The administrator may set reasonable time limits for the conference.</p>

Absent extenuating circumstances, the administrator shall provide the employee a written response within ~~ten~~ 10 days following the conference. The written response shall set forth the basis of the decision. In reaching a decision, the administrator may consider information provided at the Level One conference and any other relevant documents or information the administrator believes will help resolve the complaint.

Level Two

If the employee did not receive the relief requested at Level One or if the time for a response has expired, the employee may request a conference with the Superintendent ~~or designee~~ to appeal the Level One decision.

The appeal notice must be filed in writing, on a form provided by the District, within ~~ten~~ 10 days of the date of the written Level One response or, if no response was received, within ~~ten~~ 10 days of the Level One response deadline.

After receiving notice of the appeal, the Level One administrator shall prepare and forward a record of the Level One complaint to the Level Two administrator. The employee may request a copy of the Level One record.

The Level One record shall include:

1. The original complaint form and any attachments.
2. All other documents submitted by the employee at Level One.
3. The written response issued at Level One and any attachments.
4. All other documents relied upon by the Level One administrator in reaching the Level One decision.

The Superintendent ~~or designee~~ shall schedule a conference within ~~ten~~ 10 days after the appeal notice is filed. The conference shall be limited to the issues and documents considered at Level One. At the conference, the employee may provide information concerning any documents or information relied upon by the administration for the Level One decision. The Superintendent ~~or designee~~ may set reasonable time limits for the conference.

The Superintendent ~~or designee~~ shall provide the employee a written response within ~~ten~~ 10 days following the conference. The written response shall set forth the basis of the decision. Recordings of the Level One and Level Two conferences, if any, shall be maintained with the Level One and Level Two records.

Level Three

If the employee did not receive the relief requested at Level Two or if the time for a response has expired, the employee may appeal the decision to the Board.

The appeal notice must be filed in writing, on a form provided by the District, within ~~ten~~ 10 days of the date of the written Level Two response or, if no response was received, within ~~ten~~ 10 days of the Level Two response deadline.

The Superintendent ~~or designee~~ shall inform the employee of the date, time, and place of the Board meeting at which the complaint will be on the agenda for presentation to the Board.

The Superintendent ~~or designee~~ shall provide the Board the record of the Level Two appeal. The employee may request a copy of the Level Two record.

The Level Two record shall include:

The appeal shall be limited to the issues and documents considered at Level Two, except that if at the Level Three hearing the administration intends to rely on evidence not included in the Level Two record, the administration shall provide the employee notice of the nature of the evidence at least three days before the hearing.

The District shall determine whether the complaint will be presented in open or closed meeting in accordance with the Texas Open Meetings Act and other applicable law. [See BE]

The presiding officer may set reasonable time limits and guidelines for the presentation, including an opportunity for the employee and administration to each make a presentation and provide rebuttal and an opportunity for questioning by the Board. The Board shall hear the complaint and may request that the administration provide an explanation for the decisions at the preceding levels.

In addition to any other record of the Board meeting required by law, the Board shall prepare a separate record of the Level Three

presentation. The Level Three presentation, including the presentation by the employee or the employee's representative, any presentation from the administration, and questions from the Board with responses, shall be recorded by audio recording, video/audio recording, or court reporter.

The Board shall then consider the complaint. It may give notice of its decision orally or in writing at any time up to and including the next regularly scheduled Board meeting. ~~In accordance with the District's innovation plan, the District is exempt from state law regarding minimum attendance for credit or a final grade for a student in kindergarten–grade 12.~~

~~In accordance with administrative procedures, factors including assignments, tests, projects, classroom activities, and other instructional activities shall be used to determine student mastery and the awarding of credit or a final grade. [See EIA]~~

Absences Considered

Except as otherwise provided by law, all absences incurred while enrolled in the District shall be considered in determining whether a student has been in attendance for 90 percent of the days the class is offered.

Attendance Committees

The Board authorizes the establishment of an attendance committee or as many attendance committees as necessary for efficient implementation of state law.

