

Dear Friends of District 66

I am writing you to formally notify you of my resignation from my position as paraprofessional on Oct. 22. I have been honored to work with an incredible group of people. I am grateful for the opportunities it has brought as well as working with the rest of the team. My decision to leave wasn't easy but I had been blessed with a career opportunity with more of my creative background that I couldn't pass up. I felt this door would not be open again and I felt the need to pursue my professional goals.

I am so grateful to have worked with a great team at Prairieview. Principal Little could not be a better person to work with. When I came in wanting to help he was so helpful and understanding to get me in as part of the team. There was a paraprofessional named Anna who always checked in and always asked how things were going and I appreciate her for all her help. Ms. McGill is a TRAILBLAZER. For being fresh out the gate from school and it being her first year teaching I think she is AMAZING! Ms. Rost as well, I enjoyed working with her so much. She is so great at what she does and always made me feel welcomed. And last but not least Mrs. Miller and her para team for welcoming me in and being part of her room with the most WONDERFUL kids. It was here where I experienced the most growth. ❤️

Truly thankful and appreciative. I wish all the staff the best of luck in their future.

Peace and Love,

Jacquie Caniano
