Integrated Chemistry and Physics, English III, and early American and United States History. A student who does not pass the exit-level assessment will have additional opportunities to take the test.

~~Any student who was in grade 9 or higher on January 1, 2001, is eligible to graduate under the former TAAS exam.~~

Graduation Programs

The district offers the graduation ~~programs listed below~~ *plans on page 23*. All students entering grade 9 are required to enroll in the Recommended High School Program or Distinguished Achievement Program. Permission to enroll in the Minimum Graduation Program will be granted only if an agreement is reached among the student, the student's parent or person standing in parental relation, and the counselor or appropriate administrator. [See policy EIF.]

College Credit

West Orange-Stark High School offers several programs that provide students the opportunity to earn college credit while enrolled in high school. The following programs are available:

- Advanced Placement
- Dual Enrollment (WO-S campus/Lamar State College-Orange)
- Credit by examination
- Tech Prep

Advanced Placement

The following Advanced Placement courses are available on the WO-S High School campus and LSC-Orange:

- Advanced Placement Language and Composition (English III AP)
- Advanced Placement Literature and Composition (English IV AP)
- Advanced Placement Calculus-AB
- Advanced Placement U.S. History
- Advanced Placement U.S. Government
- Advanced Placement Psychology
- Advanced Placement Chemistry
- Advanced Placement Biology
- Advanced Placement Computer Science
- Advanced Placement Microeconomics
- Advanced Placement Statistics
- Advanced Placement Art
- Advanced Placement Music Theory

7

Students enrolled in these classes receive instruction, which prepares them to take the Advanced Placement test. Students are advised to study the Advanced Placement policy of the college they plan to attend.

Students are charged a fee to participate in Advanced Placement testing. Fee reductions are available for eligible students. Students not enrolled in Advanced Placement classes may choose to take an Advanced Placement examination. To register please see your counselor.

Students with Disabilities

Upon the recommendation of the admission, review, and dismissal committee, a student with disabilities may be permitted to graduate under the provisions of his or her individualized education program (IEP).

Accommodations for Children of Military Families

Children of military families will be provided flexibility regarding certain district requirements, including:

- *Immunization requirements*
- *Grade level, course, or educational program placement.*
- *Eligibility requirements for participation in extracurricular activities*

In addition, absences related to a student visiting with his or her parent related to leave or deployment activities may be excused by the district.

Graduation Activities

Students may participate in baccalaureate and commencement exercises when they have completed all graduation requirements and have performed satisfactorily on all sections of the secondary exit level assessment instrument.

Graduating seniors assigned to Chapter 37 DAEP (Disciplinary Alternative Education Program) at the end of the school year will not be allowed to participate in any senior activity which includes but is not limited to graduation ceremony, prom, senior scholarship awards assembly, etc. Graduation ceremony is a privilege and the privilege can be denied. (TEC. 37.006 (g)).

Graduation Expenses

Because students and parents will incur expenses in order to participate in the traditions of graduation—such as the purchase of invitations, senior ring, cap and gown, and senior picture—both student and parent should monitor progress toward completion of all requirements for graduation. The expenses often are incurred in the junior year or first semester of the senior year.

The graduating senior will wear only what is approved by the administration at the graduation ceremony. The cap and gown will only be from the one company designated by the administration. [See **Student Fees** on page 36.]

SPECIAL PROGRAMS

The district provides special programs for gifted and talented students, homeless students, bilingual students, migrant students, students with limited English proficiency, dyslexic students, and students with disabilities. The coordinator of each program can answer questions about eligibility requirements, as well as programs and services offered in the district or by other organizations. A student or parent with questions about these programs should contact the Executive Director of Educational Services at 882-5555.

Options and Requirements for Providing Assistance to Students Who Have Learning Difficulties or Who Need or May Need Special Education

If a child is experiencing learning difficulties, the parent may contact the person listed below to learn about the district's overall general education referral or screening system for support services. This system links students to a variety of support options, including referral for a special education evaluation. Students having difficulty in the regular classroom should be considered for tutorial, compensatory, and other academic or behavior support services that are available to all students.

At any time, a parent is entitled to request an evaluation for special education services. Within a reasonable amount of time, the district must decide if the evaluation is needed. If evaluation is needed, the parent will be notified and asked to provide informed written consent for the evaluation. The district must complete the evaluation and the report within 60 calendar days of the date the district receives the written consent. The district must give a copy of the report to the parent.

If the district determines that the evaluation is not needed, the district will provide the parent with a written notice that explains why the child will not be evaluated. This written notice will include a statement that informs the parent of their rights if they disagree with the district. Additionally, the notice must inform the parent how to obtain a copy of the **Notice of Procedural Safeguards—Rights of Parents of Students with Disabilities**.

The designated person to contact regarding options for a child experiencing learning difficulties or a referral for evaluation for special education is the Director of Special Services at 882-5407.

TEXTBOOKS

State-approved textbooks are provided to students free of charge for each subject or class. Books must be covered by the student, as directed by the teacher, and treated with care. A student who is issued a damaged book should report the damage to the teacher. Any student failing to return a book issued by the school loses the right to free textbooks until the book is returned or paid for by the parent; however, the student will be provided textbooks for use at school during the school day.

SECTION III GENERAL INFORMATION AND REQUIREMENTS

Topics in this section of the handbook contain important information regarding school operations and requirements. Included are provisions on student welfare; health and safety issues; fees; the school's expectations for student conduct (other than Student Code of Conduct requirements); use of facilities, such as the cafeteria, library, and transportation services; and emergency closings. For additional information or questions you may have, please see the principal.

Address/Telephone Changes for Students

An accurate address and telephone number for students must be kept on record in the school office. **If any change occurs in the address or telephone number of the students, it is their responsibility to report it immediately.** It should be noted that the legal address of the student is defined as being the residence of his or her parent(s) or legal guardian.

ATTENDANCE

Regular school attendance is essential for the student to make the most of his or her education—to benefit from teacher-led and school activities, to build each day's learning on the previous day's, and to grow as an individual. Absences from class may result in serious disruption of a student's mastery of the instructional materials; therefore, the student and parent should make every effort to avoid unnecessary absences. Two state laws, one dealing with compulsory attendance, the other with attendance for course credit, are of special interest to students and parents. They are discussed in the following sections:

Compulsory Attendance

State law requires that a student between the ages of 6 and 18 attend school, as well as any applicable accelerated instruction programs, extended year programs, or tutorial session, unless the student is otherwise legally exempt or excused. A student who voluntarily attends or enrolls after his or her eighteenth birthday is required to attend each school day. If a student 18 or older has more than five unexcused absences in a semester, however, the district may revoke the student's enrollment. The student's presence on school property thereafter would be unauthorized and may be considered trespass.

A student who voluntarily attends or enrolls after his or her 18th birthday is required to attend each school day until the end of the school year and is subject to compulsory laws, if the student is under 21 years old. In addition, if a student 18 or older has more than five unexcused absences in a semester the district may revoke the student's enrollment. The student's presence on school property thereafter would be unauthorized and may be considered trespassing. (See FFA)

School employees must investigate and report violations of the state compulsory attendance law. A student absent without permission from school; from any class; from required special programs, such as additional special instruction (termed "accelerated instruction" by the state) assigned by the grade placement committee and basic skills for ninth graders; or from required tutorials will be considered truant and in violation of the compulsory attendance law and subject to disciplinary action.

Truancy may also result in assessment of a penalty by a court of law against the student and his or her parents. If any parent or person standing in parental relation to a child, within the compulsory school attendance ages and not lawfully exempt or properly excused from school attendance, fails to require such child to attend school for such periods as required by law, it shall be the duty of the proper attendance officer to warn, in writing, the parent or person standing in parental relation that attendance must be immediately required. If after this warning the parent or person standing in parental relation fails to require the child to attend school as required by law, the parent or person standing in parental relation commits a criminal offense.

A court of law may impose penalties against both the student and his or her parents if a school-aged student is deliberately not attending school. A complaint against the parent may be filed in court if the student:

- Is absent from school on ten or more days or parts of days within a six-month period in the same school year, or
- Is absent on three or more days or parts of days within a four-week period.

Attendance Regulations for High School

A student in grades 3-8 will be required to attend any assigned accelerated instruction program, which may occur before or after school or during the summer, if the student does not meet the passing standards on the state assessment for his or her grade level and applicable subject area.

Exemptions to Compulsory Attendance

State law allows exemptions to the compulsory attendance requirements for several types of absences. These include the following activities and events:

- *Religious holy days;*
- *Required court appearances;*
- *Activities related to obtaining United States citizenship;*
- *Service as election clerk; and*
- *Documented health-care appointments, including absences for recognized services for students diagnosed with autism spectrum disorders.*

In addition, a junior or senior student's absence of up to two days related to visiting a college or university may be considered an exemption, provided the student receives approval from the campus principal, follows the campus procedures to verify such a visit, and makes up any work missed.

Attendance requirements are set by board policies FDD (LEGAL), FDD (LOCAL) and Education Code 25.092.

Student absences shall be limited and make-up time shall be required from students with excessive absences (absences, excused and unexcused that exceed 10% of the days that the class is offered.) The following procedures will be implemented in addressing all student absences.

A student who voluntarily attends or enrolls after his or her eighteenth birthday is required to attend each school day. If a student 18 or older has more than five unexcused absences in a semester, the district may revoke the student's enrollment. The student's presence on school property is then unauthorized and may be considered trespassing.

