CPI Registration

Crisis Prevention Institute remains committed to the Care, Welfare, Safety, and Security. Sessions will be held in accordance with the MDH and CDC Public Health Guidelines. Details on session procedures and processes will be sent to participants in early August.

The Nonviolent Crisis Intervention® training program, both initial and refresher, will emphasize the importance of early intervention and non-physical methods for preventing or managing disruptive behavior. CPI's disengagement skills are also demonstrated and practiced in this seminar to prepare staff to safely remove themselves and others from a dangerous situation. Content has been modified from last year's sessions to incorporate current practices. Contact Jeri or Jeremy for details.

Please use this form to register participants for CPI training in August of 2021. The full training will be held all day Monday, Aug 16th and 8 am to Noon on Tuesday the 17th of August.
Refreshers will be held on the 17th and 18th of August. See the registration below for specific times.
