Executive Summary

Brief Description of Planning and Service Area

Area Agency:

The Northeast Michigan Community Service Agency (NEMCSA) is a private, non-profit Community Action Agency and is part of the state and national network of Agencies on Aging (AAA). NEMCSA is the applicant agency; the Region 9 Area Agency on Aging provides the services. The core service area of the agency consists of 6,300 square miles that includes 11 northeastern counties: Alcona, Alpena, Arenac, Cheboygan, Crawford, Iosco, Montmorency, Ogemaw, Oscoda, Otsego, and Presque Isle. Region 9 also provides services in one additional county (Roscommon) bringing the total service area to more than 6,800 square miles. The central office is located in Alpena. The agency incorporated in the fall of 1968. Services for older adults began in 1973 with the offering of a congregate meal program. The following year, the agency was designated as an "Area Agency on Aging" and received \$1,500 per county to provide services. A required element to achieve the designation "AAA" was that the organization had to be a single unit within a multi-purpose agency. The multi-faceted divisions and programs of NEMCSA made it the perfect agency for such a designation . The designation must be renewed through board action every three years.

NEMCSA is divided into five programmatic divisions: 1) Client Services; 2) Early Childhood Education covering 21 counties (Head Start and Early Head Start); 3) Community Development; 4) School Success Partnership; and 5) Region 9 Area Agency on Aging (AAA). These divisions serve the region with a variety of programs that have different eligibility criteria and service areas. NEMCSA's central accounting, human resources, clerical, and information management staff support all program areas including the AAA. Established under the Older Americans Act of 1965, each Area Agency on Aging is charged with the responsibility of preparing a multi-year plan that fosters a comprehensive, coordinated system of service for older persons in its planning and service area (PSA). Region 9 Area Agency on Aging (AAA) is designated by the Aging and Adult Services Agency of the Michigan Department of Health and Human Services to serve the above-mentioned counties.

Agency Mission:

NEMCSA's mission is "Enhancing quality of life by empowering individuals and strengthening communities." Upholding and extending further, the AAA's mission is "to promote lifelong independence and dignity for all individuals and to assist the aged and disabled in meeting that goal." To carry out this mission, the agency brings together federal and state grant funds, as well as dollars from local, private, and public sources. These resources are directed into programs that aid the poor and disadvantaged throughout the age spectrum, from infant to the elderly. The funds include targeted dollars directed at specific problems as well as dollars that are more flexible in nature. NEMCSA's vision is "Every person is empowered to achieve their fullest potential."

The AAA is recognized by the local communities throughout Region 9 for providing services to persons with disabilities and older adults age 60 and above; it has centralized administration and a coordinated approach -- there is no unnecessary duplication of services throughout a large geographic area; its staff are highly qualified, highly experienced, knowledgeable, educated and equipped to address service needs. Region 9's rural communities are collaborative in nature - one of its greatest strengths. The large rural/remote service area, ever increasing numbers of older adults, adequate funding to provide services, technology gaps, a declining

AGING AND ADULT SERVICES AGENCY

FY2020-2022 Multi Year Plan

FY 2022 Annual Implementation Plan

Northeast MI Community Services Agency, Inc

FY 2022

employment pool of workers and not enough workers choosing "aging" in home care fields as a profession are the biggest challenges. To overcome these, the AAA seeks opportunities for collaboration with other agencies and organizations. According to Data USA: 2018, Michigan's average age is 39.8 years; however, all of Region 9's twelve counties exceed the state average (median age is 48.6 years). In addition, the 2019 U.S. Census projections show that 17.7% of Michigan's population are adults 65 and older -- Region 9's average population of adults 65 and older is 28.6%. A growing number of older adults mean that the AAA will continue to provide vital services to an aging population throughout the service area.

Primary Focus for FY 2021-2022:

Although a variety of services are provided through the funding received and subcontracted to various partners (including the councils/commissions on aging), the five programs identified as focus areas are: Personal Care, Homemaker, Respite, Congregate Meals and Home-Delivered Meals. Subsequently, these core programs have the most impact regarding the number of people served and attainment of the AAA 's mission. These programs will continue to be supported, as well as many others, including Friendly Reassurance, that are similarly important in assisting the aged and persons with disabilities to remain in their own homes for as long as they choose. These supportive services are an integral component in achieving the outcome of enabling older adults and persons with disabilities to live in their own homes and communities for as long as possible.

