Dear Rose Hucek and Members/Donors of Coast Kids,

Thank you so much for jumping in and taking care of our family in need of new car seats! I was surprised by your quick response when I reached out to see if Coast Kids could purchase car seats after a family from Nehalem Elementary School was in a car accident.

Rose, thank you for taking on the purchasing and delivery also. Your help allowed me to focus my attention on the daily lives of our school community.

The family is so grateful and relieved. To be able to help take away even a little bit of stress during such a traumatic time is joyful giving at its best!

I'm so glad to be introduced to your organization and all the wonderful ways you can help me network and support our coastal kids!

I'm looking forward to meeting in person soon!

Best Wishes,
