

***Killeen Independent School District
Board Agenda Item Action Sheet***

Date: November 18, 2025

Agenda Item Caption: Move to Approve the Proposed Amendments to the Student Code of Conduct Referencing the Student Use of Personal Communication Devices and Implementation of Elementary School Cell Phone Lockers

Purpose of Agenda Item: Action Item

Administrative Recommendation: None

Background Information: House Bill 1481 stipulates that students should not use or have access to personal communication devices during the school day. The Student Code of Conduct adopted in August states that elementary students cannot bring these devices to school. The utilization of the locking cell phone cabinets will allow students to bring a device to school but ensures the campus will comply with HB 1481.

The recommended amendments to the Student Code of Conduct address the implementation of the locking cell cabinets at the elementary schools.

Fiscal Analysis: This will utilize programmatic funding.

Regulatory Requirement: House Bill 1481
