Subject: Consider/Approve Region 3 ESC
2017-18 Calendar & ECI 2017-
18 Calendar

ACTION

Background Information:

After collecting calendars from our school districts, we develop an ESC3 calendar to provide services efficiently to all 39 school districts in the Region 3 area. All school districts' calendars which we have received indicate classes will begin August 16th through August 28th.

The Early Childhood Intervention Program (ECI) is required to be in operation on all days except for the federal holidays designated by the State program. The ECI staff members have schedules which alternate yearly.

Administrative Consideration:

Discuss ESC and ECI's 2017-2018 calendars.

Administrative Recommendation:

It is recommended that the Board accept the ESC and ECI calendars.

Board Action Requested:

Motion for approval.