Excused absences for no more than 10% of the days that the class is offered:

Any student may be excused for temporary absences resulting from personal sickness, medical/dental appointments, sickness, death, or emergencies in the family, quarantine, weather or road conditions making travel dangerous, or any other unusual cause acceptable to the principal of the high school. The reasons for an excused absence must be stated in writing and signed by the parent or other person in parental relation to the student. (Students must make up any work missed in each class.)

Excused absences for more than 10% of the days that the class is offered:

Any student may be excused for temporary absences resulting from personal sickness with the reason stated in writing, signed by the parent or other person in parental relation to the student **and** accompanied by a doctor's statement verifying the sickness. Other extenuating circumstances must be accompanied by supporting data and approved by the attendance committee. (Students must make up any work missed in each class.)

Excused absences for more than 10% of the days that the class is offered *without* a doctor's verification or supporting data for other extenuating circumstances:

Any student returning to school after an absence resulting from personal sickness without a doctor's verification or supporting data for other extenuating circumstances will receive an UNEXCUSED absence until the following criteria has been met:

Make up all work in each class that he/she was absent in **and** attend tutorials-detention (two hours per day) for two days for each day absent.

The above criteria must be met within the term that the absence occurred or within seven (7) to ten (10) days if the absence occurs within the last week of the semester. Students are responsible for providing to the attendance committee documentation that the criteria for the excused absence has been met.

Unexcused absences:

The attendance record of any student that has unexcused absences, without meeting the criteria for acquiring an excused absence, will be reviewed by the attendance committee for possible denial of credit due to excessive absences. The committee will be composed of teachers, a principal, counselor and attendance clerk, with the majority of the committee being comprised of teachers.

1. Absences

Phone call

The day a student is absent, a parent or guardian must call the attendance office, preferably before 10:30. a.m. The attendance office phone number is 882-5576. An answering machine is available for parents during after school hours to leave messages if they are unable to contact the attendance office during school hours.

Written note

When the student returns to school following an absence, he/she is required to bring a written note from his/her parent or guardian. This note will become a part of the attendance file for State auditing purposes. A note signed by the student, even with the parent's permission, will not be accepted unless the student is 18 or older.

This written note should contain the following information:

- a. The student's first and last name
- b. The reason for the student's absence
- c. The date(s) of this absence(s)
- d. The parent's full signature and telephone number

This note must be presented to the attendance clerk before first period. This will prevent the student from being tardy to class and from missing valuable instruction time.

Failure to bring a written note from the student's parent or guardian will cause the absence to be marked unexcused until a note is received by the attendance clerk. A student will be allowed three (3) school days to clear his unexcused absence. If a student fails to clear his absence, it will be recorded as unexcused and appropriate disciplinary action taken. No student will be allowed to leave class for an admission slip.

2. Late Arrival to School

Students who arrive at school after 20 minutes of their first class must report to the attendance office and sign in with the attendance clerk. Failure to comply with this procedure will result in disciplinary action.

3. Truancy

A student will be truant if:

- a. His/her parent or guardian has not given him permission to remain at home.
- b. He/she leaves home to attend school but goes elsewhere.
- c. He/she leaves campus or fails to attend assigned class without permission.
- d. He/she is more than 20 minutes late to his class without an excused absence.

No make-up work is allowed if a student is truant.

4. Extra Curricular or Co-Curricular Absences

Students who participate in any school activity must be in school all day during the day the activity takes place. Students who are not in attendance all day will not be allowed to participate in an activity. Any exception to this rule should be in case of extreme emergency such as a death within the family or similar circumstances. Principals should be involved in the decision regarding participation in unusual cases.

5. **Attending Assigned Classes**

Teachers are not to allow a student to return to his/her classroom to finish a test, to complete some project, or for other reasons even with the permission of another teacher to whom the student is assigned. Each student is assigned seven periods during the day and must attend the assigned class.

6. **Medical or Dental Appointments**

Parents are asked to schedule student's doctor or dental appointments in the afternoon whenever possible. A note from the doctor or dentist is required when the student returns to school. This excuse should indicate the date and time of the appointment. Students are to pick up an off-campus permit before school on the day of their appointment if they are leaving from school.

7. **Illness During School Day**

Students who become ill at school are to ask permission from their teacher to go to the nurse's clinic. If the nurse determines the student should go home, his/her parent or guardian will be informed. The student will be given a "special" excuse and must sign-out in the attendance office. If a nurse is not on campus, the student should report directly to the attendance office.

8. **Leaving Campus - Special Request**

Requests to leave campus, other than illness, doctor or dental appointments will require permission from an assistant principal or principal. A telephone call will be made to the parent or guardian to verify the need. If a valid reason is given, the student will be issued a permit to leave campus. If a student leaves campus without permission, he or she will be subject to disciplinary action. This will be strictly enforced.

9. **Tardiness**

A student is considered tardy to class if he/she is not in his/her seat when the tardy bell rings. Each class will be independent of other classes concerning number of tardies. Each teacher will handle the problem. New tardy cards will be issued to students each six weeks to track tardiness. On the 4th tardy, disciplinary consequences will be administered.

10. **Withdrawals**

A parent wishing to withdraw a student from school must present a signed statement to the principal explaining the reason for the withdrawal and the effective date of the withdrawal in order to prepare transfer records. The school office must be notified in writing at least one day prior to the withdrawal date.

Attendance for Credit

To receive credit in a class, a student must attend at least 90 percent of the days the class is offered. A student who attends fewer than 90 percent of the days the class is offered may be referred to the attendance review committee to determine whether there are extenuating circumstances for the absences and how the student can regain credit.

In determining whether there were extenuating circumstances for the absences, the attendance committee will use the following guidelines:

- All absences will be considered in determining whether a student has attended the required percentage of days. If makeup work is completed, absences for *the reasons listed above at Exemption to Compulsory Attendance will be considered days of attendance for this purpose. religious holy days and health care appointments will be considered days of attendance for this purpose. [See policy FEB.]*
 1. Personal illness
 2. Death in family
 3. Doctor or dental appointment
 4. Participating in school-sponsored activity
 5. legal obligations
 6. Absences, which are a tenet of the faith
 7. Unusual causes acceptable to the principal.
- A transfer or migrant student begins to accumulate absences only after he or she has enrolled in the district. For a student transferring into the district after school begins, including a migrant student, only those absences after enrollment will be considered.
- In reaching a decision about a student's absences, the committee will attempt to ensure that it is in the best interest of the student.
- The committee will consider the acceptability and authenticity of documented reasons for the student's absences.
- The committee will consider whether the absences were for reasons over which the student or the student's parent could exercise any control.
- The committee will consider the extent to which the student has completed all assignments, mastered the essential knowledge and skills, and maintained passing grades in the course or subject.
- The student or parent will be given an opportunity to present any information to the committee about the absences and to talk about ways to earn or regain credit.

The student or parent may appeal the committee's decision to the board of trustees by filing a written request with the superintendent in accordance with policy FNG.

The actual number of days a student must be in attendance in order to receive credit will depend on whether the class is for a full semester or for a full year.

When a student must be absent from school, the student—upon returning to school—must bring a note, signed by the parent that describes the reason for the absence. A note signed by the student, even with the parent's permission, will not be accepted unless the student is 18 or older.

Students are not permitted or allowed credit for work missed due to student absences for participation in extracurricular activities in excess of those permitted.

Driver License Attendance Verification

For a student between the ages of 16 and 18 to obtain a driver license, the Texas Department of Public Safety must be provided written parental consent to access the student's records for purposes of verifying 90 percent attendance for credit for the semester.

~~To obtain a driver license, a student between the ages of 16 and 18 must annually provide to the Texas Department of Public Safety a form obtained from the school verifying that the student has met the 90 percent attendance requirement for the semester preceding the date of application. The student can obtain this form at the campus principal's office.~~

Power of Attorney – Guardianship

A student who is not living with his/her parents must have permission to attend a West Orange-Cove School by having a Power of Attorney form on file. These forms must be notarized and may be obtained at the Administration Building at 505 North 15th Street.

MAKEUP WORK

Routine and In-depth Makeup Work Assignments

For any class missed, the teacher may assign the student makeup work based on the instructional objectives for the subject or course and the needs of the individual student in mastering the essential knowledge and skills or in meeting subject or course requirements.

A student will be responsible for obtaining and completing the makeup work in a satisfactory manner and within the time specified by the teacher.

A student who does not make up assigned work within the time allotted by the teacher will receive a grade of zero for the assignment.

A student will be permitted to make up tests and to turn in projects due in any class missed because of absence. Teachers may assign a late penalty to any long-term project in accordance with time lines approved by the principal and previously communicated to students.

DAEP or In-school Suspension Makeup Work

A student removed to a Disciplinary Alternative Education Program (DAEP) during the school year will have an opportunity to complete, before the beginning of the next school year, coursework needed to fulfill the student's high school graduation requirements. The district may provide the opportunity to complete the coursework through an alternative method, including a correspondence course or summer school. The district will not charge the student for any method of completion provided by the district. [See policy FOCA.]

A student removed from the regular classroom to in-school suspension or another setting, other than a DAEP, will have an opportunity to complete before the beginning of the next school year each course the student was enrolled in at the time of removal from the regular classroom. The district may provide the opportunity by any method available, including a correspondence course, distance learning, or summer school. [See policy FEA.]

Students and their parents are encouraged to discuss options with the teacher or counselor to ensure the student completes all work required for the course or grade level.

COMMUNICABLE DISEASES / CONDITIONS

To protect other students from contagious illnesses, students infected with certain diseases are not allowed to come to school while contagious. If a parent suspects that his or her child has a communicable or contagious disease, the parent should contact the school nurse or principal so that other students who might have been exposed to the disease can be alerted.

The school nurse or the principal's office can provide information from the Department of State Health Services regarding these diseases.