The Superintendent is authorized to make the specific appointments in accordance with legal requirements.

Parental Notice of Excessive Absences

A student and the student's parent or guardian shall be given written notice prior to and at such time when a student's attendance in any class drops below 90 percent of the days the class is offered.

Methods for Regaining Credit or Awarding a Final Grade

When a student's attendance drops below 90 percent but remains at least at 75 percent of the days the class is offered, the student may earn credit for the class or a final grade by completing a plan approved by the principal. This plan must provide for the student to meet the instructional requirements of the class as determined by the principal.

If the student fails to successfully complete the plan, or when a student's attendance drops below 75 percent of the days the class is offered, the student, parent, or representative may request award of credit or a final grade by submitting a written petition to the appropriate attendance committee.

A petition for credit or a final grade may be filed in accordance with administrative regulations. The attendance committee shall review the student's entire attendance record and the reasons for absences and shall determine whether to award credit or a final grade. [See Imposing Conditions for Awarding Credit or a Final Grade, below]

Regardless of whether a petition is filed, the attendance committee may also review the records of all students whose attendance drops below 90 percent of the days the class is offered.

A student who has lost credit or has not received a final grade because of excessive absences may regain credit or be awarded a final grade by fulfilling the requirements established by the attendance committee.

Personal Illness

The principal or attendance committee may require verification from a health-care provider in accordance with administrative regulations as a condition of classifying an absence for personal illness as one for which there are extenuating circumstances.

Best Interest Standard

In reaching consensus regarding a student's absences and how the student can be awarded credit or a final grade, the attendance committee shall attempt to ensure that its decision is in the best interest of the student. The Superintendent shall develop administrative regulations to document the attendance committee's decision.

Guidelines on Extenuating Circumstances

The attendance committee shall consider whether a student has mastered the essential knowledge and skills and maintained passing grades in the course or subject.

When makeup work is completed satisfactorily, the attendance committee shall consider extracurricular absences and other excused absences as days of attendance for award of credit or a final grade. [See FEA]

The attendance committee shall consider whether the reasons for the absences were out of the parent's or student's control and whether documentation for the absence is acceptable.

The student or parent shall be given an opportunity to present any information to the committee about the absences and to discuss ways to earn or regain credit or be awarded a final grade.

Imposing Conditions for Awarding Credit or a Final Grade

The attendance committee or principal, as applicable, is not required to assign a student to attend a specified program for an amount of time equivalent to the student's absences (i.e., "seat time").

The attendance committee or principal, as applicable, shall consider the student's unique circumstances and, if necessary, shall impose other conditions for awarding credit or a final grade that permit the student to meet the instructional requirements of the class. Conditions may include:0)

1. Maintaining attendance standards for the rest of the semester.

2. Completing additional assignments, as specified by the committee or teacher.
3. Attending tutorial sessions as scheduled.
4. Completing other instructional programs, as specified by the committee.
5. Taking an examination to earn credit. [See EHDB]

In all cases, the student must earn a passing grade in order to receive credit.

Appeal Process

A parent or student may appeal the decision of the attendance committee in accordance with FNG(LOCAL).

1. Complaints concerning instructional resources shall be submitted in accordance with the EF series.
2. Complaints concerning a commissioned peace officer who is an employee of the District shall be submitted in accordance with the CKE series.

Complaints regarding refusal of entry to or ejection from District property based on Education Code 37.105 shall be filed in accordance with this policy. However, the timelines shall be adjusted as necessary to permit the complainant to address the Board in person within 90 calendar days of filing the initial complaint, unless the complaint is resolved before the Board considers it. [See GKA(LEGAL)]

Guiding Principles

Informal Process

The Board encourages the public to discuss concerns with an appropriate administrator who has the authority to address the concerns. Concerns should be expressed as soon as possible to allow early resolution at the lowest possible administrative level.

Informal resolution shall be encouraged but shall not extend any deadlines in this policy, except by mutual written consent.

