Subject: Approve bid for the purchase of petroleum products.

Rationale: Each year HISD solicits bids for petroleum products. We received one bid from our long time business partner, Dixie LP-GAS, Fuel-Mart. Oil will be again at 10% above cost with gasoline and diesel at \$.05 above cost. Attached is a copy of their bid with additional advantages of being a partner with Fuel-Mart.

Recommendation: Approve the bid from Dixie LP-Gas, Independent Oil Company – Fuel-Mart for petroleum products for the 2018-2019 school year.