Bacterial Meningitis

State law specifically requires the district to provide the following information:

- **What is meningitis?**

Meningitis is an inflammation of the covering of the brain and spinal cord. It can be caused by viruses, parasites, fungi, and bacteria. Viral meningitis is most common and the least serious. Bacterial meningitis is the most common form of serious bacterial infection with the potential for serious, long-term complications. It is an uncommon disease, but requires urgent treatment with antibiotics to prevent permanent damage or death.

- **What are the symptoms?**

Someone with meningitis will become very ill. The illness may develop over one or two days, but it can also rapidly progress in a matter of hours. Not everyone with meningitis will have the same symptoms.

Children (over 1 year old) and adults with meningitis may have a severe headache, high temperature, vomiting, sensitivity to bright lights, neck stiffness or joint pains, and drowsiness or confusion. In both children and adults, there may be a rash of tiny, red-purple spots. These can occur anywhere on the body.

The diagnosis of bacterial meningitis is based on a combination of symptoms and laboratory results.

- **How serious is bacterial meningitis?**

If it is diagnosed early and treated promptly, the majority of people make a complete recovery. In some cases it can be fatal or a person may be left with a permanent disability.

- **How is bacterial meningitis spread?**

Fortunately, none of the bacteria that cause meningitis are as contagious as diseases like the common cold or the flu, and they are not spread by casual contact or by simply breathing the air where a person with meningitis has been. The germs live naturally in the back of our noses and throats, but they do not live for long outside the body. They are spread when people exchange saliva (such as by kissing; sharing drinking containers, utensils, or cigarettes).

The germ does not cause meningitis in most people. Instead, most people become carriers of the germ for days, weeks, or even months. The bacteria rarely overcome the body's immune system and cause meningitis or another serious illness.

- **How can bacterial meningitis be prevented?**

Do not share food, drinks, utensils, toothbrushes, or cigarettes. Limit the number of persons you kiss.

While there are vaccines for some other strains of bacterial meningitis, they are used only in special circumstances. These include when there is a disease outbreak in a community or for people traveling to a country where there is a high risk of getting the disease. Also, a vaccine is recommended by some groups for college students, particularly freshmen living in dorms or residence halls. The vaccine is safe and effective (85–90 percent). It can cause mild side effects, such as redness and pain at the injection site lasting up to two days. Immunity develops within seven to ten days after the vaccine is given and lasts for up to five years.

- **What should you do if you think you or a friend might have bacterial meningitis?**

You should seek prompt medical attention.

- **Where can you get more information?**

Your school nurse, family doctor, and the staff at your local or regional health department office are excellent sources for information on all communicable diseases. You may also call your local health department or Regional Department of State Health Services office to ask about meningococcal vaccine. Additional information may also be found at the Web sites for the Centers for Disease Control and Prevention, <http://www.cdc.gov>, and the Department of State Health Services, <http://www.dshs.state.tx.us/>.

HEALTH-RELATED MATTERS

The school nurse and health program are school-related health services; they are not intended to take the place of health care provided by the home and professional or public health services.

School health services include the following:

1. A school nurse who checks symptoms of illness, administers first aid, makes routine health inspections, keeps records of students with special health problems, updates student immunization records, dispenses medication according to guidelines established by District policy, and is available for conferences with students and parents.
2. Vision, hearing, and spinal screenings as recommended by the state.
3. Maintenance of updated emergency care forms so that parents can be notified quickly in case of an emergency.

Fever

Students who have been absent from school due to illness and fever (temperature greater or equal to 100.5) must be free of fever (temperature less than 100.5) for at least twenty-four hours before being readmitted to class.

Head Lice

Parents/guardians are being asked to do routine hair and scalp checks on their children. Orange County has experienced severe lice outbreaks for several years, making it necessary to ask for assistance from parents. If your child has been sent home from school after finding either lice or nits, you must accompany your child to the nurse's office and have the student rechecked before they will be allowed to enter the classroom or participate in any school function. You may call your school for information about checking your child or treating an infestation.

School Health Advisory Council

During the preceding school year, the district's School Health Advisory Council held 4 meetings. Additional information regarding the district's School Health Advisory Council is available from the Executive Director of Educational Services at 882-5555. (See policies BDF and EHAA)

Vending Machines

The district has adopted policies and implemented procedures to comply with agency and food service guidelines for restricting student access to vending machines. For more information see policies CO and FFA.

Other Health-Related Matters**Tobacco Prohibited**

The district and its staff strictly enforce prohibitions against the use of tobacco products by students and others on school property and at school-sponsored and school-related activities. [See the Student Code of Conduct and policy GKA.]

Asbestos Management Plan

The district's Asbestos Management Plan, designed to be in compliance with state and federal regulations, is available in the Superintendent's office. If you have any questions, please contact the Director of Maintenance at 882-5550.

DATE: January 07, 2009

TO: All West Orange-Cove CISD Employees and Students

FROM: Keith L. Rochau

SUBJECT: ASBESTOS NOTIFICATION

This communication will herein serve as legal notification of all interested parties concerning the presence of asbestos at the following locations:

Administration – Asbestos is located in some pipe insulation in the boiler room and the 9” x 9” floor tile throughout the building. This presents no health hazard in its present state.

Central Services Building – Asbestos is located in the 9” x 9” floor tile and linoleum located throughout the building. There is also some sprayed on ceiling material in the gym lobby.

The transite 12” x 12” pegboard ceiling tile does not present a health hazard at this time. The outside soffit poses no health hazard. There is some exposed piping and duct insulation in chases and custodial areas.

North ELC – Asbestos is located in the HVAC expansion joints and wall tile in the band hall. This presents no health hazard in its present state.

Anderson Elementary – Asbestos is located in the ACM mastic under the floor tile. This presents no health hazard in its present state.

Oates Elementary – Asbestos is located in the linoleum flooring in the cafeteria and the 9” x 9” floor tile in the kitchen and coat rooms. This presents no hazard in its present state.

WOS Middle School. - Asbestos located in the 9" x 9" floor tile, linoleum floor covering, pipe insulation, and transite wall panels both Carr and Stark Buildings. This presents no health hazard in its present state.

WOS High School – Asbestos is located in some of the 12" x 12" floor tile in the building. It is also located in a transite panel in the Principal's office. This presents no health hazard in its present state.

A survey to determine the presence of asbestos was conducted throughout the District in accordance with the United States Environmental Protection Agency's Asbestos Hazard Emergency Response Act (AHERA) which became effective December 14, 1987.

In accordance with this law, certified asbestos inspectors and management planners were contacted by the District to perform all related to bringing the District into compliance.

The report of the investigation was delivered to the District on October 12, 1988. Please know that we have and will continue to provide appropriate precautions to assure no exposure to airborne asbestos fibers which may be harmful to human health or the environment.

Any questions concerning this investigation should be directed to the District's Asbestos Coordinator, Keith Rochau, phone number 882-5550.

Sincerely,

Keith L. Rochau

Director of Maintenance

Pest Management Plan

The district applies only pest control products that comply with state and federal guidelines. Except in an emergency, signs will be posted 48 hours before application. Parents who want to be notified prior to pesticide application inside their child's school assignment area may contact the Director of Maintenance.

FREEDOM FROM DISCRIMINATION

The district believes that all students learn best in an environment free from harassment and that their welfare is best served when they can work free from discrimination. Students are expected to treat other students and district employees with courtesy and respect; to avoid any behaviors known to be offensive; and to stop those behaviors when asked or told to stop. District employees are expected to treat students with courtesy and respect.

The board has established policies and procedures to prohibit and promptly respond to inappropriate and offensive behaviors that are based on a person's race, religion, color, national origin, gender, sex, age, or disability. [See policy FFH] Prohibited harassment, in general terms, is conduct so severe, persistent, or pervasive that it affects the student's ability to participate in or benefit from an educational program or activity; or substantially interferes with the student's

academic performance. A copy of the district's policy is available in the principal's office, in the superintendent's office or on the District's website at www.woccisd.net.

Examples of prohibited discrimination may include, but are not limited to, derogatory language directed at a person's religious beliefs or practices, accent, skin color, or need for accommodation; bullying, threatening, or intimidating conduct; name-calling or slurs, taunting, teasing (even when presented as "jokes"), or rumors; aggression or assault; graffiti or printed material promoting racial, ethnic, or other negative stereotypes; or aggressive conduct such as theft or damage to property. Examples of prohibited sexual harassment may include touching private body parts or coercing physical contact that is sexual in nature; sexual advances; jokes or conversations of a sexual nature; and other sexually motivated conduct, communications, or contact.

Sexual harassment of a student by an employee or volunteer does not include necessary or permissible physical contact not reasonably construed as sexual in nature. However, all romantic and inappropriate social relationships, as well as all sexual relationships, between students and district employees are prohibited, even if consensual.

Reporting Procedures

Any student who believes that he or she has experienced prohibited harassment should immediately report the problem to a teacher, counselor, principal or other district employee. The report may be made by the student's parent.

CHILD SEXUAL ABUSE

The district is establishing a plan for addressing child sexual abuse. As a parent, it is important for you to be aware of warning signs that could indicate a child may have been or is being sexually abused. Sexual abuse in the Texas Family Code is defined as any sexual conduct harmful to a child's mental, emotional, or physical welfare as well as a failure to make a reasonable effort to prevent sexual conduct with a child. Anyone who suspects that a child has been or may be abused or neglected has a legal responsibility, under state law, for reporting the suspected abuse or neglect to law enforcement or to Child Protective Services (CPS).

