Mr. Irwin and the Board of Education:

Sean and Sandy Doggett have approached me as representatives for a group of parents. Sean is a basketball coach for MMJH. Both he and Sandy are members of the parent advisory committee as well as other school and community organizations.

This group would like to head up fundraisers for a new scorers table, a new scoreboard, and would like to continue the renovations in the gym. They are requesting the approval of Mr. Irwin and the board.

Sincerely,

Lisa L. Gocken
