

Action Item

Summer School Program Grades 6-8 2004-2005

Summer School Program options were introduced as a discussion item to the School Board on February 8th in a Special Board Workshop. The Board expressed an interest in the following two options to be presented in the next Board Meeting, March 29th:

Option 1

Tuition/Deposit Based Program

The students will pay tuition for entry to the Summer School Program.

The tuition will be refunded if the student successfully completes summer school and maintains a 92% attendance rate (3 absences maximum allowed). The refund procedures will be developed by the Finance office. A waiver of tuition will be extended for extenuating circumstances as determined by the summer school principal and home campus principal.

Courses	Tuition	Free and Reduced
One course	\$100.00	\$65.00
Second Course	\$50.00	\$20.00
Third Course	\$50.00	\$15.00

Location	To be determined
Registration and Staff Training	June 6-9 th
Summer Session (5 weeks of instruction=24 days)	June 13-July 15 (Monday through Friday)
Instructional Contact Hours 8:00 a.m. - 12:00 p.m.	24 days x 4 hours = 96 hours
Instructional Design	Students will take the academic core areas that they failed. Student will only pay tuition for the failed courses. A TAKS Reading, TAKS Math and computer course will be offered. The student's TAKS scores will determine if the student takes TAKS Reading, TAKS Math or the computer course.
Transportation	ECISD will provide transportation.
Discipline	3 tardies = 1 absence Students will be dismissed on the third absence from summer school (92% attendance rate).

Issue to Consider:

- A Monday through Friday program requires that transportation, food service and administration be on duty as well. Summer hours will change for ECISD.

Option 2

Option 2 is like Option 1 except for a Tuition Free Summer School Program.
