

Regulation #5090.9
Use of Private Technology Devices by Students

Cellular Phones

The use of privately-owned technological devices at school is considered a privilege, not a right. Therefore, students may possess cellular phones and other wireless communication devices on school property and school-sponsored transportation, providing students adhere to the restrictions contained within this regulation and specific school building restrictions outlined in the student handbook.

High School: Students are permitted to bring cellular phones and other wireless communication devices to school. Such devices should remain on silent throughout the school day. Device use, including earbuds, is not permitted, bell to bell, during class time. A teacher may allow use of such devices for course-specific educational purposes. Students may use cellular phones and other wireless communication devices during non-class times in areas designated by the school administration.

Middle School: Students are permitted to bring cellular phones and other wireless communication devices to school. Devices must be placed, on silent, in lockers prior to the start of the academic school day and can be collected at the end of the academic day. Students may use cellular phones and other wireless communication devices before and after the academic day in areas designated by the school administration.

PreK-5: Students are discouraged from bringing cellular phones and other wireless communication devices to school. If a parent/guardian sends their student to school with a device, the device must remain on silent for the entire day and remain out of sight and in a student's bag for the entirety of the school day and while on school-sponsored transportation.

Other Acceptable Uses

Cellular phones and other wireless communication devices are permissible in the following circumstances:

a. IEP, 504, or Health Care/Medical Plan.

Students may use cellular phones, wireless communication devices and other electronic devices during class time when authorized pursuant to an Individual Education Plan (IEP), a Section 504 Accommodation Plan, or a Health Care/Medical Plan with supportive documentation from the student's physician.

b. Other Reasons.
