**SUBJECT:**

Consideration of Approval of an Interlocal Agreement with the City of Mesquite on Behalf of the Mesquite Fire Department for Emergency Medical Services Training

**RECOMMENDATION:**

The District President recommends approval of the proposed Interlocal Agreement with the City of Mesquite on behalf of the Mesquite Fire Department for Emergency Medical Services Field Training.

**RATIONALE:**

Collin College offers education and training in Emergency Medical Services. Students participating in emergency medical services (“EMS”) education and training must complete internship shifts that may be eight (8), twelve (12) or twenty-four (24) hours, as appropriate.

The Mesquite Fire Department will provide students with an educational opportunity to observe how EMS staff respond to emergency calls in their mobile units as part of the Texas Department of State Health Services’ (“TDSHS”) requirement for such experience to be certified by TDSHS.
