SUBJECT: Authorization to Pay Bills and Hire Staff during the Summer

DATE: May 26, 2020

With the Board of Education holding only one Board meeting a month during the summer of 2020, administration is requesting that during the June 16, 2020 Board meeting, the Board grant administration the authority to pay summer bills prior to Board approval. This will ensure that all bills are paid on time and no penalties or interest is incurred.

In addition, administration is requesting that the Board grant them the authority to hire staff for open positions between Board meetings, if needed. This will ensure that District 97 can offer positions to the best qualified staff before the start of the school year without delay. All new hires and expenditures will be included on the next Board agenda and provided for the Board's review.
