Purpose of Report

To provide the Board of Trustees an overview of proposed attendance boundary modifications to Rodriguez Middle School and Navo Middle School. This will also establish the boundary modifications for Cheek Middle School.

Objectives

During recent attendance boundary discussions, the District explored the impact of future developments on the enrollment at Cheek Middle School. With current attendance boundaries, these future developments would have significant impact to enrollment capacity at Rodriguez Middle School and Navo Middle School. After review of demographic impact research we propose adjusting the attendance boundaries of Rodriguez Middle School and Navo Middle School.

Operational Impact

Operational impact is minimal at this time. Construction of Cheek Middle School is proceeding as scheduled and should be open by the 2023-24 school year.
