Construction UPDATE:

Browning Middle School remodel is moving along rapidly. Due to the Covid-19 school closure Sletten Construction has been able to get into the building and do the demo and work, which helps move up the project completion date.

The Sports Complex construction has begun again and are on track to be done by Football season with field and later in fall for whole complex. Compaction test has been approved and we can finally move forward.

Mission Browning Public Schools works with all stakeholders – families, students, staff, trustees and community – to provide a high quality, culturally diverse education for all our children using guidance, teaching, and support through collaboration and communication.

VISION Browning Public Schools is a safe environment that teaches personal and community wellness and provides support and strategies for overcoming adversity. **In Browning Public Schools, we are free to teach and learn successfully. We instill and develop respect and pride for self, family, school, community, our environment and all cultures through service to others. We model hard work and personal accountability through humility and dedication – demonstrating that these values are the responsibility of all. We cultivate and nurture strong partnerships with the community to build citizens who have a sense of place, respect for Mother Earth, and an understanding of the rights and responsibilities of, and to, all people in all communities.**
