September Principal's Corner

Welcome to this September's edition of the Principal's Corner for the 2015/16 school year. I would like to welcome everyone back for another great school year- this being the first of a monthly Principal's Corner. Hopefully, some cooler weather is on its way as fall activities are now in full swing. I love the start of school as there is a buzz around campus and in our community with all that we are able to enjoy in the way of activities and functions.

The beginning of the month features a new school newsletter. Each newsletter communicates important information on teaching and learning, school events, activities, and deadlines here at Hidden Valley High School. Likewise my writing will touch on important school related topics and themes that affect the lives of our kids. I hope you find each month's newsletter informative and worthwhile.

This year, our school is looking to improve our systems. For instance, grades should be updated every Tuesday on Parent Vue. If you are struggling to find updated grades or use Parent Vue, please email Liz Elkins and we will do our best to rectify each hurdle. Her email is [elizabeth.elkins@threerivers.k12.or.us](mailto:elizabeth.elkins@threerivers.k12.or.us) if you need to talk to someone on the phone, she would be your point of contact as well. Another example of improving systems here at HVHS would be our tracking of attendance. In the past, our calling system and data has not always been accurate and we are diligently attempting to clean this up so parents have the information they need.

One of our school board goals is to improve communication. We have a new website and there are many new functions to disseminate information. Our staff is updating their teacher pages and it should be easier to find information on our school with an activity calendar on the front page. I also want to encourage you to follow my Twitter feed at HVHS\_Principal, I am relatively new to Twitter (a year), but in attempt to capture moments here at school via Twitter... you might consider following me as I have posted many things already since the start of school.

Hidden Valley is a special place that has been fortunate to hire some great new professionals this year. Penny Welbaum is our new College and Career Advocate (more on this next month), Natalie Wassom-Paul is our new Social Studies and College Prep teacher, Joe Green is our new Music teacher, Sara Kinstler is our AP Comp and Spanish teacher, and Jennifer Wagner is our new half time Language Arts teacher. Please help me welcome these new staff as they are off to a good start and it is my hope that our community embraces them and makes them feel welcome. Open House might be a great time to meet and greet all of our teachers on September 30<sup>th</sup> at 5:45pm. Our choir and band will be play and entertain us as our students and ASB will feed our community a free spaghetti dinner! Hope you can join us...

Much Respect,

A handwritten signature in blue ink, appearing to read "D. Elkins".

# HV ATHLETICS

Hidden Valley High School Fall Sports kicked off with a bang as we partnered with the National Guard for our 1<sup>st</sup> annual “Mustang Round Up” catered by Casa Amiga. The night featured a 25 minute team preview for friends and family, dinner and a parent information night. Over 90% of our athletes attended this event. Some new additions to our facilities have brought lots of positive comments from our fans, parents and opponents.
