## Program Report

August 2015

Happy 2015-2016

School Year!

- Community Education is gearing up for the Annual Back To School Parade and Fair on Saturday, September 12th. Each school will have either their own float or a shared float. Riley PreK will have their King and Queen of the parade.
- We have several vendors for this event and/or for the celebration of our students going back to school. We are excited for our donors and look forward to a great event.