Services to remain part of the FY 2022 plan include:

- * Congregate Meals
- * Home Delivered Meals
- * In-Home Services
 - Homemaking
 - Personal Care
 - Respite Care
 - Friendly Reassurance added into the FY 2020-2021 Plan in response to Covid
- * Adult Day Care Respite
- * Legal Services
- * Long Term Care Ombudsman
- * Evidence Based Disease Prevention (EBDP)
 - PATH
 - Diabetes PATH (D-PATH)
 - Chronic Pain PATH (C-PATH)
 - A Matter of Balance (MOB)
 - Creating Confident Caregivers (CCC)
 - Powerful Tools for Caregivers (PTC)
- * Care Management Program
- * Medicare Medicaid Assistance Program (MMAP)
- * Nursing Facility Transitions
- * Person-Centered Thinking
- * Diversity, Equity, Inclusion training new objective added in the FY 2021-22 plan
- * Medication Management

Covid-19

Prior to Covid-19 the services addressed in the FY 2020-2021 Plan were essentially unchanged from the

AGING AND ADULT SERVICES AGENCY

FY2020-2022 Multi Year Plan

FY 2022 Annual Implementation Plan

Northeast MI Community Services Agency, Inc

FY 2022

multi-year plan. In March, 2020 as Michigan's coronavirus infection rates were rising steadily, Region 9 sprang into action in effort to minimize exposure risks and infection rates to the extent possible while ensuring essential services continued. These efforts included immediate closure of office locations; deployment of additional tools and equipment for remote work functionalities; review and prioritization of essential services to participants; modification of existing policies/procedures and implementation of new guidance for operations in the office and in the field. In addition, an array of alternative service delivery options were put into place. Region 9 also made a conscious shift to using virtual and telephonic options for meetings, education, trainings and contacts. In 2021, as the vaccine becomes more available, Region 9 will anticipate phasing in planning to resume in-person service when the Governor allows for reopening.

Many program participants, their families and service provider staff expressed great concern related to potential exposure and infection. Several participants have declined services and some workers feared reporting to work. The AAA instituted remote assessment procedures across all facets of services to reduce the number of people entering the home. Pre-visit screening procedures were put into place for workers and participants to identify potentially active cases. Services were reduced initially to prioritized individuals with the most need. The distribution of personal protective equipment (PPE) to field has also been an ongoing approach. As the state's citizens become more protected by being vaccinated, Region 9 looks forward to the future phasing in of in-person services as well.

With vaccine availability growing in northern Michigan, most clinics initially required registration. There was a lot of confusion with older adults as to how to get registered, particularly for those without technology, internet service or knowledge of use. Many phone registration services and internet databases were crashing with the demand. Region 9 staff reached out and partnered with local health departments to be a liaison and assist in helping older adults register for vaccination. The additional staff assistance was appreciated by many who voiced extreme frustration with existing system failures and not knowing where to turn.

One challenge has been on-going, limited access to affordable high speed internet options in many remote areas of the rural service area. It has become clear that many older adults have no interest in engaging in an electronic world; however, there was also the discovery of many who were presently very well connected and engaged. It is through this discovery that the evidence-based and MMAP programs have transitioned nicely to an electronic delivery system and the results have been very positive in most cases. For staffing purposes, the agency rapidly deployed Microsoft Teams and Zoom capabilities to staff as well as updated equipment where needed to facilitate remote operations as seamlessly as possible.

Covid-19 has meant that nutrition services activated alternative service delivery options such as grab-and-go drive-thru congregate meals or providing home delivery of congregate meals. The AAA also participated in the distribution of "Quarantine" shelf stable food boxes as well as the USDA fresh food boxes. Many partners distributed meat boxes in partnership with Gordon Foods.

Friendly Reassurance calls has helped address potential risk with decreased services as well as social isolation. Partners utilizing this service option connect with participants in an effort to ensure health and safety as well as community connectedness. Lastly, it has been challenging to move forward with some existing plan goals that were more focused on relationship building. These would include activities such as group meetings for kinship caregivers; legislative town halls forums; caregiver education; increased recruitment and utilization of volunteer drivers, etc. A more focused effort on electronic and telephonic delivery methods will be explored

FY 2022

6

and pursued for such goals. Increased social media engagement has provided opportunity for awareness of AAA services and supports to populations that may not have known about the AAA through 5 traditional means.

Continuing needs related to the pandemic include a growing capability to adapt to changing needs; flexibility from funders; affordable and reliable high speed internet access; identifying access points for gap filling; access to personal protection equipment; timely and concise communication and marketing strategies; a reliable pool of workers; and frequent and factual updated virus information. It is important for all to recognize personal and professional responsibilities in controlling or minimizing continued spikes in infection rates, particularly related at risk populations.

County/Local Unit of Government Review

In order to ensure that all Region 9 communities have the opportunity to make comment on the activities for the FY 2021-2022 Annual Implementation Plan {AIP}, notice of the public hearing was submitted to all newspapers located in the AAA's 12-county service area by Monday, April 12, 2021. The Region 9 Area Agency on Aging scheduled its virtual public hearing on Monday, May 24, 2021 in conjuction with the monthly meeting of the Northeast Michigan Regional Council on Aging; also known as the Regional Advisory Council (RAC). The announcement of the hearing appeared in local newspapers throughout Region 9 during the week of April 19-23, 2021, providing a minimum of 30 days notice given prior to the hearing. The virtual platform for the hearing allows for a larger audience to participate across Region 9's twelve-county service area.

