Principal's General Narrative:

Things are generally going well. I have asked for input from faculty regarding problem areas and solutions and the only input I have received is consistency in enforcing the dress code by all teachers throughout the day. Issue was discussed during faculty meeting and it was agreed we all would be more diligent with extra emphasis placed on 1st and 6th periods. Failure list after first 6 weeks was comparable to the past. We do have a very large number of students on A and A/B honor roll.
