BOARD OF EDUCATION
Bloomington, Illinois

Regular Meeting September 25, 2025

FOR ACTION

Subject: Approval of Bids for Construction Projects

In early August, invitations to bid on the various work elements associated with the upcoming construction projects were publicly advertised. Bids were submitted and publicly opened at the District Office on Thursday, September 4. Bulley and Andrews have had numerous meetings with the bidders to confirm their understanding of the scope of the projects that were bid upon. After following the legal process for soliciting public bids for the projects and ensuring the knowledge of the firms who bid on the projects that were bid upon, the attached document indicates the lowest responsive bidder in each part of the projects.

Bulley and Andrews were asked earlier this evening to present this to you and to seek your questions on the results. It is the recommendation of the Administration to approve the lowest responsive bidders as identified in Exhibit A from Bulley & Andrews for the referendum and life safety projects as presented.

Recommendation: The Board approve the lowest responsive bidders as identified in Exhibit A from Bulley & Andrews for the referendum and life safety projects, as presented.
