## JUNE 2012

### MESSAGE FROM THE PRINCIPAL

Dear Fruitdale Families,

What a year! It seems like just yesterday in which I was welcoming a new group of kindergarteners on the Fruitdale Campus for the first time. Now, those kindergarteners are first graders and our fifth graders will soon be heading off to middle school.

This year Fruitdale students have made some tremendous growth. The Fruitdale staff held students to both high behavioral and academic standards. The results are apparent. Our students' preliminary assessment results are in and the individual growth for our students is phenomenal in the areas of reading and math. This growth is a common trend throughout every grade level. Recently, our Fruitdale

Yearbook arrived on my desk. As I opened the pages, I saw the true measure of what we do at Fruitdale. There on the pages are the smiling faces of elementary school students enjoying the experience of school. From field trips to performances the students of Fruitdale have experienced a tremendous year filled with diverse and enriched learning opportunities.

If you look close enough, sprinkled throughout the pages are the photographs of the Fruitdale Staff. You will see them interacting, engaging, relating, and building relationships with students. I can't help thinking to myself; this is not an ordinary elementary school. Fruitdale is extraordinary because of all the individuals who make it so.

I am so proud of the students and staff at Fruitdale. I can't help but to be excited about all of the potential in the years to come. This truly is an amazing place to be.

Thank you to the staff, students and families of Fruitdale Elementary School. It is an honor to work with all of you.

Sincerely,

Heather Yount  
Principal  
Fruitdale Elementary School