Possible physical warning signs of sexual abuse could be difficult sitting or waling, pain in the genital areas, and claims of stomachaches and headaches. Behavioral indicators may include verbal references or pretend games of sexual activity between adults and children, fear of being alone with adults of particular gender, or sexually suggestive behavior. Emotional warning signs to be aware of include withdrawal, depression, sleeping and eating disorders, and problems in school.

A child who has experienced sexual abuse should be encouraged to seek out a trusted adult. Be aware as a parent or other trusted adult that disclosures of sexual abuse may be more indirect than disclosures of physical abuse, and it is important to be calm and comforting if your child, or another child, confides in you. Reassure the child that he or she did the right thing by telling you.

As a parent, if your child is a victim of sexual abuse, the campus counselor or principal will provide information regarding counseling options for you and your child available in your area. The Texas Department of Family and Protective Services (TDFPS) also manages early intervention counseling programs. To find out what services may be available in your county, See <http://www.dfps.state.tx.us/Prevention and Early Intervention/Programs Available In Your County/default.asp>.

The following Web sites might help you become more aware of child sexual abuse:

Reports may be made to:

The Child Protective Services (CPS) division of the Texas Department of Family and Protective Services (1800-252-5400 or on the Web at <http://www.txabusehotline.org>).

Investigation of Reported Harassment

To the extent possible, the district will respect the privacy of the student; however, limited disclosures may be necessary to conduct a thorough investigation and to comply with law. Allegations will be promptly investigated. The district will notify the parents of any student alleged to have experienced prohibited harassment by an adult associated with the district, or by another student, when the allegations, if proven, would constitute "sexual harassment" or "other prohibited harassment" as defined by board policy.

If the district's investigation indicates that prohibited harassment occurred, appropriate disciplinary or corrective action will be taken to address the harassment. The district may take disciplinary action even if the conduct that is the subject of the complaint did not rise to the level of harassment prohibited by law or policy.

Retaliation against a person who makes a good faith report of prohibited harassment is prohibited. A person who makes a false claim or offers false statements or refuses to cooperate with a district investigation, however, may be subject to appropriate discipline.

A student or parent who is dissatisfied with an outcome of the investigation may appeal in accordance with policy FNG.

In its efforts to promote nondiscrimination, the district makes the following statements:

West Orange-Cove CISD does not discriminate on the basis of race, religion, color, national origin, gender, ~~sex~~, *gender* or disability in providing education services, activities, and programs, including vocational programs, in accordance with Title VI of the Civil Rights Act of 1964, as amended; Title IX of the Educational Amendments of 1972; and Section 504 of the Rehabilitation Act of 1973, as amended.

The following district staff members have been designated to coordinate compliance with these requirements:

- Title IX Coordinator, for concerns regarding discrimination on the basis of *gender sex*: Executive Director of Human Resources, 882-5610.
- Section 504 Coordinator, for concerns regarding discrimination on the basis of disability: Director of Special Services, 882-5407.
- All other concerns: See the Superintendent

Accommodations for Children of Military Families

Children of military families will be provided flexibility regarding certain district requirements, including:

- Immunization requirements.
- Grade level, course, or educational program placement
- Eligibility requirements for participation in extracurricular activities.
- Graduation requirements.

Services for the Homeless and for Title I Participants

Other designated staff you may need to contact include:

- Liaison for Homeless Children and Youths, who coordinates services for homeless students: ~~Executive Director of Educational Services, 882-5555.~~ *Executive Director of Federal Programs (882-5461)*
- Parent Involvement ~~Coordinator, who Program~~ works with parents of students participating in Title I programs. ~~Director of Public Information, 882-5627.~~ *For information concerning Title I services contact the Executive Director of Federal Programs (882-5461).*

Services for Students with Disabilities

Parents of students with learning difficulties or who may need special education services may request an evaluation for special education at any time. For more information, contact the Director of Special Services at 882-5407.

CONDUCT

Applicability of School Rules

As required by law, the board has adopted a Student Code of Conduct that prohibits certain behaviors and defines standards of acceptable behavior—both on and off campus—and consequences for violation of the standards. Students need to be familiar with the standards set out in the Student Code of Conduct, as well as campus and classroom rules.

To achieve the best possible learning environment for all students, the Student Code of Conduct and other campus rules will apply whenever the interest of the district is involved, on or off school grounds, in conjunction with classes and school-sponsored activities. The district has disciplinary authority over a student in accordance with the Student Code of Conduct.

Corporal Punishment

Corporal punishment—spanking or paddling the student—may be used as a discipline management technique in accordance with the Student Code of Conduct and policy FO (LOCAL) in the district's policy manual.

Disruptions

As identified by law, disruptions include the following:

- Interference with the movement of people at an exit, entrance, or hallway of a district building without authorization from an administrator.
- Interference with an authorized activity by seizing control of all or part of a building.
- Use of force, violence, or threats in an attempt to prevent participation in an authorized assembly.

- Use of force, violence, or threats to cause disruption during an assembly.
- Interference with the movement of people at an exit or an entrance to district property.
- Use of force, violence, or threats in an attempt to prevent people from entering or leaving district property without authorization from an administrator.
- Disruption of classes or other school activities while on district property or on public property that is within 500 feet of district property. Class disruption includes making loud noises; trying to entice a student away from, or to prevent a student from attending, a required class or activity; and entering a classroom without authorization and disrupting the activity with profane language or any misconduct.
- Interference with the transportation of students in district vehicles.

Assemblies

Faculty and students should observe the following standards of good conduct during assemblies:

1. Enter and leave quietly and orderly.
2. Students are to sit in assigned areas.
3. Give courteous attention to the program.
4. Express approval by applauding. Whistles and other loud behavior are not appropriate.
5. Refrain from carrying on a conversation; it is very discourteous.
6. Any talking should cease as soon as the assembly conductor steps to the microphone to start.
7. Unnecessary applause is inappropriate.
8. Students must remain for the entire program.

OTHER ELECTRONIC DEVICES

Radios, CD Players, Cell Phones, and Other Electronic Devices and Games

“Telecommunication device” is any device that emits an audible signal, vibrates, displays a message, or otherwise summons or delivers a communication to the possessor, including cell phones and pagers. The District prohibits the visible display of a telecommunication device during regular school hours while the student is on school property unless prior approval is obtained from the principal. No student shall possess or control a telecommunication device (pagers, cellular phones, laser pointers, CD players, radios, stun guns or cameras, *games*, etc.) that is turned on during regular school hours while the student is on school property. Students who violate this policy shall be subject to established disciplinary measures. District employees shall confiscate any devices ~~found on school property.~~ *that is turned on during regular school hours.* Parents shall be notified after the device is confiscated. ~~That~~ *that* the device may be released to the parent for a fee of \$15.00 or the device will remain in the possession of the ~~High School~~ *school* for a period of 30 days, after which it may be released to the parent or disposed of. ~~without further notification.~~ [See policy FNCE]

- Electronic equipment is subject to search in the event school administrators believe reasonable suspicion exists to support the search.
- Cell phones are prohibited from testing environment.
- Cell phones or any device that permits recording the voice or image of another in any way that either disrupts the educational environment, invades the privacy of others, or is made without the prior consent of the individuals being recorded is prohibited.

Inappropriate Use of Technology

Students are prohibited from sending or posting electronic messages that are abusive, obscene, sexually oriented, threatening, harassing, damaging to another's reputation, or illegal. This prohibition applies to conduct off school property if it results in a substantial disruption to the educational environment. Any person taking, disseminating, transferring, or sharing obscene, sexually oriented, lewd, or otherwise illegal images or photographs will be disciplined according to the Student Code of Conduct and may, in certain circumstances, be reported to law enforcement.

Detention

Detention may be assigned by a teacher for inappropriate behavior or other violations of classroom management. The student should be given twenty-four hours notice so that parents can be informed and transportation arrangements made. Students who do not report as assigned will be seen by the assistant principal, and additional disciplinary action may be forthcoming.

After School Detention Regulations

1. Class will be held on Tuesday from 3:30 – 5:30 and Thursday from 3:30 – 7:30. Students will be expected to remain in class the full time assigned to receive credit.
2. Students must be on time.
3. Students must bring books or materials related to academic subjects adequate for time assigned.
4. Upon entering Tuesday/Thursday class, students will be seated and will start studying.
5. There will be absolutely no talking or signaling of any kind.
6. Students will sit up at all times without slouching and will keep their feet off desks and chairs.
7. There will be no sleeping.

8. Students will have a ten-minute break at 5:30 PM. Students may not leave the cafeteria-restroom area.
9. Students must make their own transportation arrangements.
10. Students must observe the regular school dress code.
11. If the student must miss due to personal illness or a death in the immediate family, the parent must call an assistant principal by 10:00 AM the following day. All other absences are unexcused.
12. When a student fails to attend Tuesday/Thursday class, his/her parents must call the assistant principal with an appropriate explanation the following morning or further disciplinary action will be taken. The student will still have to fulfill his/her ASD class assignment.
13. Misconduct during Tuesday/Thursday class will result in immediate dismissal with additional punishment being assessed and no credit given.

An expellable offense occurring in the last six weeks of a semester may carry over into the following semester.

Social Events (Dances, Parties, Prom, etc.)

