BASE
BISON AFTER SCHOOL ENRICHMENT

Mission Statement:

To provide NBAS students an educational environment that exposes students to new ideas, develop new skills, and to build social and emotional relationships with peers and the community.

Vision Statement:

To foster new experiences in the arts, sciences, & athletics. Exposure to these enrichments in Elementary school increases the students' chances of trying new clubs and extracurricular activities in Middle and High School.

What's new this year?

- **Field Trips:** 4 this year, more to plan next year!
- Faster & more efficient pick up process at BASE – **The pick up window.**
- **Sports Enrichments:** This gives the opportunity for all students who want to try out a sport, try it with confidence and learn a few skills!
 - **Looking for coaches for sports:** Soccer, hockey, Flag football, Volleyball etc.

BASE Fun Run (color run)

5th Grade Farewell Trip

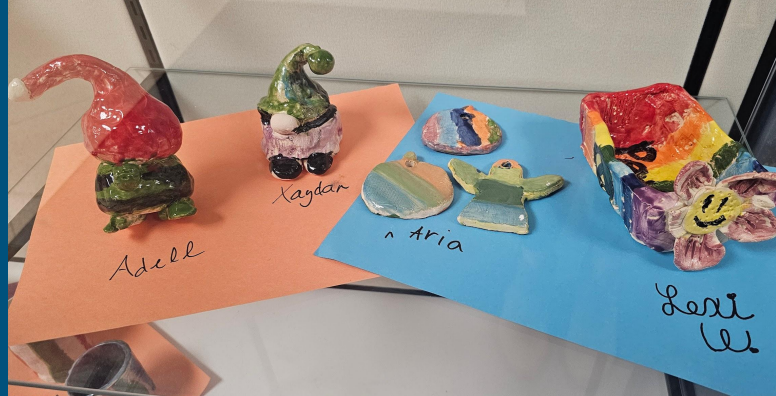

- Kindness Club plans this event for all of the 5th graders during 3rd trimester- Events we've done:
 - 5th grade Dance
 - Zao Island
 - Bowling trip (Glow bowling)
- Parents were welcome to attend, and a lot of them did!
- Parents like to be included in the after school events , and that increased the participation with the students this year.

A chance to try
new things

A chance to find a
new hobby...