The draft of the FY 2021-2022 summary plan will be made available to the public and posted on the NEMCSA website and Facebook page. This provides opportunity for all interested community, government entities and private individuals to review and comment on the plan. Written comments are accepted by U.S. Postal Service or by email up to 4:30 p.m. on Friday, June 11, 2021. A letter and copy of the proposed FY 2021-2022 plan will be sent to each entity by registered mail following the NEMCSA Policy Board endorsement on June 4, 2021.

Direct Service Request

Total of Federal Dollars

Total of State Dollars

Geographic Area Served

Planned goals, objectives, and activities that will be undertaken to provide the service in the appropriate text box for each service category.

Section 307(a)(8) of the Older Americans Act provides that services will not be provided directly by an Area Agency on Aging unless, in the judgment of the State agency, it is necessary due to one or more of the three provisions described below. Please select the basis for the direct service provision request (more than one may be selected).

- (A) Provision of such services by the Area Agency is necessary to assure an adequate supply of such services.
- (B) Such services are directly related to the Area Agency's administrative functions.
- (C) Such services can be provided more economically and with comparable quality by the Area Agency.

Provide a detailed justification for the direct service provision request. The justification should address pertinent factors that may include: a cost analysis; needs assessment; a description of the area agency's efforts to secure services from an available provider of such services; or a description of the area agency's efforts to develop additional capacity among existing providers of such services. If the service is considered part of administrative activity, describe the rationale and authority for such a determination.

Describe the discussion, if any, at the public hearings related to this request. Include the date of the hearing(s).

FY2020-2022 Multi Year Plan

FY 2022 Annual Implementation Plan

Northeast MI Community Services Agency, Inc

FY 2022

Approved MYP Program Development Objectives

Area Agency on Aging Goal

A. Advocate for senior programs and engage in dialog with the aging network constituents and elected officials.

Objectives

1. Host a legislative town hall-style meeting, annually, with state and federal elected officials Timeline: 10/01/2019 to 09/30/2022

Progress

(FY 2019-2020) On March 23, 2020, Governor Gretchen Whitmer's "Stay Home, Stay Safe" Executive Order (EO 2020-21) postponed local events in Region 9's twelve county service area. When the public is allowed to gather again, legislators will be contacted to schedule local visits to Region 9's councils/commissions on aging. In the interim, the AAA explored and transitioned to virtual options. The 2020 Older Michiganians Day usually held at the State Capitol was replaced with Senior Action Day and held on May 24, 2020, as a phone/email/letter constituent meeting opportunity to communicate with Michigan Senators and Representatives. The date for the next Senior Action Day has been set in May, 2021. Region 9 will promote the opportunity through local media to build participation.

(FY 2020-2021) The AAA held its first virtual Town Hall Meeting on Friday, October 23, 2020 at 12:30 pm with 106th District Representative Sue Allor and 37th District Senator Wayne Schmidt. Both discussed issues of concern for northeast Michigan's aging adult population such as caregiving, accessing services, living in a rural community, and other topics relevant to older adult voters.

On Friday, June 11, 2021, Region 9 will hold another virtual town hall meeting with Representative Sue Allor to provide opportunity for her to answer questions about her platform, Older Michiganians Day, and the issues of importance to the senior population in our region. Region 9 is exploring possible dates for another Town Hall event in FY 2021. Region 9 will continue to provide virtual opportunity for legislators to connect with Region 9 constituents throughout September 30, 2022.

The 2021 Older Michiganians Day was incorporated into Senior Action Week and live-streamed on Wednesday, May 12, 2021 from 10:00-11:30 a.m. as an opportunity for constituents to communicate with Michigan Senators and Representatives. If available, the virtual option will be promoted in the region again in May, 2022.

Marketing: promotions on Facebook, various media outlets including radio, newspaper, and television; evaluate holding town hall meetings with the Regional Advisory Council (RAC) or other groups providing a larger audience.

B. Promote caregiver wellness and empowerment by providing education to enhance the caregiver experience.

Objectives

AGING AND ADULT SERVICES AGENCY

FY2020-2022 Multi Year Plan

FY 2022 Annual Implementation Plan

Northeast MI Community Services Agency, Inc

FY 2022

1. Hold a caregiver wellness and empowerment conference to provide a supportive and educational environment for learning and skill enhancement.

Timeline: 10/01/2019 to 09/30/2020

Progress

(FY 2019-2020) The Caregiver Empowerment and Wellness Conference was scheduled for Friday, April 24, 2020 from 9:00 AM to 3:30 PM at the Roscommon Knights of Columbus Hall, 165 W. Federal Hwy, Roscommon, MI 48653. On March 23, 2020 Governor Gretchen Whitmer's "Stay Home, Stay Safe" Executive Order (EO 2020-21) resulted in the conference being cancelled.

