D. Summary: TASB has recommended changes to policies DK(LOCAL), EB(LOCAL), EEB(LOCAL), and DBA(LOCAL) to align with our district's current District of Innovation (DOI) plan. The changes would not have a substantive impact.

Background Information:

Purpose: To align District policies to our approved DOI plan, at the recommendation of TASB.

Explanation:

- The proposed changes would remove language from the four LOCAL policies that state that the District is exempt from certain state laws due to our DOI plan.
- The DOI plan is applicable only to the LEGAL framework, not the LOCAL policies. For that reason, TASB recommends that we not mention

the DOI exemptions in LOCAL policies unless there are provisions that are specifically related to the DOI exemptions.

- The LEGAL framework for each of these policies already includes a note stating “The Board has adopted an innovation plan that affects application of provision in this legally referenced policy.” That note will remain.
