

PINECREST ACADEMY FAYETTEVILLE K-12

The core philosophy and vision of Pinecrest Academy Fayetteville is reflected in a learning environment which allows students to learn and progress at their individual pace. Our vision encompasses setting high standards and supporting students through the process of achieving these standards to foster an environment of success. Teachers adapt their instructional strategies to meet the individual styles of each student.

PINECREST INNOVATIVE PROGRAMMING

PROJECT LEAD THE WAY

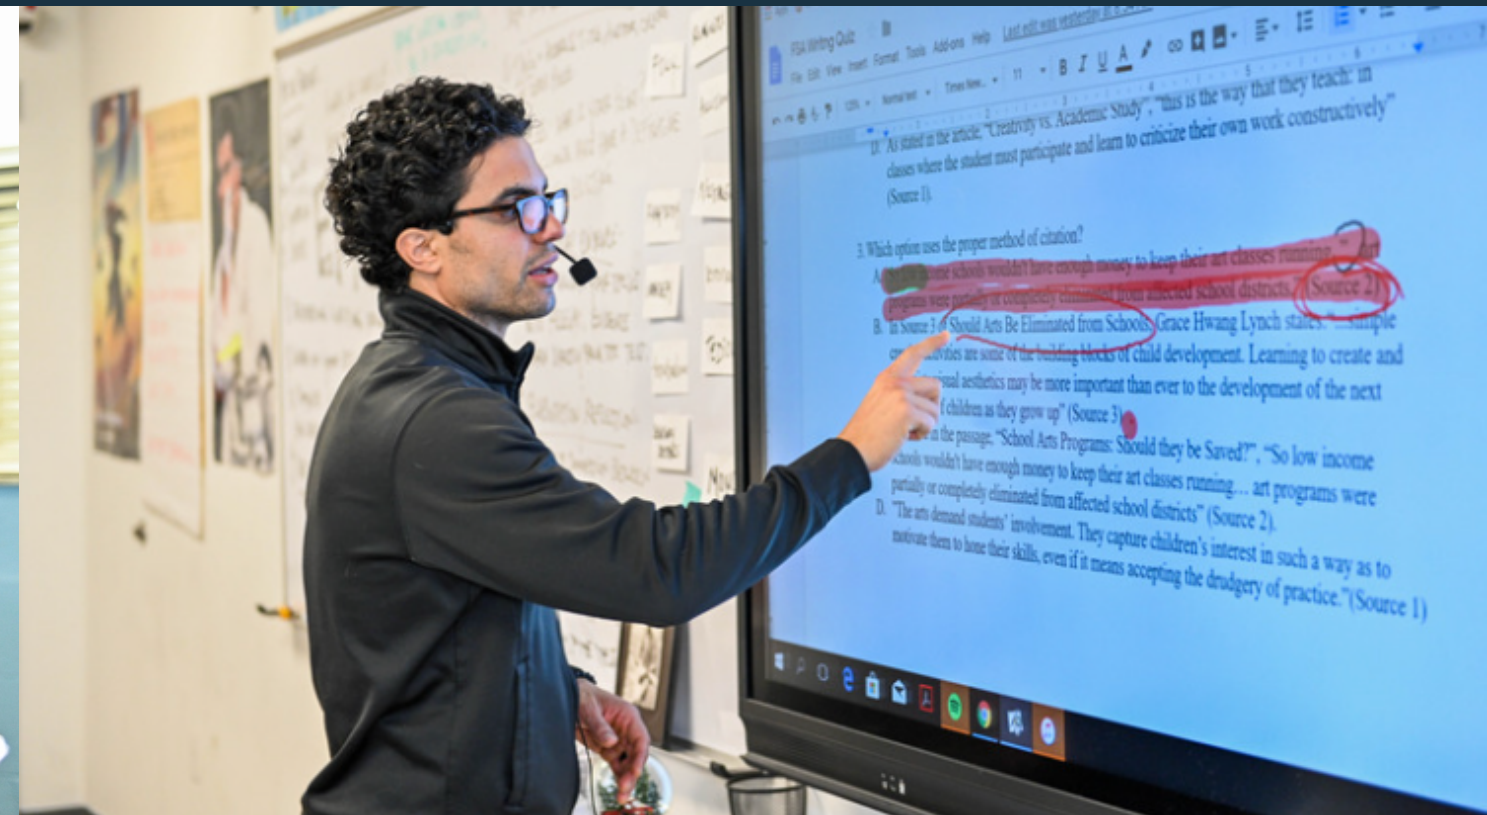

Nation's leading provider of STEM programs. PLTW was developed to work with current national standards.

PLTW Launch is the Kinder through 5th grade program where students become problem solvers. Students are exposed to engineering and critical thinking.

