Introductions

Review of our Purpose, ORS-329.704

Boys and Girls Club:

Club attendance has dropped due to spring sports and these last few weeks that kids have had to quarantine.

Two Club members in our 3/4 cohort have been dropped because their sports practice/game schedule conflict with Club, which is fine. I would prefer kids being active as much as possible. Tammie has been informed and one of the spots has already been filled with a previous Club kid.

We are currently working on our Summer Program which will begin June 14. Summer hours are Monday-Friday; 8 a.m.-5 p.m. The cost is \$50 per child per week and we are looking at serving 2nd-7th/8th grade. Most of our spots are filled, with a few left open. We will begin advertising soon, some small details have to be worked out.

Currently I am looking to fill two more staff positions for the summer.

If you need any other information please let me know.

I will be out of the office until May 25th.
