PRINCIPAL'S REPORT

From: Loretta Glazier, Principal Date: 2/19/25 District and School: WBCSD/PLE

Enrollment:

Kinder -6; First -3; Second -6; Third -10; Fourth -7; Fifth -8; Sixth -6; Seventh -3 - Total -49

Average Daily Attendance to Date:

Kinder	First	Second	Third	Fourth	Fifth	Sixth	Seventh
93%	91%	92%	91%	94%	93%	94%	93%

Activities/Celebrations:

- January 14th Open Court representative Samantha Hannah from Montana spent multiple days visiting each elementary school modeling lessons, answering questions, showing Open Court online options; we're asking her to return for our Professional Development day on April 18 to continue to work with teachers
- On February 10th, Mrs. Butler's K-2 class hosted a Sweetheart Social. Students and their guests enjoyed Italian sodas and participated in a creative activity, making Valentine cards for their family and/or friends. Additionally, each student created a card to be delivered to a resident at River Mountain Village Assisted Living & Advanced Care in Newport, WA
- Mrs. Barnes' 5th-7th grade class participated in an introduction to cross-country skiing, which began with a demo at PLE. Following the demonstration, the students had the opportunity to apply what they learned during a field trip to PL Golf Course on January 24th

Curriculum/Instruction

- Winter benchmarking is complete. This will provide data to help inform teachers' instruction and be used as an important discussion point in PLCs.
 - o 100% of Kinders showed growth with an average gain of 24 points
 - o 100% of 1st graders showed growth with an average gain of 25 points
- text fluency

spelling

- comprehension
- o 67% of 2nd graders showed growth with an average gain of 17 points
 - spelling
- o 100% of 3rd graders showed growth with an average gain of 28 points
 - text fluency
- The 5th-7th grade class is taking part in the Artemis ROADS III challenge. The ROADS program (Rover Observation and Discoveries in Space) offers students the opportunity to explore STEM concepts through interactive, hands-on activities.
- In technology, a Yearbook project has been initiated for grades 5, 6, and 7. This is a cross-curricular initiative that incorporates skills from English Language Arts, technology, and mathematics.