PLTW Gateway (6-8) opens paths that create meaningful futures. It connects students to careers in areas they can, and can't, imagine.

PLTW High School Pathways | Computer Science | Engineering | Biomedical Science

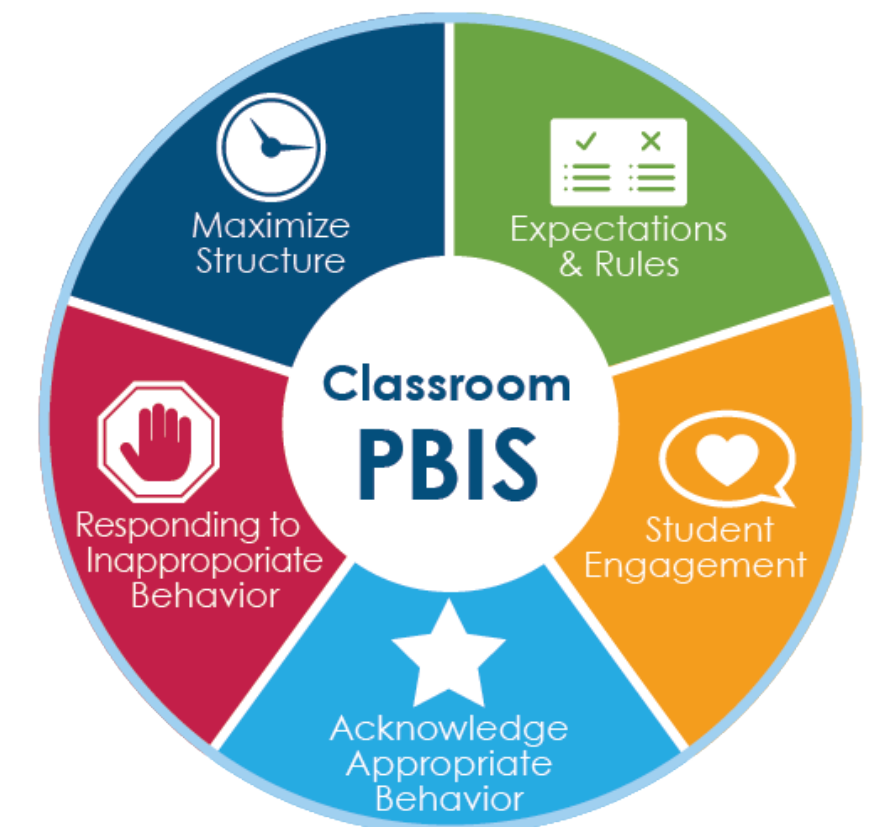

PINECREST INNOVATIVE PROGRAMMING

POSITIVE BEHAVIORAL SUPPORT (PBS) MODEL

Team based, systematic approach in teaching behavioral expectations throughout the school. All students at Pinecrest Academy are expected to be safe, responsible and respectful.

Program elements at the secondary level include SpringBoard, a CollegeBoard curriculum, which provides an instructional loop that begins with the CollegeBoard Standards for college success to ensure all students are prepared for AP high school and college level courses.

Thank you!
