

21st Century/Ee-Kah-Ki-Maht Summer Learning Program

Board Report June 2024

The 21st Century/Ee-Kah-Ki-Maht Summer Program will be offering services for the following months June and July the program's is located at BHS/BMS/Vina Chattin School Grades K-12th Grade. Our Program is based on STREAM Experiments/Activities (Science, Technology, Reading, Arts & Math) lots of recreational activities throughout the week in collaboration with summer school.

Here is some of the activities that will be offered.

*Lava*Volcano making *Playdough *Paper Rockets *Skittles Experiment *Kite Experiments *Boat Experiment

- Cultural Activities – Beading (age/grade appropriate) Painting, Ribbon skirt/shawl making and cultural walking field trips and concho belt making.
- Art's and Craft's projects ranging from drawing, coloring, building towers and painting projects.
- Swimming
- Bike Rides
- Exercising – daily exercising
- Google Earth – Virtual Tours of historic places from around the world.
- Drones – Intro to learning to fly drones.
- Star Lab
- Native Games
- Weekly Field Trips

The 21st Century Summer Program recently visited Giant Springs State Park and the Children's Museum in Great Falls, Mt.

EE-Kah-Ki-Maht will be hosting a variety of tournaments this summer TBA.

All the 21st Century/Ee-Kah-Ki-Maht Staff are excited to be back with the students during the summer season again. We hope all our participants are having a great summer and will be looking forward to lots of fun activities coming soon.

Sincerely,

Heidi Bull Calf
Student Activities Coordinator
