- 22 Swaim to Ray's

# Manzanita Messenger February 2017

February starts our second semester here at Manzanita Elementary and it is a great time for students and families to focus on the four components of PBIS: Safe, Responsible, Respectful and Kind. Built into that is a focus on individual academics, attitude, and attendance. As we continue our focus on growing all kids at Manzanita Elementary, we want to partner with you to encourage students during the second half of the school year. Please help us in making sure your child is here every

day, that they are using a growth mind set and embracing challenges while demonstrating respect, responsibility, safety, and kindness, and they are working hard in the classroom and at home with completing homework.

*Renée Hults*  
Principal
