¹ State or federal law controls this policy's content. This policy contains an item on which collective bargaining may be required. Any policy that impacts upon wages, hours, and terms and conditions of employment, is subject to collective bargaining upon request by the employee representative, even if the policy involves an inherent managerial right.

This policy's provisions should be customized to meet the district's needs. The local collective bargaining agreement may contain provisions that exceed these requirements. If a collective bargaining agreement contains a provision that supersedes the policy, for those covered employees, the policy should state: "Please refer to the applicable collective bargaining agreement." For employees not covered, the policy should reflect the board's current practice.

The standards listed should be customized to reflect the local board's desires and/or district practices.

² This is the minimum required by 105 ILCS 5/10-20.14a.