Formal Process

An individual may initiate the formal process described below by timely filing a written complaint form.

Even after initiating the formal complaint process, individuals are encouraged to seek informal resolution of their concerns. An individual whose concerns are resolved may withdraw a formal complaint at any time.

The process described in this policy shall not be construed to create new or additional rights beyond those granted by law or Board policy, nor to require a full evidentiary hearing or "mini-trial" at any level.

Freedom from Retaliation

Neither the Board nor any District employee shall unlawfully retaliate against any individual for bringing a concern or complaint.

General Provisions
Filing

Complaint forms and appeal notices may be filed by hand-delivery, by electronic communication, including email and fax, or by U.S. Mail. Hand-delivered filings shall be timely filed if received by the appropriate administrator or designee by the close of business on the deadline. Filings submitted by electronic communication shall be timely filed if they are received by the close of business on the deadline, as indicated by the date/time shown on the electronic communication. Mail filings shall be timely filed if they are post-marked by U.S. Mail on or before the deadline and received by the appropriate administrator or designated representative no more than three days after the deadline.

Scheduling
Conferences

The District shall make reasonable attempts to schedule conferences at a mutually agreeable time. If the individual fails to appear at a scheduled conference, the District may hold the conference and issue a decision in the individual's absence.

Response

At Levels One and Two, "response" shall mean a written communication to the individual from the appropriate administrator. Responses may be hand-delivered, sent by electronic communication to the individual's email address of record, or sent by U.S. Mail to the individual's mailing address of record. Mailed responses shall be timely if they are postmarked by U.S. Mail on or before the deadline.

Days

"Days" shall mean District business days, unless otherwise noted. In calculating timelines under this policy, the day a document is filed is "day zero." The following business day is "day one."

Representative

"Representative" shall mean any person who or organization that is designated by an individual to represent the individual in the complaint process.

The individual may designate a representative through written notice to the District at any level of this process. If the individual designates a representative with fewer than three days' notice to the District before a scheduled conference or hearing, the District may reschedule the conference or hearing to a later date, if desired, in order to include the District's counsel. The District may be represented by counsel at any level of the process.

Consolidating
Complaints

Complaints arising out of an event or a series of related events shall be addressed in one complaint. An individual shall not file separate or serial complaints arising from any event or series of events that have been or could have been addressed in a previous complaint.

Untimely Filings

All time limits shall be strictly followed unless modified by mutual written consent.

If a complaint form or appeal notice is not timely filed, the complaint may be dismissed, on written notice to the individual, at any point during the complaint process. The individual may appeal the dismissal by seeking review in writing within ~~ten~~ 10 days from the date of the written dismissal notice, starting at the level at which the complaint was dismissed. Such appeal shall be limited to the issue of timeliness.

Costs Incurred

Each party shall pay its own costs incurred in the course of the complaint.

Complaint and Appeal Forms

Complaints and appeals under this policy shall be submitted in writing on a form provided by the District.

Copies of any documents that support the complaint should be attached to the complaint form. If the individual does not have copies of these documents, they may be presented at the Level One conference. After the Level One conference, no new documents may be submitted by the individual unless the individual did not know the documents existed before the Level One conference.

A complaint or appeal form that is incomplete in any material aspect may be dismissed but may be refiled with all the required information if the refile is within the designated time for filing.

Level One

Complaint forms must be filed:

1. Within 15 days of the date the individual first knew, or with reasonable diligence should have known, of the decision or action giving rise to the complaint or grievance; and
2. With the lowest level administrator who has the authority to remedy the alleged problem.

If the only administrator who has authority to remedy the alleged problem is the Superintendent ~~or designee~~, the complaint may begin at Level Two following the procedure, including deadlines, for filing the complaint form at Level One.

If the complaint is not filed with the appropriate administrator, the receiving administrator must note the date and time the complaint form was received and immediately forward the complaint form to the appropriate administrator.