The conference was revamped as a two-part virtual Caregiver Empowerment and Wellness Conference providing caregivers with practical resources, information and messages of empowerment. Part I was held on Friday, July 31, 2020 from 10:00 am - noon, and Part II was held on Friday, August 14, 2020 from 1:00 pm - 2:30 p.m.

(FY 2020-2021) Region 9 took a different approach and offered a six-session virtual "Friday Caregiver" series starting on May 14, 2021 with 14 attending the first Friday session and 24 attending the second. Four more caregiver presentations are slated on the topic of "Understanding and Responding to Dementia" with Dr. Veroni to be offered starting on June 11, 2021; Dealing with Difficult Emotions on July 9; Assistive Devices on August 13, 2021; and Preparing for the Future on September 10, 2021.

When in-person meetings are allowed, the next designated conference site would be in Roscommon. With the current success of virtual meetings, Region 9 will continue the virtual Caregiver webinar series during winter months and look to offer in-person conferencing in the better weather months.

(New) As a compliment to the Caregiver series, Region 9 will explore and develop a Region 9 AAA Caregiver Resource Hub on the website directing users to senior services, caregiver resources and information to include Downs Syndrome and other topics.

Increase capacity to provide non-emergency medical transportation within the PSA.

Objectives

1. Increase the number of volunteer drivers for non-emergency medical transportation (NEMT) by five. Timeline: 10/01/2019 to 09/30/2020

Progress

(FY 2019-2020) Up to Governor Gretchen Whitmer's Executive Order (EO 2020-21), the RSVP program had one active volunteer driver that retired. All new recruiting efforts for RSVP volunteer drivers had been postponed until after Covid-19 orders can be lifted. Contact information had been provided to individuals and COAs about transportation for Medicaid beneficiaries and Medicare Advantage beneficiaries as requested. COAs that have provided past medical transportation were contacted about availability; however, as the virus became more concerning, the service became less available. Beneficiaries were encouraged to meet virtually with their doctor if possible. Many had to change their appointment when area hospitals restricted contact to emergency only.

(FY 2020-2021) The RSVP program has two volunteer drivers that provide nonemergency medical transportation (NEMT) for waiver clients only that do not drive. Finding volunteer drivers and providing the NEMT service remains

AGING AND ADULT SERVICES AGENCY

FY2020-2022 Multi Year Plan

FY 2022 Annual Implementation Plan

Northeast MI Community Services Agency, Inc

FY 2022

a challenge during Covid-19. Many older adults are reluctant to use public transportation due to fear of contracting the virus. Some NEMT services are in place: Alcona COA began a NEMT program for Alcona area residents; Alpena COA will transport county clients to local medical appointments (no out of town appts); Alpena Alcona Area Credit Union donated public transportation vouchers; Montmorency COA received a small PIE&G grant to provide mileage reimbursement to volunteer drivers in their county; and many COA's that own a bus/vehicle have coordinated transportation for older adults to receive their Covid-19 vaccinations.

(FY 2021-2022) Region 9 will do an inventory of regional transportation services and make it available on the Region 9 website to include: Uber - Gaylord and Alpena, other local taxi services, transportation authorities, COA transportation and others.

D. Expand opportunities for seniors to participate in Evidence-Based Disease Prevention (EBDP) programs.

Objectives

1. Provide opportunities for seniors to participate in Evidence-Based Disease Prevention (EBDP) programs at local Councils/Commissions on Aging (COAs) and partner agencies by increasing the number of class trainers available to lead classes.

Timeline: 10/01/2019 to 09/30/2020

Progress

Evidence-Based Disease Prevention Programs:

A Matter of Balance (MOB): an 8-week workshop series that helps older adults who are concerned about falls; have had falls or are interested in improving flexibility, balance, and strength. Workshops are designed to reduce the fear of falling and increase activity levels.

- Classes (FY 2020) Three workshops held (28 completers).
- Trainers One Matter of Balance Master leader trained from Alpena County and eight lay leaders: one from Crawford, five from Roscommon and two from Otsego

(FY 2021) Held MOB Refresher in Montmorency County: Sept 20, 2020 in Alpena (8 leaders); Virtual lay leader training (8 leaders)

All classes are now held virtually due to Covid-19. Collaborated with other Regions (especially Region 10) to provide a full class of participants.

Creating Confident Caregivers: Creating Confident Caregivers is a six-week workshop series, that educates caregivers about dementia and its effect on the brain, how to reduce caregiver stress and create a positive environment for their person with dementia. Caregivers learn how to plan activities for the person with dementia based on their strengths and gain self-confidence as a caregiver.

