

Board of Education

ACTION

TITLE: Consider Authorizing the Sale and Disposal of Commodities

DATE: August 26, 2024

RESPONSIBLE ADMINISTRATOR: Charles Warren, CFO

BACKGROUND/CONSIDERATIONS:

Section 7.13 of the District policies allows the Superintendent to submit a list of surplus commodities to the Board for authorization to sell such surplus commodities. These commodities (listed below) are requested to be auctioned to the general public on a tentative date of September, 2024.

Technological Equipment:

1. (1,400) Chromebook computers (Dell & HP)
2. (75) Dell Desktop Flat Screen Monitors
3. (75) Projectors
4. (50) Dell desktops

Commodities not sold are considered to have no fair market value and will be disposed of by the District.

RECOMMENDATION:

The Administration recommends the Board consider authorizing the sale or disposal of the listed commodities.

If the Board agrees, the motion would read: ***move to authorize the sale or disposal of commodities as listed.***
