

## Hallsville Independent School District

### For the Consideration of the Board of Trustees

**Date of Board Meeting:**

**Topic:** PD-TxWARN Interoperability Radio Purchase

**Background and Rationale:**

TxWARN (Texas Wide Area Radio Network) is a regional public safety trunked radio system used by Texas agencies. It provides reliable, secure, and interoperable communication channels for first responders. Key features include interoperability, reliability, security, and scalability. Integrating with TxWARN allows the District to leverage an existing, proven infrastructure for critical communications and better coordinate with external responders.

The purchase of TxWARN interoperable radio equipment is a necessary investment in the safety and security of HISD. By providing reliable, immediate, and interoperable communication, these radios will significantly enhance our emergency response capabilities, protecting our school community and fostering a safer environment.

The total for this purchase will be \$80,460.80 and will be funded by the State SAFE 1 safety grant.

**Vendor Quotes:**

- Crosspoint Communications-MCA
- ShreveComm
- Indcom-Quote Attempt

**Relationship to Strategic Plan: Technology Director****Personnel Affected: District-Wide****Budget Implications:**

- ☒ Include in this year's budget
- ☐ Amendment of this year's budget required
- ☐ Increase in this year's budget required
- ☐ Expenditures required for next year's budget
- ☐ N/A

Signature  
(Person Bringing Information to the Board)

Superintendent's Signature

---

**Recommendation:**

We recommend purchasing the districts PD-TxWARN interoperable radios from Crosspoint Communications-MCA. They offer the best solution for our district's critical communication needs due to their TxWARN expertise, reliable equipment, comprehensive support, and competitive pricing. This investment is crucial for enhancing district safety and emergency response capabilities.

Tue, May 13, 2025 at 1:01 PM

Good afternoon,

My name is James Burt, and I am the Director of Technology for Hallsville ISD. Our Police Chief, Chief Miller, has requested that we procure radios compatible with the TxWARN Project 25 system to ensure state-wide interoperability.

I identified Industrial Communications on the State's Department of Information Resources (DIR) list and would like to inquire if your company would be interested in providing Hallsville ISD with a quote for these radios. We anticipate utilizing SAFE Grant funds for this procurement.

Please let me know if this is something you can assist with and what information you would require from us to generate a quote.

Thank you for your time and consideration.

Sincerely,

James Burt

Good afternoon,

We would be happy to provide a quote for this under DIR. If you can please provide more details on the radio model, bandwidth, requirements, that would be helpful.

Thank you so much,

Amy Gollinger

Tue, May 13, 2025 at 1:25 PM

That would be great. Here are a few product numbers I have gotten from Hallsville PD.

We will need a quantity of 10 of them.

H91TGD9PW6AN - APX 8000  
PMNN4486A - IMPRES 2 Battery  
PMMN4136BTAA - Remote Speaker-Mic  
LSV00Q00202A - Device Programming  
NNTN8860ATAA - Single Unit Charger

Our district PD is requesting interoperability with Longview PD/FD on the 700/800 MHz P25 Phase II Texas Wide Area Radio Network.

I hope this is enough information.