- Classes (FY 2020) One Creating Confident Caregivers workshop series completed (Otsego-1 O completers), five postponed.
- Trainers three Creating Confident Caregivers leaders trained on August 2019 Otsego (2) and Roscommon (1).

(FY 2021) Virtual series planned for January 11-15, June 22, October 19, 2021

PATH Chronic Pain: Chronic Pain PATH is a six-week self-management program that educates participants how

AGING AND ADULT SERVICES AGENCY

FY2020-2022 Multi Year Plan

FY 2022 Annual Implementation Plan

Northeast MI Community Services Agency, Inc

FY 2022

18

to coordinate, manage health and pain.

- Classes (FY 2019) One Chronic Pain PATH workshop series postponed (losco).
- Trainers Chronic Pain PATH leader trained from Alpena.

PATH Diabetes (FY 2020): A six-week workshop designed for adults with Type 2 Diabetes to take charge of their diabetes, better communicate with their health care providers and make weekly action plans to stay on track.

- Classes (FY 2019) 3 workshops (20 completers); (FY 2021) Virtual training scheduled for November 3, 2021.
- Trainers (FY 2019) One Diabetes PATH leader trained from Alpena.

PATH Chronic Disease:

- Classes - The workshop was postponed due to the pandemic.

Walk with Ease:

- Classes (FY 2020) Otsego COA held three workshops, 211 completers.
- 2. Increase by 10% the number of caregivers learning coping skills and understanding dementia by providing the Creating Confident Caregivers (CCC) class series and other caregiver resources

Timeline: 10/01/2019 to 09/30/2020

Progress

Powerful Tools for Caregivers (PTC): PTC is a six-week program designed to help family caregivers take care of themselves while caring for someone else.

Classes: FY 2019 (Oct 1, 2018-September 30, 2019) 3 workshops, 26 completers

FY 2020 (Oct 1, 2019- September 30, 2020) 4 workshops, 22 completers

Virtual: November 10, 2020-December 8, 2020 at 5:00-7:30pm

Virtual: March 2, 2021- April 6, 2021 at 1:00pm

Virtual: March - April 26, 2021 at 5:30pm-7:00pm

Virtual: July 15, 2021 – August 19, 2021 at 10:00-11:30am

Developing Dementia Dexterity (DDD): Consulted one-on-one with 15 Caregiver participants since Oct 1, 2019. Since Covid-19, individual consultations for DDD are provided by phone.

- August 27, 2020 1 virtual overview on Dementia
- October 1, 2020 to May 15, 2021: 18 consultations, 1 brain health presentation (Alpena), 2 trainings on Dementia (Roscommon, Cheboygan)

Creating Confident Caregivers (CCC) class series and other caregiver resources:

- One trainer workshop conducted on December 11, 2019 in Otsego county with 10 participants completing. Creating Confident Caregivers classes:

FY 2019 (Oct 1, 2018-September 30, 2019) 5 workshops, 41 completers

FY 2020 (Oct 1, 2019- September 30, 2020) 1 workshops, 10 completers

Virtual: January 11, 2021- February 15, 2021 at 1:30pm-3:30pm

Virtual June 22, 2021

Virtual October 19, 2021

Caregiver Empowerment and Wellness Conference:

- Held in Alpena Aplex Center on April 25, 2019 with 120 attendees including vendors, participants, and

AGING AND ADULT SERVICES AGENCY

FY2020-2022 Multi Year Plan

FY 2022 Annual Implementation Plan

Northeast MI Community Services Agency, Inc

FY 2022

speakers. 86 surveys returned with favorable results and indicating that the information presented was very informative and useful. The 2020 conference will be held virtually in two parts on July 31 and August 14, 2020. In FY 2021, a monthly virtual series (six webinars) will be held April - September, 2021.

Other FY 2021 Activities: Region 9 Caregiver Manual (in development); added a Caregiver section to Region 9 's Facebook page including "Caregiver Self-Care Tips," and produce a quarterly Caregiver Newsletter (email) with resources, information and helpful tips.

- Personal Care Bags provided older adults with everyday items and activities that limit their need to leave their homes during the COVID-19 pandemic to purchase these items 400 bags delivered to all 12 counties.
- Brain Health Toolkits 40 regular/25 caregiver kits (Roscommon); 60 regular/25 caregiver kits (Arenac)
- The feasibility of other EBDP programs will be investigated: a collaboration with MMAP and especially the "Aging Mastery" program as a webinar series. Several components of this program need local development: topics provided, guest speakers would need to be investigated, purchase of toolkits (\$20-40 per person) and the cost to train leaders.

E. Promote independent living and self-choice in developing care programs by offering long-term supports and services.

Objectives

1. Ensure all persons seeking services or information will be responded to in a person-centered manner by providing training to all new AAA staff and new staff of partner agencies.