Social events are held at designated times for students of West Orange-Stark High School. School rules apply to all school social events. Guests attending these events are expected to observe the same rules as students, and the person inviting the guest will share responsibility for the conduct of his or her guest. The following regulations must be followed:

1. Rules of conduct and grooming will be monitored according to the Student Code of Conduct at social events held outside the regular day.
2. A West Orange-Stark student may have one guest, and the guest's name must be registered in the principal's office before the end of the school day on which the dance is scheduled. A guest must enter the event the same time as the host student and guests are expected to observe the same rules. The person inviting the guest will share responsibility for the conduct of the guest.
3. Once a student/guest leaves the dance before the official end, he or she may not be readmitted.
4. A student must be in attendance the day of the event.
5. A West Orange-Stark student must present his or her identification at the door.
6. Any students assigned to Chapter 37 who have been suspended or expelled at the time of the event are not allowed to attend.
7. Violations of these regulations may forfeit a student's right to attend other extra-curricular activities.

Homecoming and Prom Court Guidelines The following is a list of guidelines that students must follow and qualify them to be considered as candidates for either Homecoming or Prom court:

1. The student must have a good attendance record, having missed no more than the state-allotted amount of days during the semester in which the court is elected and up to the time of presentation. Make-up days will not be counted.
2. The student must have passed all courses the preceding grading period and must currently be passing all courses at the time of presentation of the court.
3. The student may not have any infraction, which has resulted in a SAC assignment over 3 days, and not have more than one SAC assignment. Any student assigned to Chapter 37 in the current year is not eligible.
4. Participants in the court are subject to administrative review.
5. Any student who does not meet the above guidelines will be removed from the court and the student who received the next highest number of votes will be moved up.

School Trips

Students who participate in school-sponsored trips must submit before leaving a waiver of liability signed by their parents. The students shall be required to ride in transportation provided by the school to and from the event. Exception may be made if the student's parent or guardian personally requests that the student be allowed to ride with the parent or presents a written request to the principal the day before the scheduled trip that the student be allowed to ride with an adult designated by the parent. The District shall not be liable for any injuries that occur to students riding in vehicles that are not provided by the school. (See policy FMG Local)

Deliveries

No deliveries of gifts and/or flowers will be allowed.

LAW ENFORCEMENT AGENCIES

Questioning of Students

When law enforcement officers or other lawful authorities wish to question or interview a student at school, the principal will cooperate fully regarding the conditions of the interview, if the questioning or interview is part of a child abuse investigation. In other circumstances:

- The principal will verify and record the identity of the officer or other authority and ask for an explanation of the need to question or interview the student at school.
- The principal ordinarily will make reasonable efforts to notify the parents unless the interviewer raises what the principal considers to be a valid objection.
- The principal ordinarily will be present unless the interviewer raises what the principal considers to be a valid objection.

GANG-FREE ZONES

Certain criminal offenses, including those involving organized criminal activity such as gang-related crimes, will be enhanced to the next highest category of offense if they are committed in a gang-free zone. For purposes of the district, a gang-free zone includes a school bus and a location in, on, or within 1000 feet of any district-owned or leased property or campus playground.

Students Taken Into Custody

State law requires the district to permit a student to be taken into legal custody:

- To comply with an order of the juvenile court.
- To comply with the laws of arrest.
- By a law enforcement officer if there is probable cause to believe the student has engaged in delinquent conduct or conduct in need of supervision.
- By a probation officer if there is probable cause to believe the student has violated a condition of probation imposed by the juvenile court.
- By an authorized representative of Child Protective Services, Texas Department of Family and Protective Services, a law enforcement officer, or a juvenile probation officer, without a court order, under the conditions set out in the Family Code relating to the student's physical health or safety.
- To comply with a properly issued directive to take a student into custody.

Before a student is released to a law enforcement officer or other legally authorized person, the principal will verify the officer's identity and, to the best of his or her ability, will verify the official's authority to take custody of the student.

The principal will immediately notify the superintendent and will ordinarily attempt to notify the parent unless the officer or other authorized person raises what the principal considers to be a valid objection to notifying the parents. Because the principal does not have the authority to prevent or delay a student's release to a law enforcement officer, any notification will most likely be after the fact.

Notification of Law Violations

The district is required by state law to notify:

- All instructional and support personnel who have responsibility for supervising a student who has been arrested or referred to the juvenile court for any felony offense or for certain misdemeanors.
- All instructional and support personnel who have regular contact with a student who has been convicted, received deferred prosecution, received deferred adjudication, or was adjudicated of delinquent conduct for any felony offense or certain misdemeanors.

[For further information, see policy GRA.]

DISTRIBUTION OF PUBLISHED MATERIALS OR DOCUMENTS

School Materials

Publications prepared by and for the school may be posted or distributed, with prior approval by the principal, sponsor, or teacher. Such items may include school posters, brochures, murals, etc.

The school newspaper and the yearbook are available to students.

All school publications are under the supervision of a teacher, sponsor, and the principal.

[See **Directory Information for School-Sponsored Purposes** on page 12]

Nonschool Materials...from students

Students must obtain prior approval from the principal before posting, circulating, or distributing written materials, handbills, photographs, pictures, petitions, films, tapes, posters, or other visual or auditory materials that were not developed under the oversight of the school. To be considered, any nonschool material must include the name of the sponsoring person or organization. The decision regarding approval will be made in two school days.

The principal will designate the location for approved nonschool materials to be placed for voluntary viewing by students. (See policy FNAA.)

The student may appeal the principal's decision in accordance with policy FNG (LOCAL). Any student who posts material without prior approval will be subject to disciplinary action in accordance with the Student Code of Conduct. Materials displayed without this approval will be removed.

Nonschool Materials...from others

Written or printed materials, handbills, photographs, pictures, films, tapes, or other visual or auditory materials not sponsored by the district or by a district-affiliated school-support organization will not be sold, circulated, distributed, or posted on any district premises by any district employee or by persons or groups not associated with the district, except as permitted by policy GKDA. To be considered, any nonschool material must meet the limitations on content established in the policy, include the name of the sponsoring person or organization, and be submitted to the Superintendent for prior review. The Superintendent will approve or reject the materials within two school days of the time the materials are received. The requestor may appeal a rejection in accordance with the appropriate district complaint policy. [See policy DGBA, FNG, or GF.]

Prior review will not be required for:

- Distribution of materials by an attendee to other attendees of a school-sponsored meeting intended for adults and held after school hours.
- Distribution of materials by an attendee to other attendees of a community group meeting held after school hours in accordance with policy GKD (LOCAL) or a noncurriculum-related student group meeting held in accordance with FNAB (LOCAL).
- Distribution for electioneering purposes during the time a school facility is being used as a polling place, in accordance with state law.

All nonschool materials distributed under these circumstances must be removed from district property immediately following the event at which the materials are distributed.

DRESS AND GROOMING

The district's dress code is established to teach grooming and hygiene, prevent disruption, and minimize safety hazards. The school has a legitimate interest in requiring proper dress and personal grooming from every student. All students have the responsibility to observe the basic standards of cleanliness, modesty, good grooming, and dress. All students also have the responsibility to wear clothing which contributes to their own health and safety as well as that of others; dress should not distract from the educational process.

The administration and faculty reserve the right to evaluate the dress of any student and give additional guidelines on dress when it is determined that the student's dress is a distraction to the educational process or is deemed inappropriate.

The following dress code applies to both females and males and will be enforced at school. Any apparel, hair style, cosmetic or jewelry, even if not specifically mentioned below, which creates concerns, draws undue attention to the wearer, or tends to detract from the educational process, is not acceptable.

We ask you parents and students to support the code.

GENERAL:

- Pants and shorts must fit around the waist; baggy, sagging, low-riding or oversized clothes are not permitted.
- All clothing must be neat and clean, with no rips or holes and worn as intended.
- Items with sexually suggestive expressions, profanity, obscenity, drugs, alcohol, or tobacco should not be worn.
- See-through apparel which exposes the body is not acceptable.
- Any color or combination of colors, which demonstrate an affiliation to a known gang, is prohibited. If some students are using colors to demonstrate gang affiliation, such colors may be banned at the discretion of the campus administrators.

SHOES

- Properly fitting shoes must be worn at all times. Backless, thongs (flip flops), beach shoes, cleated shoes, and house slippers should not be worn.

PANTS, SHORTS, SKIRTS, AND DRESSES:

- Pants and shorts must be hemmed or cuffed, at least knee length, and secured at the waist with a belt.
- Overalls, spandex, or any elasticized waist pants should not be worn.
- Types of pants: jeans, khaki, slacks
Colors: navy, khaki, blue, gray, black, denim
- Skirts and dress lengths should be consistent with shorts.

SHIRTS AND OTHER TOPS:

- ALL BLOUSES AND SHIRTS MUST BE TUCKED.
- Shoulders, backs, chest, cleavage, and midriffs must be covered.
- T-shirts, polo, collared blouses, button down shirts, turtleneck/mock turtlenecks can be worn. Tops cannot be **RED OR NORTH CAROLINA BLUE**.
- All shirts must be a minimum of a 2-inch sleeve from the shoulder seam without any holes or slits.
- Topcoats, trench coats, military (camouflage) attire and All Black clothing together should not be worn.

HATS AND HEADGEAR

- Anything that covers the head or a portion of the head should not be worn.

HAIR AND MAKEUP:

- Hair must be neat and clean. Unnatural hair color is not allowed.
- Mustaches must be trimmed and cannot extend below the edges of the mouth. Sideburns cannot extend below the ear. *No other facial hair such as beards or goatees will be permitted.*
- Haircuts with designs are not reflective of the educational environment; therefore they are not permitted.

