

## Governing Board Agenda Item

---

Meeting Date: May 14, 2026

From: Thomas Bogart, Chief Financial Officer

Subject: FY27 Marana High School Teenage Parent Program (TAPP)/Preschool Tuition Rates

Priority: To plan for future needs in a proactive, accountable manner

Consent  Action  Discussion

---

### Background:

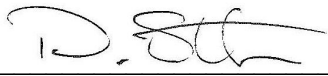

Marana Unified School District has operated a Teenage Parent Program (TAPP) since the early 2000's. The program is primarily funded by tuition and grants. As a cash-controlled account, the program must remain solvent at all times.

The current tuition rate is less than market value; and due to budget constraints related to staffing costs and low enrollment, it is recommended that the District increase the tuition rate for FY27 as seen below:

- Current Full-Time Rate: \$121/week
- Current Part-Time Rate: \$73/week
  
- Proposed Full-Time Rate: \$150/week
- Proposed Part-Time Rate: \$100/week

### Recommended Motion:

I move that the Governing Board approve the tuition rates for Marana High School's Teenage Parent Program (TAPP)/Preschool Tuition Rates beginning in the fiscal year 2026-2027.

Approved for transmittal to the Governing Board:   
Dr. Daniel Streeter, Superintendent
