Other

As I prepare to leave the Lake and Peninsula School District, I want to express my deepest gratitude for the time I've spent here—especially as the principal of Meshik School. It has been an incredible journey, full of growth, learning, and unforgettable experiences.

Living and working in a remote village in Alaska has been nothing short of life-changing. I've had the privilege of working alongside an exceptional team of educators and community members who share a deep commitment to our students and their futures. Your support, collaboration, and dedication have made each day meaningful, and for that, I'm truly thankful.

To the students, staff, families, and community—thank you for welcoming me, trusting me, and allowing me to be part of your lives. Meshik School will always hold a special place in my heart.

Though it's time for a new chapter, I leave with memories I will always treasure and relationships that will continue to inspire me.

Quyana, and farewell for now.
