

Lincoln Elementary School

Building Independent Thinkers and Problem Solvers, One Student At A Time!

September 2020

Report to the Board of Education

Lincoln Elementary School

Kelly Millburg, Principal

Current Enrollment numbers are as follows:

Enrollment

	September 2019	September 2020
3rd Grade	84	85
4th Grade	103	80
5th Grade	84	107
Total	271	272

Fundraiser Information:

PTO Fundraiser Kick-Off was held on Tuesday, August 27th with announcements and daily encouragement. Great American is once again the fundraiser for the 2020-2020 school years. A motivational challenge was issued for the students to sell items. If accomplished Mrs. Millburg has agreed to a silly string battle with each student who reaches this goal. Mrs. Field orders have been turned in and all other orders are being handled online. Top seller will receive a giant stuffed narwhal in lue of the previous “principal for a day” prize.

Scholastic Book Fair:

The PTO hosted Scholastic Book Fair has been put on hold for September and consideration is being made to hold the book fair online in October.

Information for Teachers:

All the informational documents for procedures and processes included in the teacher handbook binder have been updated in google docs and continue to be hyper-linked in a hub for easy access. Additionally, a Covid Handbook was created to help with questions about new procedures and guidelines. This document has been linked to the Lincoln Staff Google Classroom page.

Crisis Management Update-

An announced fire drill (without the fire department) was practiced successfully on September 18th. Evacuation occurred quickly, applying social distancing to the best of our ability . We are registered with the Great Central U.S. Shake Out to complete earthquake procedures on October 15th and our Tornado drill practice is scheduled for later this month. Additionally, we will be planning a practice with law enforcement and the fire department in the near future.

Items for Students:

Cub Scouts: Lincoln School boys were given a flyer with a brief overview of the scouting program in Pana.

Girl Scouts: Lincoln School girls were given a flyer with a brief overview of the scouting program in Pana.

Share & Care food program have distributed applications for "Friday Food Bags" as well.

Band:

Ms Armour has been met with Covid restrictions making it difficult to set up instrument tryouts for 5th grade students to explore band instruments at this time. As a result she is using band time from Lincoln to help make up lost band time at the Jr. High due to the early dismissal schedule.

Mr. Foster and Mr. Anderson, from the fire department, did a great job talking to the 5th graders about 9-11. Students got to see some of the steal from one of the World Trade Centers