JEWELRY, ACCESSORIES, BODY ART AND PIERCING

- Students may wear traditional rings, watches, bracelets, and necklaces.
- Tattoos must be covered.
- Any jewelry, body art or piercing deemed by West Orange-Stark High School to be dangerous or a distraction to the learning environment is not acceptable.
- Earrings are to be worn in ears only.
- Sunglasses should be worn outside, not inside the building.
- Attire, which may be used as a weapon, may not be worn (i.e., steel toed boots, chains, dog collars or any items with spikes or studs).
- Mouth grills are not allowed

The principal/assistant principal reserves the right to question the dress of any student and if the administrator concludes the attire is inappropriate the administrator may keep the student out of class until he or she is appropriately dressed. At the first violation of the dress code, the student will be given an opportunity to call parents to bring proper clothing. Any further violations of the dress code will result in automatic disciplinary assignments.

STUDENT FEES

Materials that are part of the basic educational program are provided with state and local funds at no charge to a student. A student, however, is expected to provide his or her own pencils, paper, erasers, and notebooks and may be required to pay certain other fees or deposits, including:

- Costs for materials for a class project that the student will keep.
- Membership dues in voluntary clubs or student organizations and admission fees to extracurricular activities.
- Security deposits.
- Personal physical education and athletic equipment and apparel.
- Voluntarily purchased pictures, publications, class rings, yearbooks, graduation announcements, etc.
- Voluntarily purchased student accident insurance.
- Musical instrument rental and uniform maintenance, when uniforms are provided by the district.
- Personal apparel used in extracurricular activities that becomes the property of the student.
- Parking fees and student identification cards.
- Fees for lost, damaged, or overdue library books.
- Fees for driver training courses, if offered.
- Fees for optional courses offered for credit that require use of facilities not available on district premises.
- Summer school for courses that are offered tuition-free during the regular school year.
- Fees for replacement of Student ID badges. (\$5.00)

Any required fee or deposit may be waived if the student and parent are unable to pay. Application for such a waiver may be made to the campus principal. [For further information, see policy FP.]

FUND-RAISING

Student clubs or classes and/or parent groups may be permitted to conduct fund-raising drives for approved school purposes. An application for permission must be made to the campus principal at least 7 days before the event. [For further information, see policies FJ and GE.]

IMMUNIZATION

A student must be fully immunized against certain diseases or must present a certificate or statement that, for medical reasons or reasons of conscience, including a religious belief, the student will not be immunized. For exemptions based on reasons of conscience, only official forms issued by the Department of State Health Services, Immunization Division, can be honored by the district. The immunizations required are: diphtheria, rubeola (measles), rubella, mumps, tetanus, Haemophilus influenza type B, poliomyelitis, hepatitis A, hepatitis B, and varicella (chicken pox). The school nurse can provide information on age-appropriate doses or on an acceptable physician-validated history of illness required by the Department of State Health Services. Proof of immunization may be personal records from a licensed physician or public health clinic with a signature or rubber-stamp validation.

If a student should not be immunized for medical reasons, the student or parent must present a certificate signed by a U.S. licensed physician stating that, in the doctor's opinion, the immunization required poses a significant risk to the health and well-being of the student or any member of the student's family or household. This certificate must be renewed yearly unless the physician specifies a life-long condition. [For further information, see policy FFAB and the Department of State Health Services Web site: http://www.dshs.state.tx.us/immunize/school/school_info.shtm]

Provisional Admittance

A student may be provisionally admitted to the West Orange-Cove CISD if the person has begun the required immunizations and continues to receive the necessary immunizations as rapidly as is medically feasible. If a student transfers from another Texas School to West Orange-Cove CISD, a grace period of 30 days, but not more than 30 days,

will be allowed while awaiting the transfer of the immunization record, during which time the student will be provisionally enrolled. (FFAB-Legal)

All out of state and out of country students must present immunization records at time of enrollment. Without the documentation in hand, the student **cannot** be enrolled. If the student provides records, the immunizations must be current. If not, the student must begin the necessary vaccine doses before he/she can be provisionally enrolled.

INTERVIEWS AND PHOTOGRAPHS

Section 26.009 of the Texas Education Code requires school districts to obtain written permission from parents in order to make or authorize the making of a videotape of a child, or record or authorize the recording of a child's voice in most instances.

Parent permission is not required in the following instances:

- For purposes of safety, including the maintenance of order and discipline in common areas of the school or on school buses;
- For purposes related to a co-curricular or extracurricular activity; or
- For a purpose related to a regular classroom activity.

Making of video and audio tapes

The making of video and audio tapes could be used for but not limited to:

- Recording the history and events on videotape of the school by campus staff members for use at school assemblies, registration, or as part of informational videotape about the school.
- Parents videotaping or taking photos for home use of their child coming to school on the first day or participating in a class activity.
- Electronic news media (television & radio) covering important issues pertaining to the campuses or events of interest to the public for use on news broadcasts.
- The WOCCISD Communications Office making video and audio tape of students and school activities for developing informational videotape about the district.
- Information pages about WOCCISD on the Internet World Wide Web.

Still Photos

Still photos are used:

- By newspapers for publication
- For inserts in special newspaper editions
- By the WOCCISD Communications Office, chambers of commerce, educational organizations and others for use in various publications (brochures, newsletters, booklets, etc.).
- Information pages about WOCCISD on the Internet World Wide Web

NOTE: Parent Permission Receipt Form is located in the front of the student handbook

PLEDGES OF ALLEGIANCE AND A MINUTE OF SILENCE

Each school day, students will recite the Pledge of Allegiance to the United States flag and the Pledge of Allegiance to the Texas flag. Parents may submit a written request to the principal to excuse their child from reciting a pledge.

A minute of silence will follow recitation of the pledges. Each student may choose to reflect, pray, meditate, or engage in any other silent activity so long as the silent activity does not interfere with or distract others. [See policy EC for more information.]

PRAYER

Each student has a right to individually, voluntarily, and silently pray or meditate in school in a manner that does not disrupt instructional or other activities of the school. The school will not encourage, require, or coerce a student to engage in or to refrain from such prayer or meditation during any school activity.

SAFETY

Student safety on campus and at school-related events is a high priority of the district. Although the district has implemented safety procedures, the cooperation of students is essential to ensuring school safety. A student should:

- Avoid conduct that is likely to put the student or other students at risk.
- Follow the behavioral standards in this handbook and the Student Code of Conduct, as well as any additional rules for behavior and safety set by the principal, teachers, or bus drivers.
- Remain alert to and promptly report to a teacher or the principal any safety hazards, such as intruders on campus or threats made by any person toward a student or staff member.
- Know emergency evacuation routes and signals.
- Follow immediately the instructions of teachers, bus drivers, and other district employees who are overseeing the welfare of students.

EMERGENCY OPERATION PLAN

Should an emergency or disaster situation ever arise in our area while school is in session, we want you to be aware that the schools have made preparations to respond effectively to such situations.

Should we have a major disaster during school hours, your student(s) will be cared for at the school. West Orange-Cove CISD has a detailed emergency operations plan which has been formulated to respond to a major catastrophe.

Your cooperation is necessary in an emergency.

1. Do not telephone the school. Telephone lines may be needed for emergency communication.
2. In the event of a serious emergency, students will be kept at their schools until they are picked up by an identified, responsible adult who has been identified as such on the campus emergency form which is required to be filled out by parents at the beginning of every school year. Please be sure you consider the following criteria when you authorize another person to pick up your child at school:
 - He/she is 18 years of age or older.
 - He/she is usually home during the day.
 - He/she could walk to school, if necessary.
 - He/she is known to your child.
 - He/she is both aware and able to assume this responsibility.
3. Turn your radio to KOGT for emergency announcements. If students are to be kept at school, radio stations will be notified. If electrical service is not affected, information will be relayed via television. In addition, information regarding day-to-day school operations will be available by calling the district office at 882-5500.
4. Impress upon your children the need for them to follow the directions of any school personnel in times of an emergency.

Students will be released only to parents and persons identified on the school district's emergency card that is on file at their campus. During an extreme emergency, students will be released at designated reunion gates located on school campuses. Parents should become familiar with the School Emergency Disaster Plan and be patient and understanding with the student release process. Please instruct your student to remain at school until you or a designee arrives. Because local telephone service may be disrupted, also list an out-of-state contact on the emergency form, as calls may still be made out of the area while incoming calls are affected.

The decision to keep students at school will be based upon whether or not streets in the area are open. If this occurs, radio stations will be notified. In the event that a natural disaster takes place during the time that students are being transported, students will be kept on the bus and the driver will ask for assistance through radio contact with the school and district personnel. Any child who is home waiting for the bus will not be picked up (if roads are impassable) and remains the responsibility of the parent or guardian. In the event a natural disaster occurs in the afternoon, the driver will make every attempt to continue delivering the students to their homes. Should road conditions prevent the driver from delivering students to their home or to school in the morning, the students will be delivered to the nearest school site and that school will communicate with the home school to inform them of students' whereabouts.

In case of a hazardous release event (chemical spill) near the school area, Shelter-in-Place procedures will be implemented to provide in place protection. All students and staff will clear the field, report to their rooms and all efforts will be made to prevent outside air from entering classrooms during the emergency. "Shelter-in-place" signs will be placed in classroom windows or hung outside classroom doors during a drill or emergency. Students arriving at school during a Shelter-in-Place drill or event should report to the school office or to a previously designated area at the school because classrooms will be inaccessible. When the dangerous incident has subsided, an all-clear signal will be given.

Please discuss these matters with your immediate family. Planning ahead will help alleviate concerns during emergencies.

IDENTIFICATION BADGES FOR STUDENTS

To improve the safety and security of all students, faculty, and staff, a security badge system has been implemented. The identification badge will be used for the cafeteria, library, and other security identification purposes. The following guidelines have been implemented to ensure the success of the Student Badge Program.

