Student Life

November Rotary Student of the Month- Dillon Gardner

Dillon is a born teacher whose joy for learning and generosity in sharing knowledge make him an inspiring presence in our school. From serving as the "unofficial math tutor" in the library to leading his robotics programming team with enthusiasm and gracious professionalism, Dillon consistently demonstrates the Rotary values of integrity, fairness, goodwill, and service. His perseverance and determination—like studying hard to earn a perfect math score on the SAT—reflect his commitment to excellence. Dillon truly lives the Rotary ideal of Service Above Self, and we are proud to honor him as our Rotary Student of the Month.

Attendance Matters!

Oregon Law: ORS 339.010

- All children between the ages of 6 and 18 years who have not completed the 12th grades are required to attend regularly a public full-time school during the entire school term.
- Students are considered irregular attenders when they meet any of the following:
 - 8 unexcused one half days absences in any four week period
 - 5 absences (excused or unexcused) in three months
 - 10 absences (excused or unexcused) in 6 months
- Chronic absences means missing 10% or more school days in a year for ANY reason. That is nearly a month of school. **Chronic absenteeism includes ALL absences, consecutive or not, excused or not, as they all relate to a student's overall attendance.**

Build the habit of good attendance early!

Our goal is to have all students attend 90% or more of the time. We appreciate your support as we work to reach this goal!

Our November regular attender rate is below:

Freshman: 71% (up by 4% from October)

Sophomore

Juniors: 61

Seniors: 53% (down by 13% from October)
