Subject

2024-2025 TAPR Annual Report and Public Hearing and HB3 Goal Review

Background Information

Texas Education Code §39.306 requires each district's Board of Trustees to publish an annual report that includes the PDF Texas Academic Performance Report (TAPR), campus performance objectives, district accreditation status and any distinction designations awarded, the district's current special education compliance status, information on violent or criminal incidents and prevention policies, and information on the performance of the previous year's graduates in their first year of college, as reported by the Texas Higher Education Coordinating Board (THECB).

The board of trustees must hold a public hearing to discuss the district's annual report within 90 days of receiving the PDF TAPR. Property owners, parents, and others in parental relationship to students must be notified of the hearing. The notice must clearly state the date, time, and place of the hearing and explain the nature of the hearing.

At the regular January Board meeting, the Weatherford Independent School District Annual Report will be presented to the Board, and a public hearing on the report will be conducted.

After the hearing, the District will upload the TAPR to the district website and copies of the report will be distributed throughout the district.