The appropriate administrator shall investigate as necessary and schedule a conference with the individual within ~~ten~~ 10 days after receipt of the written complaint. The administrator may set reasonable time limits for the conference.

Absent extenuating circumstances, the administrator shall provide the individual a written response within ~~ten~~ 10 days following the conference. The written response shall set forth the basis of the decision. In reaching a decision, the administrator may consider information provided at the Level One conference and any other relevant documents or information the administrator believes will help resolve the complaint.

Level Two

If the individual did not receive the relief requested at Level One or if the time for a response has expired, he or she may request a conference with the Superintendent ~~or designee~~ to appeal the Level One decision.

The appeal notice must be filed in writing, on a form provided by the District, within ~~ten~~ 10 days of the date of the written Level One response or, if no response was received, within ~~ten~~ 10 days of the Level One response deadline.

After receiving notice of the appeal, the Level One administrator shall prepare and forward a record of the Level One complaint to the Level Two administrator. The individual may request a copy of the Level One record.

The Level One record shall include:

1. The original complaint form and any attachments.
2. All other documents submitted by the individual at Level One.
3. The written response issued at Level One and any attachments.
4. All other documents relied upon by the Level One administrator in reaching the Level One decision.

The Superintendent ~~or designee~~ shall schedule a conference within ~~ten~~ 10 days after the appeal notice is filed. The conference shall be limited to the issues and documents considered at Level One. At the conference, the individual may provide information concerning any documents or information relied upon by the administration for the Level One decision. The Superintendent ~~or designee~~ may set reasonable time limits for the conference.

The Superintendent ~~or designee~~ shall provide the individual a written response within ~~ten~~ 10 days following the conference. The written response shall set forth the basis of the decision. In reaching a decision, the Superintendent ~~or designee~~ may consider the Level One record, information provided at the Level Two conference, and any other relevant documents or information the Superintendent ~~or designee~~ believes will help resolve the complaint.

Recordings of the Level One and Level Two conferences, if any, shall be maintained with the Level One and Level Two records.

Level Three

If the individual did not receive the relief requested at Level Two or if the time for a response has expired, he or she may appeal the decision to the Board.

The appeal notice must be filed in writing, on a form provided by the District, within ~~ten~~ 10 days of the date of the written Level Two response or, if no response was received, within ~~ten~~ 10 days of the Level Two response deadline.

The Superintendent ~~or designee~~ shall inform the individual of the date, time, and place of the Board meeting at which the complaint will be on the agenda for presentation to the Board.

The Superintendent ~~or designee~~ shall provide the Board the record of the Level Two appeal. The individual may request a copy of the Level Two record.

The Level Two record shall include:

1. The Level One record.
2. The notice of appeal from Level One to Level Two.
3. The written response issued at Level Two and any attachments.
4. All other documents relied upon by the administration in reaching the Level Two decision.

The appeal shall be limited to the issues and documents considered at Level Two, except that if at the Level Three hearing the administration intends to rely on evidence not included in the Level Two record, the administration shall provide the individual notice of the nature of the evidence at least three days before the hearing.

The District shall determine whether the complaint will be presented in open or closed meeting in accordance with the Texas Open Meetings Act and other applicable law. [See BE]

The presiding officer may set reasonable time limits and guidelines for the presentation, including an opportunity for the individual and administration to each make a presentation and provide rebuttal and an opportunity for questioning by the Board. The Board shall hear the complaint and may request that the administration provide an explanation for the decisions at the preceding levels.

In addition to any other record of the Board meeting required by law, the Board shall prepare a separate record of the Level Three

presentation. The Level Three presentation, including the presentation by the individual or his or her representative, any presentation from the administration, and questions from the Board with responses, shall be recorded by audio recording, video/audio recording, or court reporter.

The Board shall then consider the complaint. It may give notice of its decision orally or in writing at any time up to and including the next regularly scheduled Board meeting. If the Board does not make a decision regarding the complaint by the end of the next regularly scheduled meeting, the lack of a response by the Board upholds the administrative decision at Level Two.
