RE: Disposal of Julian Library and Middle School Science Books

DATE: March 13, 2018

Julian and Brooks would like to dispose of science books and the Julian would like to dispose of some library books that have been removed from their catalog since September 2017. The list of titles is included for your convenience.

Ultimately, the books will be donated to students and teachers. Then the rest we will be taken to the Oak Park Public Library. However, the Board must first approve the disposal of these books.