Timeline: 10/01/2019 to 09/30/2020

Progress

Progress: (started in FY 2019-2020 and FY 2020-2021) All new AAA staff attend a Person-Centered Training (PCT) session online. Partner agencies are provided the same online option.

(FY 2020 - 2021) Staff are currently developing in-house training using Easy Generator software to offer trainings throughout Region 9 in the areas of person-centered training; Diversity/Equity/Inclusion; and other staff training topics.

Staff will also evaluate the ease of navigating our website so that older adults are self -sufficient in obtaining information. A tabulation of user hits will allow for ongoing comparative data and adding a user satisfaction survey on the website.

F. Provide education on Medicare and Medicare Fraud awareness.

Objectives

1. Provide opportunity for a minimum of 120 seniors and/or persons with disabilities to increase their knowledge and awareness about "Medicare Benefits and Fraud" through public education events to be held throughout the Region 9 service area.

Timeline: 10/01/2019 to 09/30/2020

AGING AND ADULT SERVICES AGENCY

FY2020-2022 Multi Year Plan

FY 2022 Annual Implementation Plan

Northeast MI Community Services Agency, Inc

FY 2022

20

Progress

(FY 2020) A "New to Medicare" PowerPoint was developed by the AAA that included a section on Fraud and Scams and distributed to all 48 counselors as part of the Region 9 Annual Meeting held in Alpena on October 10. Presentations have been held in Alpena (3 presentations), Montmorency (3 presentations - held in Atlanta, Hillman, Lewiston), Iosco (1 presentation with Oscoda Life Long Learners). Presentations had been planned for and/or scheduled, and cancelled due to the Coronavirus at: Iosco-East Tawas, Roscommon (Medicare Mondays), Crawford, Montmorency-Thunder Bay Health Clinic, Ogemaw, Otsego (2 HUD Housing Units), Cheboygan, Presque Isle (Posen), and Alpena. While Region 9 has reached its attendance goal with 141 beneficiaries attending seven public education events (the goal was 120 beneficiaries), it was evident to the COAs that New to Medicare programs were popular and well attended. It is unknown at this time when Region 9 COAs will return to regular services so that more presentations may be offered; however, virtual options are being explored. All MMAP counselors continue to assist beneficiaries by phone only (no face-to-face meetings) and other virtual options are being explored.

New to Medicare Program attendance:

Alpena Presentations:

Oct 3, 2019 - 16 attendees

Dec 12, 2019 - 18 attendees

Mar 12, 2020 - 16 attendees

Alpena Site Coordinator Julie Robinette was interviewed by WBKB 11 TV regarding the Alpena COA presentations for the February 22, 2020 "Insights" show

http://www.wbkb11.com/local-programming/insights-into-northeast-michigan

Oscoda Presentation:

Life Long Learners - Oct 19, 2019 - 18 attendees

Montmorency Presentations:

Atlanta, Oct 8, 2019 - 14 attendees

Hillman, Oct 10, 2019 - 23 attendees

Lewiston, Oct 15, 2019 - 36 attendees

Total Attendance was 141 for the seven (7) programs.

When Covid-19 essentially closed in-person participation at COAs, the New to Medicare presentations were cancelled. Since then, Region 9 has held monthly Zoom planning meetings and worked with the Crawford COA counselors who are now holding monthly virtual New to Medicare presentations. On July 22, Crawford COA counselors gave a New to Medicare demonstration for site coordinators. Joint county presenting is on the agenda for Region 9's planning meeting on August 5. MMAP, Inc. continues planning with the Regional Coordinators about virtual counseling with beneficiaries using Zoom, WebEx and other virtual programs.

(FY 2021) New to Medicare & Fraud/Scams has begun as a 12 county Region 9 monthly presentation. The presentation is held consistently at 10:00 a.m. on the second Wednesday of each month using the Zoom platform or by telephone dial-in. As part of registration, each beneficiary schedules a follow- up appointment with a MMAP counselor to review Medicare/Medicaid options and other needs. The new format was developed at virtual monthly meetings of Region 9 Counselors.

G. Increase public awareness of signs of abuse, neglect and financial exploitation among senior populations

AGING AND ADULT SERVICES AGENCY

FY2020-2022 Multi Year Plan

FY 2022 Annual Implementation Plan

Northeast MI Community Services Agency, Inc

FY 2022

Objectives

1. Improve collaboration with area law enforcement, emergency personnel, and Adult Protective Services workers in identifying and reporting suspected elder abuse.

Timeline: 10/01/2019 to 09/30/2020

Progress

Educational talks and in-person activities with law enforcement were postponed due to the Governor's Executive Order (EO 2020-21) with new dates currently being rescheduled and projected to later in July, August or September. Law Enforcement has been contacted regarding rescheduling training days. Many were hesitant to project a date with the Governor's order still in place. Most sessions were scheduled to be held in public libraries which were closed making it difficult to make contact.

