## **ADMINISTRATOR'S REPORT**

Mrs. Lopez Angelo gave an update on Board Goal 1: By the end of the 2025–2026 school year, 80% of staff will consistently use identified essential standards to plan and deliver instruction, as measured by lesson plans, classroom observations, teacher self-assessments, and common formative assessment data collected and analyzed in Professional Learning Communities (PLCs).

Mrs. Lopez-Angelo introduced Amargosa Schools Principal Amanda Arceo for the Amargosa School spotlight. Mrs. Arceo highlighted Amargosa Valley Elementary and Middle Schools. Principal Arceo focused on the schools' strategic efforts to enhance campus culture through "Student Connectedness" initiatives: Amargosa Valley Elementary (AVES): Strategic Goal: Achieve 100% student participation in at least one structured cross-grade collaborative activity per quarter. Culture Objective: Foster positive peer-mentoring behaviors to increase the overall sense of belonging by 10%. Data Profile: Current baseline data shows a 94% sense of belonging in grades K-2 and 77.6% in grades 3-5. Amargosa Valley Middle School (AVMS): Strategic Goal: Facilitate 100% student participation in two quarterly activities designed for cross-grade integration and "clique-bridging."
