News from the Principal

Hello Applegate Families!

Hard to believe October is over and we are welcoming in November. Thanks to all who helped and came to our annual Harvest Festival. It was a success and is always so great to see families out together having a good time.

Many wonderful events and activities are planned for this month. Our weeks are full with instruction in the classroom, field trips, after school activities. Please remember to check out our school website. There you will find our event calendar, teacher pages with homework assignments, links to student council, technology and more. If you have suggestions please give us a call.

Thank you all for your continued support getting your students to school on time and supporting them with homework and all the additional activities! It really does make a difference when we are all working together.

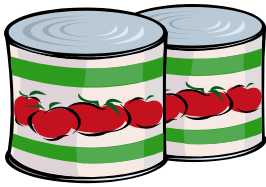

CONGRATULATIONS to our cross country team, McKenzie, Shelbie, Tanner and Josiah and our volleyball girls, Ashley, Randi, Cody, Melody, Autum, Sofi and Klara!!! They worked hard, played with heart and all do so very well. A special thanks to Rene' Miller and Alanna Garcia for coaching our kids. It takes a lot of time, energy and care to coach, THANKS LADIES !!

Thank you to Seana Hodge for taking on the coordination of our SMART program this year. SMART is a wonderful program for our K-3 students to get them reading! Thanks to all the volunteers that come each Tuesday afternoon to read with kids. If you are interested in volunteering, we need more readers so give the school a call and we can put you to work with a few wonderful students.

Can Food Drive

Our Student Council will be having their annual can food drive. The dates are November 2nd to the 20th. Make sure food is non-perishable . Classes are in competition. The winning class will receive our school SPIRIT STICK and a SURPRISE!

Adverse Weather Procedures

Here we go , another Winter! For those new folks, this is what usually happens.

You may listen to the radio stations first thing in the morning, most of them will start announcing late starts, closures, or any other decisions made by the powers at be by 6:00 a..m.

The radio stations are KLDR 98.3 FM, KAJO 1270 AM, KRWQ 99 FM, KRRM 94.7 FM

Also local TV channels 5, 10,and 12 morning news usually follow up with radio news. If you are a real early bird, you can check our web site out as they usually post something by 5:00AM.

If the weather is bad enough, three things could happen:

1. Delay Start 1-2 hours
2. Straight line bussing route
3. Might close one or more schools for all day

We try to have someone in our office as soon as we can. Feel free to call here if you have any questions.
