

SCHOOL BOARD MEETING REPORT

Board Meeting Date: 20-Oct-08

Agenda #

Staff/Administrator: Dan Huber-Kantola

Superintendent: Dan Huber-Kantola

Type of Item: Informational Action

Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?

Please move the North Valley High School graduation date from Tuesday June 2nd to Monday June 1st.

Provide history/background information on your proposal.

Mrs. Hugle had a request from the senior parents to move the day from Tuesday to Monday to help accommodate out of state travelers. Mrs. Hugle believes that this move was approved by the superintendent two years ago but was not incorporated into the calendar. We also received a confirmation from Robin Kemper, a parent representative, that the parents would like permission to move the date and start planning.

List the advantages of your proposal:

Out of state travel will be more convenient for guests of the graduates.

List possible disadvantages of your proposal:

the school part of the set up will need to be completed on a tighter schedule but most of the decorating etc. has been and will be done by parents of the seniors.

List possible alternatives that could also offer a solution to your proposal. Why were they not recommended?

Leave the graduation on June 2nd. While graduation is a school function, it is mainly for the parents and seniors. Moving the date to Monday does not cause any harm to the district or conflict with any other Three Rivers graduation schedule.

Superintendent's recommendation(s):

Approve: Yes No
