AGENDA ITEM: 12.2

TOPIC: Bond Election

BACKGROUND: At the March 31, 2011 School Board meeting, Member Bresin moved to authorize administration to produce a bond recommendation based on the work of the gap analysis report. The School Board would review the recommendation and consider a possible bond referendum in March 2012.

PROCESS: The buildings and grounds committee reviewed the gap analysis report and concluded that the needs listed still exist and that the cost of the items listed, in general, are accurate. Administration reviewed the gap analysis report and concurs with the buildings and grounds committee.

RECOMMENDATION: Even though the needs still exist that are identified in the gap analysis report, administration recommends the School Board does not authorize a bond referendum for March 2012.