Throughout August and September, 2020, 55 law enforcement officers attended ten (10) trainings held in the following counties: Alcona (1 training/8 attendees), Alpena (2 trainings/15 attendees), Cheboygan (3 trainings/16 attendees), Crawford (1 training/? attendees), Iosco (1 training/4 attendees), Montmorency (1 training/5 attendees), Otsego (1 training).

2. Increase the number of people who become more aware of the effects of elder abuse, neglect and exploitation, as well as how to identify it and report.

Timeline: 10/01/2019 to 09/30/2020

Progress

A public service announcement (PSA) was designed to educate about the forms of elder abuse and direct the public to report incidents. In collaboration with the production company Olive Animations, two public service announcement/animations are being developed (a 30-second and a five minute segment). They will be distributed to local television stations, radio stations, for use by public and private agencies in virtual platforms for web-sharing, governmental entities, and other organizations throughout Region 9's service area. Because the videos can be so easily shared, the expected outreach anticipated may reach far beyond the numbers previously seen during the annual Elder Abuse Prevention Conferences.

H. Foster development of new collaborations and enhance current partnerships to build the aging continuum.

Objectives

1. Provide training and technical assistance to all local aging network partners.

Timeline: 10/01/2019 to 09/30/2020

Progress

(FY 2021) The NAPIS (National Aging Program Information System) is the electronic database to register local clients and gather statistics for the AAA service network. At this time, AASA is releasing an electronic registration form for agencies to use; internally in October FY 2020, NEMCSA began work on a database. AASA finished its statewide database for all AAA's.

Region 9 began using the new database as of FY 2021.

AGING AND ADULT SERVICES AGENCY

FY2020-2022 Multi Year Plan

FY 2022 Annual Implementation Plan

Northeast MI Community Services Agency, Inc

FY 2022

Other:

- Held meetings at COAs to help them deal with HR issues during Covid-19.
- Developed "Nutrition Tech" 8 question/answer pre/post tests released to the COAs for staff development in the area of nutrition.
 - Utilized Easy Generator software to develop trainings for onboarding new RAC members.
 - Establish a website tab for members to access recorded trainings, meetings, etc. with passcode access.
- I. Improve the quality and effectiveness of services provided through the regional aging network and Region 9 Area Agency on Aging partners.

Objectives

1. Increase the number of direct-care service providers and ensure they have access to affordable continuing education opportunities by providing at least two trainings each year enabling them to develop, improve, and maintain a high quality level of service to seniors.

Timeline: 10/01/2019 to 09/30/2020

Progress

(FY 2019-2020) Planning began to connect Region 9 AAA and Councils/Commissions on Aging with their respective high schools to introduce and educate students about senior care as a vocation including classroom talks, attending college/parent events, volunteer programs, and potential field trips to events held at COAs. After the Governor's Executive Order (EO 2020-21), all Michigan schools were closed, remote learning put in place and the grant activities were postponed.

(FY 2021-2022) Contact high school guidance counselors to have them identify possible students interested in a healthcare field. Develop a virtual recruitment video and/or recorded training posted to the AAA's website with a registration link/password. Look at incentives to encourage student interaction.

J. Improve the accessibility of services to Michigan's communities and people of color, persons with disabilities, recent immigrants and LGBTQ+ individuals.

Objectives

1. Promote the AAA's services to Region 9's people of color, persons with disabilities, recent immigrants, LGBTQ+ individuals or any other factor.

Timeline: 10/01/2020 to 09/30/2021

Progress

Activities:

- AAA staff will participate in diversity, equality, and inclusion training on a regular/annual basis through SAGE or other available educational instruction.
- Create a public relations plan using radio, television, and social media to create awareness of services targeting people of color, persons with disabilities, recent immigrants, and LGBTQ+ older adults that is culturally and linguistically appropriate.
- Encourage input from people of color, persons with disabilities, recent immigrants, and LGBTQ+ older adults

AGING AND ADULT SERVICES AGENCY

FY2020-2022 Multi Year Plan

FY 2022 Annual Implementation Plan

Northeast MI Community Services Agency, Inc

FY 2022

through listening sessions/forums.

FY 2021 Progress:

- All Medicare Medicaid Assistance Program (MMAP) staff and volunteers have completed diversity, equity, and inclusion training (and testing) as part of their 2021 MMAP Counselor recertification process. Prior to recertifying, all counselors formed a study group/forum to review content and discuss how to best serve MMAP LGBTQ+ clients. The virtual training was produced and provided by the Center for Medicare Medicaid Services (CMS).
- Region 9 is planning to secure training for AAA staff, initial training for new employees, and COA employees in the areas of diversity, equity, and inclusion. Region 9 has contacted the Michigan Chapter of SAGE to arrange for topics/trainers. SAGE (Services and Advocacy for LGBT Elders is the oldest/largest non-profit organization that focuses on the issue of LGBTQ aging. An introductory session is planned for August 2021.
- AASA has advised the AAA that as of October 1, 2021 the NAPIS client registration reporting system will allow for expanded data collection reporting, including new options to report client gender (LBGTQ). Responses are voluntary for clients and are not a condition of receiving service. The collection of this data will allow Region 9 to better serve the LGBTQ community.

