## APPLICATION

Updated April 2022

## Optional Flexible School Day Program (OFSDP)

2022-2023 School Year

**ELIGIBLE APPLICANTS:** The Texas Education Agency (TEA) will make available to eligible school districts and open-enrollment charter schools an application form that must be completed and submitted annually to the TEA for approval.

## Definition of Program Provisions

### Eligible Students

A student in any grade level is eligible to participate in an OFSDP authorized under the TEC, §29.0822, if the student is:

- at risk of dropping out of school, as defined by the TEC, §29.081,
- attending a campus implementing an approved innovative campus plan,
- attending a TEA-designated ECHS as defined by the TEC, §29.908, P-TECH, or ICIA,
- attending a community-based dropout recovery education program, as defined by the TEC, §29.081(e-1) or (e-2), or
- not meeting attendance requirements under the TEC, §25.092, resulting in denied credit for one or more classes in which the student has been enrolled.

### AND

There must be an agreement in writing to the student's participation:

- by the student, if the student is over 18 years of age; or
- by the student and the student's parent or person standing in parental relation to the student, if the student is less than 18 years of age and not emancipated by marriage or court order.

### Assessment

The student must take the required state assessments specified under the TEC, §39.023, during the regularly scheduled assessment calendar.

### Participation in University Interscholastic League (UIL)

A student enrolled in an OFSDP under the TEC, §29.0822, may participate in a competition or other activity sanctioned or conducted under the authority of the University Interscholastic League (UIL) only if he or she meets all UIL eligibility criteria.

### Attendance Credit

A student attending an OFSDP under the TEC, §29.0822, may be counted in average daily attendance (ADA) for purposes of funding under the TEC, Chapters 46, 48, and 49, only for the actual number of contact hours the student receives, not to exceed 720 hours or 43,200 minutes per 12-month period. **Students enrolled in the traditional program for part of the year and the OFSDP program for part of the year may not earn more than one ADA.**

### Board Approval

The board of trustees of a school district must include the OFSDP as an item on a regular agenda for a board meeting. Board of trustees of a school district must discuss the progress of the program before approving the program and applying to operate an OFSDP (see Appendix Two).

## **Continuation or Revocation of Program Authorization**

Applications are approved for a period of one (1) school year. Continuation of the approval for the OFSDP will be contingent on the demonstrated success of the program. Determination of success will include a review and analysis of data provided in the mandatory final progress report(s). The commissioner of education may revoke authorization for participation in the OFSDP after consideration of relevant factors, including performance of students participating in the program on assessment instruments required under the TEC, Chapter 39; the percentage of students participating in the program who graduate from high school; and other criteria agreed to in the application and adopted by the commissioner of education. A decision to revoke approval of the program by the commissioner of education is final and may not be appealed.

## **Reporting Requirements**

Following approval of the application, the applicant may be required to submit progress reports based on criteria selected by the applicant and agreed to by the commissioner. When requested, reports will require applicants to disclose the overall progress of the students in the program, the number of students enrolled in the program (disaggregated by ethnicity, age, gender, and socioeconomic status), the number of students graduating from high school (disaggregated by ethnicity, age, gender, and socioeconomic status), and additional criteria selected by the applicant and agreed to by the commissioner. The TEA will provide notice to applicants and additional instructions for completion of reports at least 45 days before the date a report is due, or as soon as possible, in order to give school districts and charter schools adequate time to prepare and submit the reports to the TEA. The TEA may request additional reports as necessary to monitor and assess progress of students participating in the program.

## Appendix Three

### Attendance and Compliance Procedures of Proposed Program

The definition of terms of the application applies to this Appendix Three, Attendance and Compliance Procedures of Proposed Program. The school district or open-enrollment charter school hereinafter called “district” does hereby certify and agree to the following conditions of the agreement.

**Page limit: Submit a separate PDF document to concisely provide the information below, labeled with the corresponding number, for Appendix Three. All information requested must be included with this form and should be reviewed by the District PEIMS Coordinator prior to submission.**

1. Describe the program goals and objectives.
2. Indicate the proposed schedule offered to students participating in the OFSDP, including days of the week and times.
3. Provide an outline of staff positions and resource personnel (teachers, administrators, counselors, support staff, etc.) associated with the program. Include contact hours each staff position will be obligated to the program.
4. Describe the procedures for identifying students, including how the school confirms and documents student eligibility and obtaining student and parental consent for OFSDP participation.
5. Indicate the estimated number of OFSDP students that will be served per teacher.
6. **If** the OFSDP program will offer special education, career and technology education, pregnancy related services or bilingual education, indicate how services will be provided, the teacher certification standards in each program area, and how services will comply with the Student Attendance Accounting Handbook.
7. OFSDP requires a teacher of record to record the actual number of students’ instructional minutes on any given day. Explain the following:
  - a. How the classroom teacher will verify the number of instructional minutes a student receives each day.
  - b. How the district will make sure that minutes for students who did not attend a minimum of 45 minutes on a particular day are not reported for funding.
  - c. How the district will ensure that students transferring from the traditional program (ADA Codes 0-6) to OFSDP (ADA Codes 7-8) will not generate more than one ADA in total for the school year and that students will not receive more than 10,800 minutes per course. It is recommended that the district apply the following formula to determine the maximum OFSDP minutes a student is eligible = (Calendar School Days - Traditional Days Present) x 240.
  - d. How the district will ensure that students are not coded in a traditional program on the same day that the student is accumulating OFSDP instructional minutes.
  - e. How the district will ensure that attendance practices and records comply with Sections 2.2.3 and 11.6 of the Student Attendance Accounting Handbook.
  - f. How Student Detail Audit reports for the OFSDP track will be reviewed and certified each six-week attendance reporting period.

**NOTE: absences and days present do not exist in the OFSDP**

8. If eligible OFSDP students participate in a credit recovery program offered in the summer, funding is limited to the attendance necessary for the student to recover class credit. Please describe how attendance will be monitored to ensure additional minutes are not reported for funding.
9. **If** students are attending a community-based dropout recovery education program offered online as defined by TEC, §29.081 (e-2), must include the following:
  - a. Describe the curriculum credentials, certifications, or other course offerings that relate directly to employment opportunities in the state.
  - b. Describe the individual learning plan or process used to monitor each student's progress.
  - c. Indicate how students will be served by an academic coach and local advocate.
  - d. Indicate the date of the month that monthly student progress reports will be provided to the student's school district.
  - e. Describe the educational software utilized and explain how the software will track and certify the number of instructional minutes each student receives each day.
