

**SUBJECT:** Consideration and possible revision of FNG (LOCAL) Student Rights and Responsibilities Student and Parent Complaints/Grievances.

**BACKGROUND:** Revisions within the CKE policy series necessitate an update to the cross-reference in the list of other complaint processes.

To accommodate planned restructuring of policy FFH, revisions are made to the references to that code in this policy to reflect the FFH series. No other changes have been made to this policy.

**FINANCIAL IMPLICATIONS:** None.

**RECOMMENDATION:** We recommend approval of revisions to FNG (LOCAL) Student Rights and Responsibilities Student and Parent Complaints/Grievances.
