1. Open Campus Changes for 2020-2021 School Year
  - a. The Site Team and I have created new expectations for students who have open hours during the school day. These expectations will be placed in the student handbook and given to students during their back to school information sessions. Please see the document titled [Open Hour Policy](#).
  
2. Students in the class of 2020 earned a total of 1,220 college credits through the College in the Schools (CIS) program. This will save them and their families at least \$280,600 in tuition costs!
