

Safety and Security Presentation

Bill Knight
Environmental Safety Manager
August 13, 2013

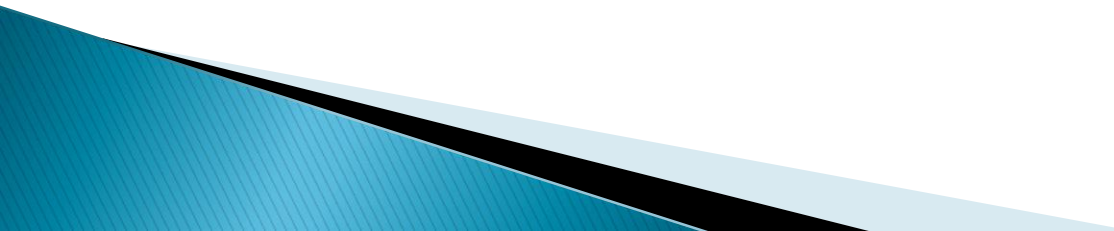

Security Audit Update

- ▶ 2013–2014 School year is the last in this 3–year audit cycle
 - ▶ 10 schools remaining (including Bettye Myers Middle School)
 - ▶ Will finish in February, 2014
 - ▶ Will report to School Board – Fall, 2014
- 

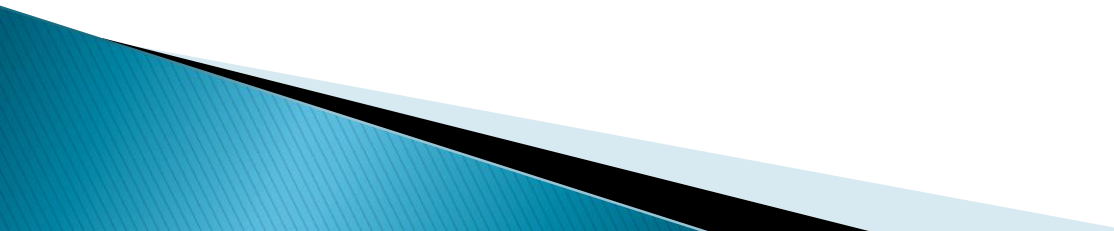

Physical Security Upgrades

- ▶ Strickland MS – Card access and secured entrance
 - ▶ Sam Houston Elementary – secured entrance
 - ▶ Card access on all campuses
 - ▶ Card access on all administrative buildings except for Special Education Building
 - ▶ Peepholes in solid doors and door bells at select After School Action sites
- 

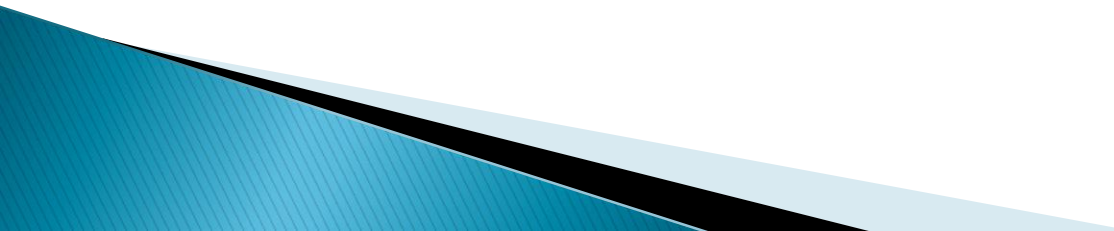

Future Security Upgrades

- ▶ Secured vestibule at Fred Moore HS in upcoming bond issue
 - ▶ Security fence at Newton Rayzor Elementary in upcoming bond issue
 - ▶ Standardize building visitor procedures throughout the district
- 

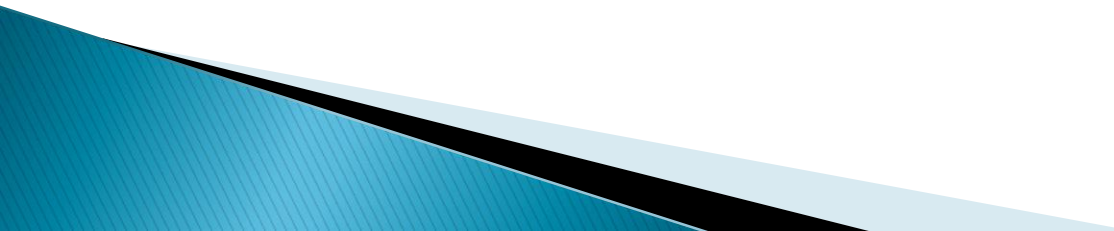

Mandatory Drills

- ▶ By September 1, 2013 each campus will submit dates to the Environmental Safety Manager for the following drills:
 - ▶ Communication Drill (performed before school starts)
 - ▶ Fire Drills (9)
 - ▶ Lockdown Drills (3)
 - ▶ Weather Safety Drill (1)
- 

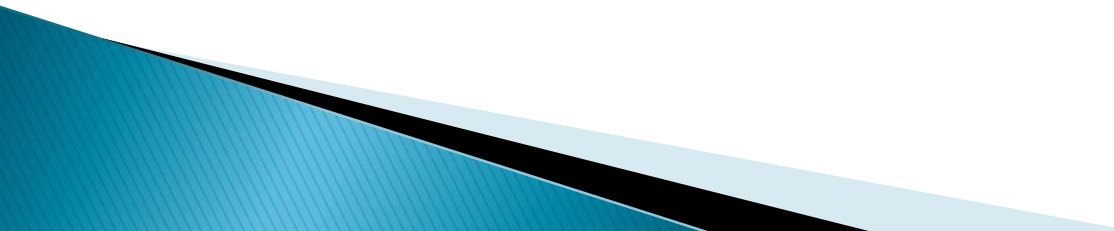

Mandatory Drills

- ▶ Shelter in Place Drill (1)
 - ▶ Bomb Threat Drill (1)
 - ▶ Site Evacuation Drill (1)
 - ▶ Reverse Evacuation Drill (1)
- 

Drill Results from 2012-2013

- ▶ Fire drills - 292
 - ▶ Lockdown Drills - 85
 - ▶ Weather Safety Drills - 32
 - ▶ Shelter in Place Drills - 30
 - ▶ Bomb Threat Drills - 22
 - ▶ Site Evacuation Drills - 26
- 

For the Future

- ▶ Will continue to emphasize drills that deal with “What is most likely to happen?”
 - ▶ Endeavor to make drills more realistic and spontaneous
 - ▶ Maintain adequate records
-
