

# Community Use of District Facilities Management Guidelines

**ORGANIZATION:** All use of school facilities by non-district entities will be coordinated through the Celina ISD Administration Office in conjunction with campus administration.

**AVAILABILITY:** School buildings and other facilities may be made available to groups that wish to conduct activities that promote, stimulate, and foster the interest of students and the community, as well as activities that promote the efficiency of the school district, so long as activities do not conflict with the school program and community expectations for the District. Programs serving District students will be given priority for use. The following guidelines shall pertain to all groups who desire to use schools and/or other facilities following this policy, "policy GKD LEGAL", and regulations.

## 1. COMPLIANCE WITH LAWS, RULES, REGULATIONS & POLICIES

No school facilities shall be used by any group or individual who does not comply with the requirements of all Federal or State statutes, regulations, and rules prohibiting discrimination based on race, religion, color, sex, national origin, handicapping conditions, age, or other classification. State law prohibits the use of alcohol on school property. All laws (federal, state, local) and Celina ISD policies are in effect 24 hours per day, including the times the facility is rented. Contraband shall include, but not be limited to drugs, drug paraphernalia, weapons, and alcohol possessed by students. District / local police officers, or any other law enforcement officer, shall enforce the law and arrest individuals for the violation of any law including but not limited to possession or consumption of alcohol on school property, drug law violations, weapon law violations, disruptions, trespassing, and the violation of any traffic law. The District's "Tobacco Free Policy" prohibits tobacco use in ANY form, in or on any District property or any location leased by the District where a user group is being held. The policy includes but is not limited to, all buildings, vehicles, property (outdoor or indoor), and all staff, students, parents, visitors, and patrons. (GKA-Legal, Education Code 38-006)

## 2. VIOLATION OF LAWS, RULES, REGULATIONS & POLICIES

Any misrepresentation by any organization and/or individual, any abuse of any District property, any violation of state, local law, or federal and/or any violation of any District policy, rule, or regulation may result in,

- 1) The immediate termination of the contract;
- 2) The requirement to immediately vacate the premises; and/or
- 3) The denial of that organization's and/or individual's request for future use of the premises.

3. LONG-TERM LEASES (6+ Months)

Celina ISD is accepting long-term leases with District approval. Long-term lease requests will need acceptance and approval by the Superintendent.

4. RESTRICTED USE OF CERTAIN AREAS

Laboratories, classrooms, and administrative front office areas are not available for public use. Auditoriums may be used by non-profit organizations for general youth group leadership training events; by performance studios for annual recitals or one-time events and by any established business partners for approved training or employee recognition events.

5. ACCESS TO FACILITY KEYS

Only authorized employees of Celina Independent School District are permitted to have keys and/or access cards to District facilities.

6. CUSTODIAL AND OTHER SERVICES

Custodial staff shall be present during the duration of all facility use. Base custodial fees charged to paying groups shall include limited custodial service only. Any specific service required shall be paid for in addition to the base fee.

7. PROPERTY DAMAGE

Damages to District property shall be paid for by the user group whether caused by the user group or others. Misuse or abuse of District equipment and/or facilities may result in an immediate denial for further use.

8. INSURANCE

All groups must sign a Rental Agreement and must furnish liability insurance before approval for use. Any organization using school facilities must provide an original Certificate of Insurance, with the district named as the Certificate Holder, indicating a minimum of \$1,000,000 (one-million dollars) Combined Single Limit for Bodily Injury and Property Damage Liability coverage. In addition, the district must be named as an additional insured on this policy. The insurance requirement may be waived by organizations that exist for the improvement of educational opportunities in the District, subject to the approval of the Superintendent or designee.

9. ATTENDANCE BY THE GENERAL PUBLIC

Any group renting or using a building for an occasion that the general public is eligible to attend shall be held responsible for the treatment of the property by the general public during that time. The group shall, at the discretion of the Superintendent or the Facilities Manager, be required to employ Law Enforcement officers, at the expense of the lessee, to help ensure the safety of attending persons as well as to help prevent the destruction of school property. Employment of Law Enforcement officers does not release the renting or using group from liability for any damages incurred and/or injuries sustained while the building is occupied by the user group.

10. SUBSEQUENT AGREEMENT

After the original agreement, groups or organizations desiring to continue to use the facility shall be required to update the agreement annually. Changes made after the original agreement is signed that effect the amount to be charged and/or the conditions of the rental agreement shall necessitate the signing of a new agreement to supersede the original agreement.

11. DISTRICT STAFF

The district shall furnish the necessary staff to open, clean, and close the property. If the building is being rented or used for hours during which District staff members are not normally on duty, the Facilities Manager shall assign the number of staff necessary to maintain the facility. (Certain rentals may require specialized staff members at an additional cost.)

12. DESIGNATED REPRESENTATIVE

Any group renting or using District facilities shall designate one member of the group to be responsible for the program or activity. This person shall, in turn, be responsible to the building principal and/or the Facilities Manager.

13. CELINA ISD STAFF CAMPS

Any district staff member conducting a camp must be an employee under a contract or employment agreement. The camp shall not be sponsored or conducted by a private organization. Financial assistance shall be provided to participants who qualify for the National School Lunch Program

14. RENTAL AND PAYMENT TERMS

Checks shall be made payable to Celina Independent School District and payment of the facility usage charges shall be made before rental or use of the facility. Rental time shall be charged from the time the lessee enters the building until the lessee leaves the building (set-up time till break-down time).
