THOUGHTS

Key Thoughts

Extended hours that fit a teachers schedule Since we are teachers we need to be at school for the student during school hours and wellness centers are closed when schools are closed. 4.7  (26 )
Ranked #1 of 642

Lower cost

4.6  (27 )
Ranked #2 of 642

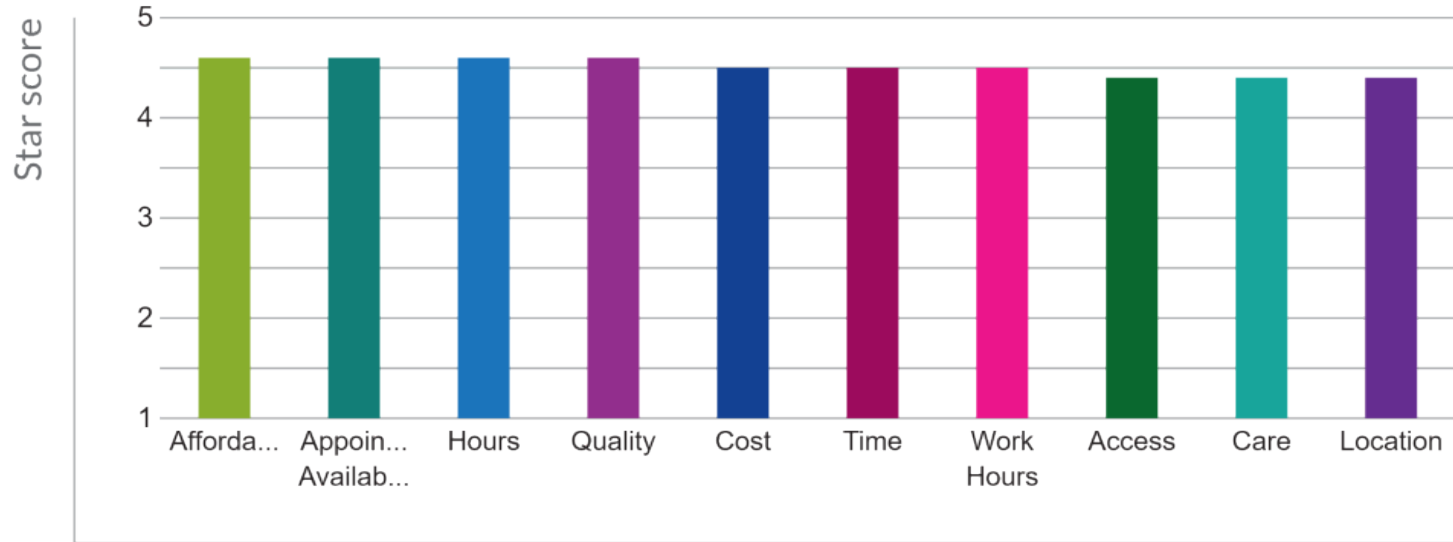

That the wellness center has robust hours of operation so that it is accesible to employees outside of work hours. Teachers don't always want/need to take a day off to seek wellness care.

THOUGHTS

Affordable

Must be affordable

affordability flexibility

Affordable That's obvious.

4.6  (25 )

4.6  (25 )

4.5  (25 )

THOUGHTS

Appointments Availability

I would like to be worked in for an appointment the same day I call or the next day. When I am sick I need to see a doctor before I get worse. 4.6  (22 )

Availability of appointments, after hours/weekends Ability to see doctor without missing work 4.5  (25 )

Being able to get an appointment easily It would do no good if we can't get in 4.5  (25 )

THOUGHTS Hours

Extended hours that fit a teachers schedule Since we are teachers we need to be at school for the student during school hours and wellness centers are closed when schools are closed. 4.7  (26 )

That the wellness center has robust hours of operation so that it is accesible to employees outside of work hours. Teachers don't always want/need to take a day off to seek wellness care. 4.6  (27 )

Proximity and open hours Convenience and time 4.6  (26 )

THOUGHTS Quality

Quality care While convenience/ease of accessibility is an issue given our schedules, I don't want to sacrifice quality care for the sake of ease.

4.6  (26 )

quality of physician/practitioner

4.5  (26 )

Low Cost, High Quality Availability so I don't use sick days needlessly

4.4  (24 )

THOUGHTS

Cost

Lower cost

4.6  (27 )

Low cost. Simple things like getting a sonogram is \$500. If it is important and your doctor says you need it then it should not cost that much.

4.6  (25 )

low cost healthcare the ability to get a quick visit

4.6  (25 )

THOUGHTS Time

Cheaper Flexible times

4.5  (26 )

easy to make appt/ same day appts missing the least amount of school time as possible

4.5  (24 )

I would like to be able to get medical treatment at a time that won't interfere with my teaching duties, without having to wait weeks for an apptmt. When a medical need arises, I hate having to choose between getting timely treatment and taking off from work.

4.5  (19 )

THOUGHTS

Work Hours

Hours that work for us That's all that keeps me from going

4.6  (25 )

Later hours so you don't have to pull children out and go to doctors office It is important in 2 regards. You miss work, Student misses school Work M-F . Most Docs closed weekends

4.5  (25 )

Being able to do blood work and a well visit in one place. Saves time.

4.5  (24 )

THOUGHTS

Access

Access and availability. Efficient use of time.

4.5  (26 )

Regular checkups, physicals, bloodwork, minor sicknesses, access daily medications, antibiotics convenience to employees, easy access to doctors, accessible after hours schedule. City of Denton has a Wellness Center and the employees love it!!

4.5  (23 )

lower cost easy access when necessary

4.5  (23 )

THOUGHTS Care

Cost for any services offered should be significantly less than what we currently pay for with our own Primary Cares so we may consider using them

4.5  (25 )

Low cost, affordable care for my whole family. It would make it easier to be seen and get well when sick.

4.5  (25 )

Low cost/free primary care visits with convenient hours Hard to find a primary care physician in network. It would be helpful to have one dedicated to district employees during these uncertain times

4.5  (25 )

THOUGHTS

Location

needs to be a central location or more than one to serve all of the district

Location and hours available for people to use.

Cost Location
