Re: Approve Agreement with Winfield Teachers' Association

Recommendation:

It is the recommendation of the Superintendent to approve the 4 year agreement with the Winfield Teachers' Association through the 2028-29 school year.

Background Information:

This is a 4 year agreement with the Winfield Teachers' Association covering certified teaching positions. Key efforts were made to revise compensation to be in closer alignment with DuPage county elementary school districts, develop a new stipend pool process to support extracurricular learning opportunities and provide clarity to the structure of the work day.