AGING AND ADULT SERVICES AGENCY

FY2020-2022 Multi Year Plan

FY 2022 Annual Implementation Plan

Northeast MI Community Services Agency, Inc

FY 2022

2022 Program Development Objectives

Area Agency on Aging Goal

A. Provide Region-wide information about Medicare Medicaid and the healthcare options available for beneficiaries starting Medicare.

State Goal Match: 1, 2

Narrative

The Medicare Medicaid Assistance Program educates, counsels and empowers Medicare/Medicaid recipients so they can make informed health benefit decisions.

Objectives

1. Host a virtual "Countdown to Medicare" for new beneficiaries starting Medicare.

Timeline: 10/01/2021 to 09/30/2022

Activities

- Contact potential speakers from the Social Security Administration, Department of Health and Human Services and schedule the virtual conference.
- Develop press releases, radio spots and flyers for the event.

Expected Outcome

By hosting a virtual "Countdown to Medicare," new to Medicare beneficiaries, older adults planning for retirement, persons continuing to work past age 65, persons with disabilities starting Medicare and others will have access to benefit information from area professionals to help them understand how Medicare/Medicaid works and make informed decisions about their healthcare options.

New beneficiaries will: have Medicare explained; obtain information about other services (Medicaid, Veterans, subsidies); how to connect with a MMAP counselor for questions, advocacy and enrollment help.

B. Improve data collection methods throughout the AAA.

State Goal Match: 4

Narrative

Region 9 Area Agency on Aging provides many services that function independently within the organization. By exploring ways to track and better interconnect requests for information and referrals, the AAA can improve efficiencies throughout its services.

Objectives

1. Examine how requests for information and service referrals are made and tracked within/without the AAA. Timeline: 10/01/2021 to 09/30/2022

AGING AND ADULT SERVICES AGENCY

FY2020-2022 Multi Year Plan

FY 2022 Annual Implementation Plan

Northeast MI Community Services Agency, Inc

FY 2022

Activities

- Survey the AAA's departments to review how requests are handled and outcomes (paper, software, etc.).
- Form a discussion group to assess needs for information.
- Seek input from IT about software and systems within the organization and how they can be enhanced
- Explore new software options to purchase/install to meet the organization's inter-services inquiry and tracking need.
- Review the feasibility of acquiring "Point of Contact" software.

Expected Outcome

- Region 9 AAA will have a plan for handling client requests and referrals.
- What software is needed, cost, installation processes throughout the AAA and training needs.

C. Review the feasibility of providing a Region 9 AAA Case Coordination service.

State Goal Match: 4

Nar<u>rative</u>

Develop a plan for covering core services where counties are out of compliance with AASA Standards. The AAA would be prepared to coordinate the in-house service provision for contracted services such as homemaking, personal care, respite and home-delivered meals.

Objectives

1. Examine the feasibility of a comprehensive case coordination service at the AAA.

Timeline: 10/01/2021 to 09/30/2022

Activities

- Assess and analyze core service alternatives to maintain AASA standards.
- Develop alternative ways to coordinate substitute resources and identify costs.
- Review the staffing needs to coordinate backup services.

Expected Outcome

Region 9 AAA will have a plan in place for handling case coordination of services for counties out of compliance of AASA standards.

State	State Home Delivered Meals	10%	AASA
State	State Nursing Home Ombudsman	10%	AASA
State	State Alternative Care	10%	AASA
State	MI State Ombudsman Funds (MSO)	10%	AASA
State	State Merit Award Trust Fund	No Match Required	AASA TL #1006 (7/28/09)
State	State Caregiver Support	10%	AASA
State	State Respite Care	No Match Required	Public Act 171 of 1990
State	State Care Management	10%	AASA
State	State Aging Network Services	10%	AASA

⁽a) 15% is an approximate amount and may vary slightly after applying the state match amount.

Per AoA requirements, if the required non-federal share is not provided by the completion date of the funded project period, to meet the match percentage, AoA will reduce the Federal dollars awarded when closing out the award, which may result in a requirement to return Federal funds. AASA verifies compliance with local matching requirements based upon a review of AAA FSRs.

⁽b) AoA is the acronym for the federal Administration on Aging

⁽c) Michigan Office of Long Term Care Supports and Services (OLTCSS)

⁽d) OAA is the acronym for the Older Americans Act

^[2] The exact percentage amount may vary slightly in order to meet the federal requirement.
