#### SPOTLIGHT a TEACHER:

Pre- K teacher, Mrs. Pineda, is our spotlight teacher for December. She is allowing students to engage other students in their learning by helping be THE TEACHER. Pre-K students love learning. Those who believe they can achieve will try harder on tasks. The highly engaged learner believes that outcomes are related to their own actions. Students are more likely to work hard when they, rather than outside forces, control the results. Mrs. Pineda is teaching students to be confident individuals. Great job Mrs. Pineda!