Students will be issued a student identification badge during the first six weeks. Students will be required to have this identification badge at all times during the school day. The badge will be needed to attend all extracurricular activities (football games, school dances, etc.). Replacement charge for a lost or misplaced student ID badge will be \$5.

1. All students are required to have an ID badge at all times during the school day on campus, on buses and on all WOC CISD property.
2. A student must present the badge for identification upon request by any school district employee.
3. The badge will be required for all library transactions.

4. The badge will be needed to attend extracurricular activities (football games, etc.). Failure to present this identification when requested by school officials at any extracurricular activity may result in removal from the activity.
5. The badge will be used to purchase school lunches.
6. Lost or defaced badges must be replaced at the cost of \$5 (cash or money order) per badge.
7. Students are expected to maintain the student ID badge throughout the year. An initial ID badge will be issued free to students. Any replacement badges will be issued at the student/parent's expense (\$5).
8. Temporary badges will not be issued to students.
9. The loss of multiple badges or defacing a badge may result in disciplinary action (ex: scratching picture, chewing, stickers, marking, etc). *Badge must remain clean.*
10. Failure to comply with regulations may result in disciplinary action.

Drills: Fire, Severe Weather, Lock Down and Other Emergencies

From time to time, students, teachers, and other district employees will participate in drills of emergency procedures. When the alarm is sounded, students should follow the direction of teachers or others in charge quickly, quietly, and in an orderly manner.

Emergency Medical Treatment and Information

If a student has a medical emergency at school or a school-related activity when the parent cannot be reached, the school would need to have written parental consent to obtain emergency medical treatment, and information about allergies to medications, foods, insect bites, etc. Therefore, parents are asked each year to complete an emergency care consent form. Parents should keep emergency care information up-to-date (name of doctor, emergency phone numbers, allergies, etc.). Please contact the school nurse to update any information that the nurse or the teacher needs to know.

Accident Insurance

Soon after school opens, parents will have the opportunity to purchase low-cost accident insurance that would help meet medical expenses in the event of injury to their child.

Emergency School-Closing Information

Rarely is it necessary for the Superintendent to close schools because of inclement weather conditions. However, should weather conditions be such that parents suspect that schools might be closed, they should listen to local radio station or TV stations for official announcements by the District.

In cases of severe weather or local flooding due to torrential rains, lightning, or high winds, students will not be dismissed from school until the superintendent and principal determines it is safe for students to go home. Students may leave school if an authorized adult, parent, or guardian personally arrives at the campus to pick them up. However, District officials prefer that students remain at school until the weather emergency is over to minimize traffic congestion at the school.

In the event of a serious safety event or disaster, and it becomes necessary to evacuate a campus, housing will be provided for the remainder of the school day. The location sites will be designated at the time of the event/disaster. The transportation department will use the same buses with the location of the suggested housing being determined by the superintendent. Parents, who come and want to pick up children from the new location, will be permitted to do so. At the end of the school day buses will run and students will be dismissed as usual, if conditions permit.

SCHOOL FACILITIES

Use by Students before and After School

Certain areas of the school will be accessible to students before and after school for specific purposes. Students are required to remain in the area where their activity is scheduled to take place.

For High School students, the gym and cafeteria are open to students in the morning.

Unless the teacher or sponsor overseeing the activity gives permission, a student will not be permitted to go to another area of the building or campus.

After dismissal of school in the afternoon, and unless involved in an activity under the supervision of a teacher, students must leave campus immediately.

Conduct Before and After School

Teachers and administrators have full authority over student conduct at before- or after-school activities on district premises and at school-sponsored events off district premises, such as play rehearsals, club meetings, athletic practices, and special study groups or tutorials. Students are subject to the same rules of conduct that apply during the instructional day and will be subject to consequences established by the Student Code of Conduct or any stricter standards of behavior for extracurricular participants established by the sponsor.

Use of Hallways During Class Time

Loitering or standing in the halls during class is not permitted. During class time, a student must have a hall pass to be outside the classroom for any purpose. Failure to obtain a pass will result in disciplinary action in accordance with the Student Code of Conduct.

Cafeteria Services

The district participates in the National School Lunch Program and offers students nutritionally balanced lunches daily. Free and reduced-price lunches are available based on financial need. Information about a student's participation is confidential. See the campus principal to apply.

The district follows the federal and state guidelines regarding foods of minimal nutritional value being served or sold on school premises during the school day. [For more information, see policy CO.]

Dining Halls and Patio

There are two dining halls and a patio for the convenience of the student body and faculty. The senior dining hall and patio are exclusively for seniors and faculty members. The underclassmen dining hall may be used by any member of the student body and faculty. It is the belief of our school district that a well-nourished body improves the efficiency of the mind. Students must eat in the dining halls.

Follow these suggestions for more pleasant meals in the dining halls:

1. Develop a courteous attitude toward the rights of others.
2. Do not push or run to form lunch lines.
3. Report any spills to dining hall personnel.
4. Do not break line to be served.
5. Dispose of all food and waste materials in the proper places.
6. Eat only in the dining hall or in designated areas.
7. Specific tables will be designated by dining hall personnel for student breakfast.
8. Purchase only one tray of food at a time.
9. Practice good table manners. Refrain from the use of personally offensive language both in line and at the tables.

FAILURE TO FOLLOW THESE PROCEDURES WILL MERIT DISCIPLINARY ACTION.

Lunch Period

All students are to eat in their dining hall, unless special permission has been granted through the principal's office.

Policies on Building and Grounds During Noon Hour

1. Students are to be in the cafeteria or patio area.
2. Students who bring food (lunch) on campus must eat it in the dining halls. All food and beverages must be consumed in the cafeteria or designated area approved by the principal.

Library

The library is a learning laboratory with books, computers, magazines, and other materials available for classroom assignments, projects, and reading or listening pleasure.

Instructional Television

The District provides the opportunity for students in grades 9 – 12 to view a 12 minute educational program on current events and news items, two minutes of which contain commercial advertising. A parent who prefers that his or her child not view any commercial broadcast at school should notify his/her teacher. An alternative supervised assignment will be made for the student.

Movies/VCR Tape, DVD

Any movie/VCR tape or DVD shown to students must be approved by the principal if it is not listed as an approved title.

Meetings of Noncurriculum-Related Groups

Student-organized, student-led noncurriculum-related groups are permitted to meet during the hours designated by the principal before and after school. These groups must comply with the requirements of policy FNAB (LOCAL).

Vandalism

The taxpayers of the community have made a sustained financial commitment for the construction and upkeep of school facilities. To ensure that school facilities can serve those for whom they are intended—both this year and for years to come—littering, defacing, or damaging school property is not tolerated. Students will be required to pay for damages they cause and will be subject to criminal proceedings as well as disciplinary consequences in accordance with the Student Code of Conduct.

SEARCHES

In the interest of promoting student safety and attempting to ensure that schools are safe and drug free, district officials may from time to time conduct searches. Such searches are conducted without a warrant and as permitted by law.

Students' Desks and Lockers

Students' desks and lockers are school property and remain under the control and jurisdiction of the school even when assigned to an individual student.

Students are fully responsible for the security and contents of their assigned desks and lockers. Students must be certain that their lockers are locked, and that the combinations are not available to others.

Searches of desks or lockers may be conducted at any time there is reasonable cause to believe that they contain articles or materials prohibited by board policy, whether or not a student is present.

The parent will be notified if any prohibited items are found in the student's desk or locker.

Vehicles on Campus

Vehicles parked on school property are under the jurisdiction of the school. School officials may search any vehicle any time there is reasonable cause to do so, with or without the permission of the student. A student has full responsibility for the security and content of his or her vehicle and must make certain that it is locked and that the keys are not given to others. [See also the Student Code of Conduct.]

If a vehicle subject to a search is locked, the student shall be asked to unlock the vehicle. If the student refuses, the District shall contact the student's parents. If the parents also refuse to permit a search of the vehicle, the District may turn the matter over to the local law enforcement officials.

Vehicles must be registered; parking decals will be available in the principal's office.

Students who drive their cars, motorbikes, scooters, or bicycles to school will park them in the student parking lot. No student will return to this parking area until his/her classes have concluded on the West Orange-Stark campus. Any student found in this area without office permission will be subject to disciplinary action. Students are not to sit in cars after arriving at school. All vehicles must be registered in the assistant principal's office by the end of the first week of school. A parking permit will be issued to the student, and it is to be placed on the vehicles so that it will be visible at all times. ANY MISUSE OF A VEHICLE ON CAMPUS OR ON STREETS ADJOINING THE SCHOOL WILL NOT BE TOLERATED AND MAY RESULT IN THE LOSS OF PARKING PRIVILEGES.

Trained Dogs

The district will use trained non-aggressive dogs to alert school officials to the presence of prohibited or illegal items, including drugs and alcohol or other illicit substances as defined in FNCF-Legal. This program is implemented in response to drug and alcohol related problems in District schools, with the objective of maintaining a safe school environment conducive to education. At any time, trained dogs may be used on lockers, desks and vehicles parked on school property. Searches of classrooms, common areas, or student belongings may also be conducted by trained dogs when students are not present. A locker, a vehicle, or an item in a classroom to which a trained dog alerts may be searched by school officials. If contraband of any kind is found, the possessing student shall be subject to appropriate disciplinary action in accordance with the Student Code of Conduct. [For further information, see policy FNF.]

Metal Detectors

Students shall be notified at the beginning of each school year that they are subject to metal detector searches on a random basis. If the metal detector alerts to the presence of metal after the student has been asked to remove all metal objects from his or her person and possessions, or if a student refuses to remove all metal objects from his or her person and possessions without giving a satisfactory explanation, the District shall notify the student's parent(s), guardian, or person having lawful control. If, following such notification, the student again refuses to remove all metal objects from his or her person and personal possessions, the student shall be required to leave school property, in accordance with any applicable procedures in the Student Code of Conduct. If, following such notification, the student again refuses to remove all metal objects from his or her person and personal possessions, the District may turn them over to law enforcement officials. [For further information, see policy FNF.]

