

Staff Name _____ Date _____ PACE Statewide Homeschool

Some of these questions will require you to reflect on the elements of the domains found in the observation tools.

- *Identify one major success you've had this year.*
- *Identify one major opportunity for growth you've experienced.*
- *If you could have one tool to help you achieve your goal, right now, what would it be and why?*
- *What challenges, either planned or unplanned, have you encountered when supporting families? What actions did you take to overcome these challenges?*
- *When making monthly contacts, which methods worked well and which weren't as successful? What changes would you make for next year?*
- *Identify one major success you've had this year working on your growth plan.*
- *Identify one opportunity for growth you've experienced as you work on your growth plan.*
- *Based on what you know now, and where you find yourself in the course of your year, what changes would you make in your professional practice?*
- *Describe an area of your professional responsibilities you struggle with? What advice would you give to someone else struggling in that area?*