TRANSPORTATION

School-Sponsored Trips

Students who participate in school-sponsored trips are required to use transportation provided by the school to and from the event. The principal, however, may make an exception if the parent makes a written request that the student be released to the parent or to another adult designated by the parent.

Buses and Other School Vehicles

The district makes school bus transportation available to all students living two or more miles from school. This service is provided at no cost to students. Bus routes and any subsequent changes are posted at the school. Further information may be obtained by calling ~~Laidlaw Transportation~~ **STS** at 886-1855.

See the Student Code of Conduct for provisions regarding transportation to the Disciplinary Alternative Education Program.

Students are expected to assist district staff in ensuring that buses remain in good condition and that transportation is provided safely. When riding in district vehicles, students are held to behavioral standards established in this handbook and the Student Code of Conduct. Students must:

- Follow the driver's directions at all times.
- Enter and leave the bus or van in an orderly manner at the designated stop nearest home.
- Keep feet, books, instrument cases, and other objects out of the aisle.
- Not deface the bus, van, or its equipment.
- Not put head, hands, arms, or legs out of the window, hold any object out of the window, or throw objects within or out of the bus or van.
- Be seated while the vehicle is moving.
- Wait for the driver's signal upon leaving the bus or van and before crossing in front of the vehicle.

When students ride in a district van or passenger car, seat belts must be fastened at all times.

Misconduct will be punished in accordance with the Student Code of Conduct; bus-riding privileges may be suspended.

Bicycles

Students who ride their bicycles to school will park them in the designated parking areas and left there during the school hours. Students are responsible for securing bicycles and the school accepts no responsibility.

VISITORS TO THE SCHOOL

General Visitors

Parents and others are welcome to visit district schools. For the safety of those within the school and to avoid disruption of instructional time, all visitors must first report to the principal's office complete V-Soft (Raptor) visitor screening process and obtain a visitor's badge.

Visits to individual classrooms during instructional time are permitted only with approval of the principal and teacher and only so long as their duration or frequency does not interfere with the delivery of instruction or disrupt the normal school environment.

All visitors are expected to demonstrate the highest standards of courtesy and conduct; disruptive behavior will not be permitted.

GLOSSARY

Accelerated instruction is an intensive supplemental program designed to address the needs of an individual student in acquiring the knowledge and skills required at his or her grade level.

ACT refers to one of the two most frequently used college or university admissions exams: the American College Test. The test may be a requirement for admission to certain colleges or universities.

Alternative assessment instrument, developed by the state, may be given to students in special education and students identified as limited English proficient.

ARD is the admission, review, and dismissal committee convened for each student who is identified as needing a full and individual evaluation for special education services. The eligible student's parents are part of the committee.

Attendance Review Committee is responsible for reviewing a student's absences when the student's attendance drops below 90 percent of the days the class is offered. Under guidelines adopted by the board, the committee will determine whether there were extenuating circumstances for the absences and whether the student needs to complete certain conditions to master the course and regain credit lost because of absences.

DAEP stands for disciplinary alternative education program, a placement for students who have violated certain provisions of the Student Code of Conduct. Students in the DAEP will be separated from students not assigned to the program. The DAEP will focus instruction on English language arts, mathematics, science, history, and self-discipline, and provide for students' educational and behavior needs, as well as supervision and counseling.

FERPA refers to the federal Family Educational Rights and Privacy Act that grants specific privacy protections to student records. The law contains certain exceptions, such as for directory information, unless a student's parent or a student 18 or older directs the school not to release directory information.

IEP is the written record of the Individualized Education Program prepared by the ARD committee for a student with disabilities who is eligible for special education services. The IEP contains several parts, such as a statement of the student's present educational performance; a statement of measurable annual goals, with short-term objectives; the special education and related services and supplemental aids and services to be provided, and program modifications or support by school personnel; a statement regarding how the student's progress will be measured and how the parents will be kept informed; modifications to state or districtwide tests, etc.

ISS refers to in-school suspension, a disciplinary technique for misconduct found in the Student Code of Conduct. Although different from out-of-school suspension and placement in a DAEP, ISS removes the student from the regular classroom.

NCLB Act is the federal No Child Left Behind Act of 2001.

Personal Graduation Plan (PGP) is required by state law for any student in middle school or higher who fails a section on a state-mandated test or is identified by the district as not likely to earn a high school diploma before the fifth school year after he or she begins grade 9.

SAT refers to one of the two most frequently used college or university admissions exams: the Scholastic Aptitude Test. The test may be a requirement for admissions to certain colleges or universities.

Section 504 is the federal law that prohibits discrimination against a student with a disability, requiring schools to provide opportunities for equal services, programs, and participation in activities. Unless the student is determined by an ARD committee to be eligible for special education services, appropriate regular educational services will be provided.

State-mandated tests are required of students at certain grade levels and in specified subjects. Successful performance sometimes is a condition of promotion, and the grade 11 exit-level test is a condition of graduation. Students have multiple opportunities to take the tests if necessary for promotion or graduation.

Student Code of Conduct is developed with the advice of the district-level committee and adopted by the board and identifies the circumstances, consistent with law, when a student may be removed from the classroom or campus. It also sets out the conditions that authorize or require the principal or another administrator to place the student in a disciplinary alternative education program. It outlines conditions for out-of-school suspension and for expulsion, and states whether self-defense is a consideration in suspension, DAEP placement, or expulsion. The Student Code of Conduct also addresses notice to the parent regarding a student's violation of one of its provisions.

TAKS is short for the Texas Assessment of Knowledge and Skills, the state's current standardized achievement test given to students in certain subjects in grades 3–11.

UIL refers to the University Interscholastic League, the statewide voluntary non-profit organization that oversees educational extracurricular academic, athletic, and music contests.

~~NOTICES REGARDING DIRECTORY INFORMATION AND PARENT'S RESPONSE REGARDING RELEASE OF STUDENT INFORMATION~~

~~State law requires the district to give you the following information:~~

~~Certain information about district students is considered directory information and will be released to anyone who follows the procedures for requesting the information unless the parent or guardian objects to the release of the directory information about the student. If you do not want West Orange Cove CISD to disclose directory information from your child's education records without your prior written consent, **you must notify the district in writing within 10 school days of your child's first day of instruction for this school year.**~~

~~This means that the district must give certain personal information (called "directory information") about your child to any person who requests it, unless you have told the District in writing not to do so. In addition, you have the right to tell the district that it may, or may not, use certain personal information about your child for specific school-sponsored purposes. The district is providing you this form so you can communicate your wishes about these issues.~~

~~For school-sponsored purposes West Orange Cove CISD has designated the following information as directory information:~~

~~APPENDIX IV CONSENT/OPT-OUT FORM~~

~~[Note to school administrators: In order to meet district (or campus) obligations under the NCLB Act (see page 6 of the Model Student Handbook) you must at least annually at the beginning of the school year notify parents of the specific or approximate dates when the following will occur or are expected to occur:~~

- ~~• A survey, analysis, or evaluation that concerns student protected information as described below in Section I. For those surveys that will be funded in whole or in part by U.S. Department of Education funds, the district **must receive a parent's consent**. For those surveys not funded by the USDE, the district **must allow a parent to opt-out**.~~
- ~~• Any planned nonemergency, invasive physical examinations or screenings required as a condition of attendance, administered and scheduled by the school in advance and not necessary to protect the immediate health and safety of the student, other than hearing, vision, scoliosis screenings or any physical exam or screening permitted or required under state law. See policies EF and FFAA. The district **must allow a parent to opt-out** of these examinations or screenings.~~
- ~~• School activities involving the collection, disclosure, or use of personal information collected from a student for the purpose of marketing or selling that information. Depending on what personal information is being collected, disclosed, or used, the district **must either receive consent or allow a parent to opt-out** of these activities.~~

~~Should any of the above surveys or activities arise during the school year as part of campus or classroom activities, these guidelines should again be used to determine appropriate notices and consent/opt-out forms to be sent to parents before the surveys or activities are conducted.]~~

To the Parents of _____:

The district is required by federal law to notify you and obtain your consent or denial (opt-out) for your child to participate in certain school activities. The activities include any student survey, analysis, or evaluation that concerns one or more of the following eight areas, known as "protected information surveys."

- ~~1. Political affiliations or beliefs of the student or student's parent;~~
- ~~2. Mental or psychological problems of the student or student's family;~~
- ~~3. Sex behavior or attitudes;~~
- ~~4. Illegal, antisocial, self-incriminating, or demeaning behavior;~~
- ~~5. Critical appraisals of others with whom respondents have close family relationships;~~
- ~~6. Legally recognized privileged relationships, such as with lawyers, doctors, or ministers;~~
- ~~7. Religious practices, affiliations, or beliefs of the student or parents; or~~
- ~~8. Income, other than as required by law to determine program eligibility.~~

This requirement also applies to the collection, disclosure, or use of student information for marketing purposes ("marketing surveys"), and certain physical exams and screenings.

~~Following are activities requiring parental notice and consent or opt-out for the 2006–2007 school year. Please note that this notice and authority to consent transfer from the parent to the student when the student reaches 18 or is an emancipated minor under state law.~~

~~*[Include modified text blocks below as appropriate.]*~~

~~*[This sample text may be adapted for any survey concerning the private information listed above.]*~~
